Beacon Report

Happy New Year to the world's greatest fishing club! I hope we all had a wonderful Holiday Season. I have been a member of Flagler Sportfishing Club since 2008. I have seen it explode with membership, people from all over who move to our fine neck of the woods with many different backgrounds, but one common interest. Now it's 2017.

What's changing? For you catch photo release folks, Bill May, will be running our CPR kayak tournament. I may even get my big butt in a "yak" for that one!

We (the Board) have increased all the payouts for our tournaments. We have acquired better raffle items and gifts. We have purchased new items to make Club events better. The point is, the more we have given the more we have received over the years. Please thank those people running around in yellow shirts. These folks bust their humps to make this thing happen. Let's have an incredible 2017 and don't forget to volunteer early and often!

Chris Davy, President

ANNUAL CHILI COOK-OFF

The Quick Tips Seminar will start at 7:00 p.m. and the regular meeting will start at 7:30 p.m. Winners will be announced at the break and members will be able to enjoy any or all of the chili dishes at that time. First, Second, and Third Place awards will be presented along with bragging rights. So, you bring the chili and the Club will provide utensils, bowls, napkins, and crackers. January Fishing Forecast
Captain Jim Britton
Saltytalesfishingcharters.com

Happy New Year to all! If you are like me, you may have resolved to catch more fish this year. My plan to accomplish this is quite simply to attend our meetings, to gain knowledge from members and guest speakers, and to keep a fishing log (if you already keep a log then refer back to past years to aid in planning your trips). Logs can be quite basic (a simple notebook or day planner) or elaborate (professional fishing journals, smartphone apps, or other electronic media).

So far we have seen a fairly mild winter, therefore, our inshore fishing patterns are shaping up similar to last year's bite. Even though our water has not become crystal clear yet, the temperature is dropping. Therefore January should provide us with a nice sheepshead and black drum bite. Target these fish around docks, bridges, and deep holes with structure using fiddler crabs or shrimp. You will also find some nice sea trout patrolling these same waters. As the sun warms the flats up, redfish and flounder can be targeted in the shallows with artificial baits (Grandslam Baits, Zman, and Berkley Gulp all have been working well) or live finger mullet.

If the wind will allow a trip to the ledge, January is a great time to target trophy wahoo! High speed trolling ballyhoo with dark skirts (red, purple, blue, and black combinations are popular) or noisy naked lures (also using dark combinations) should entice the big ones. The bottom bite should also heat up as the temperature drops (make sure to check the ever changing regulations for closures and bag limits). Grouper, sea bass, trigger, and cobia should be waiting for a meal. Drop down live sardines or pinfish or cut sardines or squid to see which baits will ignite the bite.

Tight lines and much happiness to all in 2017!

By Rita Waddell, Weigh Master

Here are the results as of **12-13-2016**. As a reminder - I will pick up weigh slips right after the first of the year and any tickets weighed in by the end of the day on 01-01-17, or the first business day of each weigh station, will be included in this year's results and published in the February issue of *The Chum Line*. The Overall and Men's are very close and I am sure will come down to the wire!

Everyone, please review the results and let me now if there are any missing entries. Also if so, please have your yellow copy of the weigh slip handy!

A Very Merry Christmas and Happy New Year To Our Annual Sponsors

Flagler Sportfishing Club – January 2017
By Bill May

In lieu of featuring one of our Annual Sponsors in an article this month, I want to briefly explain what is happening with our Annual Sponsor Program. I will once again in 2017, serve as the club's Marketing Director.

As many of you know, I was tasked four or five years ago by the FSFC Board to contact numerous businesses related (or not related) to our sport. The purpose was to ask them to become Annual Sponsors for our club by making cash or other significant donations to the FSFC to augment our club activities during the year. This allows for higher cash payouts at our tournaments and larger donations to the beneficiaries of our two big tournaments held in the Spring and the Fall. We also suggest that they donate raffle items for our meetings, tournaments and silent auctions. In return, their logos appear on our flyers for tournaments, on the Tournament Winners' Board, our website, in our newsletter, and in general, they will be supported by our members at every opportunity. Our Annual Sponsors are also invited to participate in our activities in a variety of ways and depending on their level of support, are offered up to two free annual memberships and two free entries into each of our two big annual tournaments. Higher level Annual Sponsors also will have their logos on our tournament shirts. Location of logos on the shirt is determined by the level of sponsorship.

So, if you are going to buy a boat, if you need bait, if you need fishing tackle, if your insurance is running out, if you are hungry for cheesecake or barbecue, if you need shirts, if you need something printed, if you need canvas work, if your motor won't start or needs serviced, CONTACT OUR ANNUAL SPONSORS. To go one step further, before you buy anything at all, check out our

Annual Sponsors to see if they can provide the service or item you need. Don't forget that many of them had damage from Hurricane Matthew and need a boost.

(Please note that these Annual Sponsors are different from our Tournament Sponsors who donate to support one (or two) of our two big annual pay tournaments. The Annual Sponsors pledge to support us through-out the year. The individual Tournament sponsors are only in for the particular tournament that they donate to. My goal is to encourage many of the Tournament Sponsors to become Annual Sponsors.)

I am now in the process of looking for new Annual Sponsors for 2017 and more important, renew those that have so generously supported our club in the past. We cannot thank them enough. Questions that I am asked are "What will your club do for me if I sponsor you?" "Did last year's sponsors sign up again for this new year or do they intend to?" "Do your club members actively support your Annual Sponsors?" The list goes on and on. Yes we have lost a sponsor or two over the past several years, particularly those that are out of the immediate area probably because it was too inconvenient for our members to drive that far.

I am asking for all members to become familiar with our Annual Sponsors. Visit them. Tell them you are with our club. Buy something there even if it is a package of fishhooks. Become visible. As I said, I am looking for Annual Sponsors for 2017 now and if any of you know of a business that would be interested, please let me know. I will contact them. My goal is to have as many in place before the end of December this year as possible. And most important, wish them all a

The Annual Holiday Party had a great turnout and there were a lot of Toys for Tots. Kevin Quinn played a great variety of music and added to the merriment. Thank you Shay Morrow for again putting together a wonderful event. Everything, from food to raffle items, took a lot of time, and Shay's attention to details showed in the beautiful raffle baskets, music, and dinner selections. Thank you, Shay.

I also want to thank our Officers and Board of Directors for all their hard work that makes our Club so special. And, a big THANK YOU to all the members who got involved in our events in 2016. The Board cannot do everything, and we truly appreciate your help. We need your help, your ideas, and your time.

Walt and I moved to Palm Coast New Year's Eve 2011. Shortly after he found a blurb in the newspaper announcing the Club's meeting. We attended the meeting, liked what we saw and heard, and joined the Club. My hobby is photography, and when Club was looking for a photographer, I volunteered. Here I am a few years later, Club Photographer, member of the Board of Directors and Editor of *The Chum Line*. Walt is on the Board of Directors and Membership Chairman.

I'm not saying that you need to get as involved as Walt and I did. But get involved. We have met and have become friends, and co-Board members, with some awesome people. And, have met so many wonderful Club Members. So, when we send out flyers and ask for volunteers, please respond.

Happy New Year from Your Editor.
