Remember all that at the May meeting we elect new Officers for the Club. This is important not as much in whom we elect, but to recognize all those who have volunteered their time and help to the Club by being on the Board Of Directors, accepting responsibilities like being the Chum Line Editor. Thanks Ellen! Members who help out setting up events or just pitching in when asked or not, make this the Club it is. These folks really "run" the Club. Be aware the manatee zones begin this month so be sure you are clear about where. The fines are big. Lets all be sure to show some love for Chuck Radloff (who was involved) and Mike Crofts for a great Spring Classic. Thank you for the honor of being President. Chris Davy

Count the Spots Tournament Wrap-Up

By: Peter Bessette

Saturday, April 19th was a nice day for fishing with the sun shining. We had several members show up at Bing's Landing to weigh in their catches and find out who had the most spots on their redfish, with the club's weigh-master Rita Waddell. There were fifty-seven people who signed up and we exceeded that number with people showing up for the weigh-in and lunch.

The winners for most spots were: Arthur Burns in 1st place with 4 spots, Johnny Johns in 2nd place with 4 spots, Andy Block in 3rd place with 4 spots, Tom Juliano in 4th place with 4 spots, and Javier Reyes in 5th place with 3 spots. Andy Block was the winner for the heaviest red, weighing 5.7 lbs.

Kevin Clymer won the raffle for the fishing rod, the "show up raffle" was a \$50 gift card to Big Boys Play Toys, won by Brett Strom, and Corey Herod won the 50/50 prize money. Congratulations to all the winners and thank you to everyone who fished and participated. A special thank you to Brett Strom, Scheyenne Welch, and Mike Crofts for helping to set up and tear down, and Oscar Best for his photography.

Count the Spots Tournament

**May fishing forecast**

Capt. Jim Britton
saltytalesfishing@gmail.com

It seems that our spring is finally here in full effect! The forecast will be much the same as April, plus more. By "more" I mean we should all be catching **more** fish, plus expecting **more** species.

On the beach, anglers can expect more blue fish, more pompano, and more Spanish mackerel, as well as, the usual whiting and occasional redfish and black drum. From the piers, the bite will be much the same. However, as the month progresses be on the lookout for a shot at a kingfish and tarpon.

Inshore Anglers it is time to dust off your favorite topwater plug. Hit your favorite flat, early in the morning, for some exciting redfishing or target creek mouths and drop-offs for

speckled sea trout. After chasing the topwater bite, anglers can target flounder as the day warms up. For the flatties, target deep holes with moving water using a ¼ ounce jighead and a small mullet or mud minnow.

Offshore Anglers should not have to travel far for some exciting battles. Kingfish and cobia will be found on the beach and on the wrecks and reefs (make sure to have some pitch baits ready on some spinning gear). While fishing these waters, be on the lookout for sailfish as they too move in with the warmer water. Deep water anglers will be greeted by more dolphin. Recent reports have most bites coming on ballyhoo rigs. Small pink and white skirted baits are working also. An occasional wahoo or blackfin tuna may still find its way into the spread also.

Good luck on the water and remember - fishing is fun, have a blast!

Capt. Jeff Rafter: Growing up on the Eastern Shore of Maryland Jeff lived near the expansive beaches of Ocean City, Maryland, lower Delaware and Assateague Island - Maryland and Virginia. These beaches were first fished with a friend's dad in the early 60's. Later through college summers he was a mate on a Marlin boat out of Ocean City and would surf fish at night.

As a career Naval Officer he was privileged to surf fish on a variety of different beaches in the Pacific and all along the Atlantic coast including six years in Mayport, Florida in the 70's & 80's when he first fished Matanzas, Marine Land and the Flagler beaches.

Retiring to Palm Coast in 2000, he now fishes the beaches of northeast and central Florida from Little Talbot Island in Nassau County, south to the Kennedy Space Cen-

Andy Block has been a director of The Flagler Sportfishing Club since 2013. He's been teaching surf fishing classes at Gamble Rogers Memorial State Park in Flagler Beach since 2014 to help raise money for Friends of Gamble Rogers State Park (FROGRS). While Andy loves all types of fishing, he is passionate about surf fishing.

Oscar Best is a relative newcomer to FL. He arrived 11 years ago from New York, but Has been fishing most of his life. He has fished Long Island from Brooklyn to Montauk Pt., both the North and South Shores. He has also fished in the Great Lakes. Oscar prefers surf fishing but has been known to go out on the water. In FL he fishes along A1A in St. Johns, Flagler, and Volusia, and occasionally fishes Canaveral and Sebastian Inlet. He generally fishes for whiting and pompano. His bucket list is short: cobia from the surf and snook on a fly rod. Oscar is retired, enjoys sharing what he knows, and is always looking to learn something new.

Capt. CJ Johnston is an avid and successful fisherman and will be talking about rigging for kingfish at the Quick Tips Seminar. Congratulations to him and his team "Second Chance" for winning the first leg of "King of The Inlet" tournament with a 55 lb. Kingfish. It's the largest ever caught in this tournament!

Welcome visitors and new members: We had 7 visitors or new members in attendance.

Treasurer's Report: Gary Fisher said we have \$27,900.00 in the checking account. So far, he has received 129 renewals for club membership and another 15-20 tonight, so we are up to about 150 renewals so far. At the end of last year, our club membership was up to 288 members. Gary mentioned that the Spring Classic was coming up and for as many people as they could, to fish it and catch some fish.

Weigh Master Report: Rita Waddell, said the latest update of the Year Long Tournament will be in the May edition of the Chum Line and you can also check results on the members only website if you have registered on there.

QuarterMaster Report: Mike Crotts told us that he has a list of raffle and prize items for our tournaments that he will give out to the tournament directors or anyone who needs to know what items are available. See what you need and talk to him about the items.

