FROM THE HELM
President Chuck Gleichmann
August 2017

Your Board of Directors is into planning 2018 activities and building next year's budget. At last month's Board Meeting we did some brainstorming and came up with some ideas that we thought would refresh the activities we offer during the year. That brainstorming was the basis of the online survey we sent you all in July. Please, please, please take five minutes and fill out the survey and give us your thoughts and ideas. If you are uncomfortable with surveys give me a call (386-441-8411) or send me an email (president@fcsportfishing.com). We are truly working everyday to make your Club better and need your input to make that happen.

If you noticed a little shift in speaker expertise last month, it's simply because there is so much going on in the world of fish and environmental management that we felt it necessary to reach out to some of the experts who are working to shape what this whole landscape is going to look like. Beside the menhaden bill our speaker covered there are at least three other key bills up before congress to better manage fish stock and habitat locally, in Mosquito Lagoon and Everglades National Park. Catch rates and seasonality is also on the list. One of the real positives we see is a shift to a better working relationship between NOAA and organizations representing recreational anglers. We are getting regular updates from CCA, The Snook Game Fish Foundation and the FWC on all of these issues. When the time comes we will be asking you to support these bills with letters to your Congressman and Senators. Please don't forget to enjoy our August events and have fun on the water.

Tight Lines!

August Fishing Forecast

Captain Jim Britton

saltytalesfishingcharters.com

With the dog days of summer approaching, I recommend anglers do the same thing many of us did when we were young, hit the beach! Whether in a boat, on the pier, or from the surf; fishing should be busy. From a boat the targets will be tarpon, sharks, and large jacks. All of these species can be found behind the shrimp boats as they dump their by-catch. When the shrimp boats are not active just run the beach looking for poggy pods (there will be plenty to choose from). Once a pod is spotted it will not take long to discover if there are fish underneath, so slowly approach and have live bait ready or use your favorite large artificial bait.

Angler looking to get in on the action from the pier can also get shots at tarpon and sharks, in August. Pompano, flounder, bluefish, and drum will be found around the pier and from the surf as well.

Offshore anglers will be targeting kingfish by trolling over wrecks and reefs. If the “smokers” are not around, drop an anchor to load up on black sea bass, snapper (so far this has been an excellent summer for mangrove snapper), and grouper. Further out dolphin and tuna will be found from 135 feet of water out to the ledge.

The inshore bite will remain much the same. Get out early and target redfish along grass banks at higher tides and along oyster bars or sand bars at the lower tides. Trout can be found along the banks of the IWC and under docks. And don’t forget to target flounder in creek mouths or bends on an outgoing tide. For yet another way to beat the heat – give night fishing a try. Free line a shrimp under dock lights for trout or fish deeper for redfish and flounder.

Sue McCarthy caught this Hugh Red Snapper 18 miles offshore of Mantanzas Inlet on July 9th. Sue was fishing with Derris Leden, Chuck Radloff, and Mike Crotts. Of course, the Snapper was returned to the Sea. Congratulations Sue!!!

My name is Charles Levi Jr AKA “Redfish Chuck”. I started fishing when I was two years old in Long Island, NY but I have called the Space Coast of Florida home for 20+ years and during that time I have fished everything from freshwater in small ponds and lakes to large bodies of water like Lake Okeechobee. But I have Saltwater in my blood and my home away from home is the Offshore and Inshore waters where I target the many game fish that the Atlantic Ocean, Indian and Banana Rivers and the Mosquito lagoon have to offer using light tackle Spin, Fly and Casting gear. My true passion is kayak fishing as I also host a Kayak Fishing Radio Show on Monday nights at 8pm where I get to share my passion for fishing with the world. My show has been going strong for eight years now!

Meeting Minutes 07-11-17 Club

Meeting Called to order at 7 PM by President Chuck Gleichmann

Pledge of Allegiance : Led by Pat Gleichmann

Passing of June's Minutes: Minutes of June 6, 2017 meeting were passed, motion made by Dusty Banks and seconded by Mike Crotts

Welcome Visitors/New Members: We had 4 guests at tonight's meeting

Old Business:

Check Presentation DAV & Family Life Center:

Check was presented by John Falter to Joe Boyles, Commander of Chapter 86 of the Disabled American Veterans, Palm Coast Chapter for \$240.00 from a special 50/50 that was held. He told us there were 15,000 disabled veterans in Flagler County. When the veterans have to deal with the Veterans Administration and have problems with their claims, they go to the DAV and they help them out.

Donations to the DAV go to the vets, they are a volunteer organization with a transportation dept. to bring vets to their doctor's appts. They work 5 days a week and sometimes at night and weekends. He thanked us for our contribution. Check was presented by Mike Crotts and Chuck Radloff to Tammy Sanner, Family Life Center Finance Director for \$5,000.00, which was raised from our Spring Classic Tournament. Tammy told us the Family Life Center has 9,949 beds and a 24 hour crisis hot line for men, women and children who are involved in domestic violence. They are the only center in Flagler County to provide these services. When they get donations they are grant funded but they need matching funds from the community to help out.

Treasurer's Report: Gary Fisher said we are in 2% of our budget. Income is over budget which gives us money for donations, like tonight. We are up to 242 members at this time. He advised us to go out and catch some fish!

Member Survey: Chuck Gleichmann said there is a member survey that was sent out by email to all the members. This is your club, so fill out your survey. This survey looks for your input so the board of directors can make decisions for our 2018 activities schedule. So look in your email and please fill this out. If you have not received it, contact Peter Bessette or Scheyenne Welch.

Weigh Master Report: Rita Waddell was absent tonight. The Yearlong Tournament results are in the Chum Line or on line at our members' site. We are looking to do a catch, photo and release tournament,

if anyone knows anything about how these tournaments are run, please contact Chuck Gleichmann.

Kid's Clinic: Capt. Mike Vickers said the clinic will be held this Sat., 7/15, at Bings Landing. He has been running this clinic for 8 years, and we do good work for the community. This clinic is free to the kids, and it costs us about \$400.00 to do it. We need a lot of volunteers to show up at 7 AM. In the past we have had close to 200 kids and they get a free rod and reel and Big Al's Bait & Tackle is providing a free hot dog with chips and water for the kids. The free rods are financed by Fish Florida, the funds are derived from the purchase of Fish Florida license plates. The waters will be chummed and bait will be provided for the kids to fish. We want to teach the kids to be good stewards of the water. Tents will be set up under the trees to provide as much shade as possible. Water will be provided for the volunteers, there will be a 15 minute dissertation before 9 AM. Bring a non-perishable food item. Volunteers will receive a free FWC shirt and the sign up sheet is on the back table.

Kids Invitational Tournament: Roy Lawson, chair for this tournament, told us there will be a drawing at the kids clinic and about 10-12 kids will get to go on a boat provided by our boat captains on 7/29/17 at Bings Landing. The captains take a parent and a child out fishing for a catch and release ½ day event. We always need boat captain's, so notify Roy Lawson if you would be able to help out for this. When the kids get back from fishing, the club will serve them hot dogs and they will receive a medallion. The parent has to sign a release for no liability in order for the child to go on the boat. Volunteers are needed to cook and help out. The club will provide water and bait.

Guys & Gals Tournament Wrap-Up: Chuck Gleichmann said the people who attended had a great time. Four men dressed up for this event with two of the men dressing up as a Gal. We had a pulled BBQ pork meal, salads, watermelon and Gary Hutchinson made a great rum cake! Music was provided by Tim Lamb.

Bottom Trip Wrap-Up: Tim Miller gave us his own personal fishing update and told us he was 34 miles out and he caught a 200 lb shark on 40 pound monofilament line, it took him ½ an hour to 45 minutes to bring it to the boat, where he dehooked and released it. What Fun! Tim said they had nice weather for the bottom trip, no storms, calm seas but the fish were not cooperative and not much bite. But

Continued on page 6

it was a good trip. A 4 lb 6 oz grouper won for the biggest fish.