A copy of the Election Ballot will be emailed to all current members, a husband, wife, girlfriend who is included in your membership can vote if membership is current and up to date, but you can only vote once. Chris Davy added that these positions are up at the end of their terms and do not let the fact that they are stepping down deter you from considering these jobs.

He said there are volunteer sheets at the back table and please sign up to help but don't be offended if you don't get the job you signed up for. Help is needed in all areas and he will assign you where he needs you the most. Club members get a \$5.00 discount off the tournament fee. He has posters also at the back table, please take some to hang up in any restaurants, bait shops or businesses that will allow you to do so, to help advertise this event. Speaker: Our speaker tonight was 10 year member of the Club, Bill Moore. He told us he had lived in the Lake Mary area and is now lives in Flagler Beach. He said that many people don't fish a tournament because they don't catch fish. At one of our tournaments, he caught a trout that he left in his cooler in the car, thinking it would not be a winner, towards the end of the weigh in, he realized he could be a winner, he got it, weighed it in and he won 4th place. He said it is best to fish the areas that you know. When fishing for flounder, he said you need to have a good net, you should have a line cutter to cut the braided line with. He sets up 5 rods with line and what he thinks he will need, so then you are not wasting fishing time changing your hooks and rigs. He uses top water plugs, like a Storm chick bug, spinner baits and fishes the middle of an outgoing tide. He likes to use a stiffer rod and 1/4 oz gold mission jig under the docks. When he uses live shrimp, he hooks it through the tail and then back through the body to make it look real. When fishing under a dock, he will pop it for 1-2 minutes. When fishing for redfish around a dock, he anchors parallel into the side of the dock. When throwing under bushes, the shrimp will tend to come apart, so always check for any damage on it and rehook it when necessary. He uses 25 lb fluorocarbon, tied with a uniknot and Berkley Fire Iron white line. When fishing under a dock, throw it underhand and then bounce it back to you, leave the slack on the line, the fish will pick it up and then he starts to reel it back in. He also likes to use white line with a Z Man Paddletail, which is good for flounder. He said a 1/8 oz jig head Z Man has extra sharp points on them, he uses a 15 lb or 20 lb leader. A Storm Paddletail holds up better. He also likes Gulp root beer bait w/a chartreuse tail or a green tail. When in clear water, use the white color and when in dirty water, use the root beer color. Sometimes for the redfish, he will use cut up crab. He also likes Suffolk yellow line, but it is very hard to find. He demonstrated his techniques with the rods he brought in with him. Thanks, Bill for a very fine presentation.

50/50 Winner: Prize of \$120.00 was won by Peggy Kayholm.

Meeting adjourned at 9:15 PM

Guest speaker Bill Moore suggested using a fish friendly net like this one.

This is one of Bill Moore's go-to rods. He has five with different artificial and natural baits.

Bill usually fishes with his daughter Carol Webb. She was there to assist her dad and does a good job catching fish as well.

Bill presented how he hooks live shrimp. It goes through two parts of the shrimp's shell.

Bill uses artificial bait color depending on the color of the water - dark or light.

Bill's presentation was so interesting that members hung around after the meeting for "Moore"

How Bill hooks a shrimp.

Congratulations to Peggy Kayholm, winner of the 50/50.

Thank you Bill Moore for a wonderful and informative presentation. You shared a wealth of information with Club members.

THIS IS ONE OF THE CLUB'S FAVORITE EVENTS AND WE HAVE ANDY BLOCK TO THANK FOR IT. SO, THANK YOU AND JODIE FOR RUNNING THE SMOKED FISH SMOKE-OFF AGAIN THIS YEAR!!!

3rd ANNUAL SMOKED FISH SMOKE OFF WRAP UP

The Club's 3rd Annual Smoked Fish Smoke Off was held at our April 4th general meeting. 14 delicious entries including black drum, sheepshead, trout, mahi-mahi and bluefish were judged by Jeanne Rafter, Jodie von Gal and Walt Huresky, who were located in a backroom to keep the judging anonymous. As the entries arrived, Dwayne Martin and Andy Block assigned contestants the next number in line and kept their names and species of fish secret. When the judging began, Dwayne Martin numbered all 14 entries (3 per plate) and brought them into the sequestered judges. Quite a few entries had to be re-sampled by the judges in order to come up with the winners. The judges took their jobs very seriously and all had fun and great smoked fish as a reward.

When the results were all tallied up, Jim Antal took 1st place with his mahi mahi and went home with the club logo embroidered apron, Doug Tucker took 2nd with his smoked trout and won the large embroidered hand towel and Ron Gorney took 3rd with his bluefish and won a bag of cherry wood smoking chips.

After the winners were announced, around 50 members and guests joined in sampling the entries as well as a Redfish smoked by Jodie von Gal and Andy Block (our fish was not entered, that's why Jodie could be a judge). Besides the fish, everyone enjoyed the outstanding smoked fish dips made by David Genk, Ron Gorney, Doug Tucker and Jim Antal. For desert, Gary Hutchinson brought in some of his sugar free cookies that were immediately devoured. Thanks to everyone that helped out, smoked and generously shared their fish, dips and cookies with the club.

Remember, each year we have 3 new judges, that will most likely have different tastes than judges from prior years. Entries that came close this year may be the winners next year, so don't give up, keep on trying. As a lover of smoked fish, I can tell you that ALL of the entries were good and I'd be proud to serve each and every one of them.

Thank you Jeanne Rafter, Walt Huresky, & Jodie Block for judging the smoked fish and Dwayne Martin for serving up the fish!.

Club embroidered apron looks great on 1st Place winner of the Fish Smoke-Off, Jim Antal.