Overnight Tournament: Tim Miller is chair for this tournament. He said it will run from 7/21 at 6 PM, the starting time, and go overnight and end on 7/22 at 11 AM. Weigh in will be from 10-11 AM at Herschel King. There will be 15 winners, and a show up bonus. Fish species will be redfish, flounder, black drum, whiting and trout, all prizes will be awarded. There will be nice raffle prizes, coffee, donuts and juice served at the weigh in. Flyers are in the back on the tournament and a volunteer sign in sheet on the back table for anyone who can help.

NEW BUSINESS

Fall Charity Tournament: John Falter, chair for this tournament, told us that this is his 3rd year chairing this event and it is the 29th Fall Classic. This event is a good fundraiser for the club. He needs volunteers and will have \$6,000.00 worth of prizes, with raffles and a silent auction that he can use items for. Captain's meeting will be at Break Awayz in Flagler Beach. Last year we had 102 people who fished this tournament and \$4,500 was raised for Gratitude America and he would like to try to match that amount for this year. John has a signup sheet for volunteers in the back. He also needs sponsors for the tournament. Gratitude America helps our wounded warriors. At the next meeting, he will give us more information. He said this tournament can bring you bragging rights and it can pay for your membership. He also said the women in this club sure can fish, you can see it in the year long tournament results. This tournament will be Sept. 22, for the captain's meeting and Sept. 23, for the fishing tournament.

Break

Guest Speaker: Cameron Jaggard, who is Principal Associate, U.S. Oceans, Southeast/The Pew Charitable Trusts is our speaker tonight. He is here to speak to us about a draft for Amendment 3 (the menhaden amendment) that is being released by The Atlantic States Marine Fisheries Commission. There are studies being conducted on a more ecosystem approach to how many pinfish and other baitfish do other big fish need to survive. In June of 2015, a resolution was passed to protect our habitats and keep our sport fisheries healthy. Studies are now in a research phase for baitfish that are vulnerable by the environment. Univ. of Florida, Miami & So. Florida are taking data to analyze it. They drag seine nets, collect samples and gut contents to see what the fish are eating. There has not been any studies before to see what the diet preferences of a redfish were. The Atlantic menhaden, pogies are known as the most important fish in the sea, they feed whales and birds. They have been overfished to use in fertilizers and Omega 3 capsules. In Sept. a comment period will be released where you can submit any written comments to the FWC and there will be one public hearing in Florida, but he did not know the exact location yet. He passed around a clipboard for the Florida Forage Fish Campaign Pledge and it was to sign up for their emails. The question of fishing for red snapper was brought up and he said efforts are being made to get access to catching them. Great information on this Amendment.

50/50 Winner: Prize of \$182.00 was won by Tom Mings

Meeting adjourned at 9:10 PM

Minutes by Club Secretary Carol Carter.

Thank you, Carol. Amazing how you get all the details.

FLAGLER SPORTFISHING CLUB ANNOUNCES

The 29th Annual Fall Classic Inshore Fishing Tournament

Captains Meeting - September 22nd at Break Awayz, Flagler Beach

Silent Auction - Raffle Prizes - 50/50

All captains fishing the Tournament are required to attend.

Tournament Day - September 23rd. Times and locations for check-out and weigh-in will be announced soon.

Benefactor of the Tournament will again be Gratitude America, a local organization that helps our veterans, their families and the families of the fallen. Last year the Club was able to award Gratitude America a check for \$4,500.00!

We will be giving away \$6,000.00 in cash prizes, silent auction items and raffle prizes. If you are not planning on fishing the Tournament, join in the fun at the Captains Meeting and Weigh-In!!!

ICE CREAM SOCIAL

Wow, almost 9 gallons of ice cream gone in a few hours. We had wonderful toppings supplied by our members. Whipping cream, nuts all kinds, different kinds of syrups, fresh strawberry jam, marshmallow topping and the list goes on and on. The truth is everyone enjoyed themselves. Great evening and we thank all who participated in the social. That is what the club is about fishing, eating and getting to know one another. Thanks Diana MacDonald and Roy Lawson (new members of the Club's Board of Directors) for getting all that ice cream.
