## FROM THE HELM September 2017

A couple of important things this month:

- Our 29<sup>th</sup> Fall Classic Tournament is on the 22<sup>nd</sup> and 23 of this month and we need all hands on deck to make this successful. Remember, proceeds go to Gratitude America a local group providing support to returning vets with PTSD. At the request of a number of tournament anglers we have added check out locations at the Dunlawton Bridge Ramp in South Daytona and the Vilano Beach Ramp in St. Augustine. Weigh-in will be at Hidden Treasures right under the 100 bridge in Flagler. This is a big undertaking and John Falter, our tournament director, has been struggling to cover the additional area looking for sponsors, silent auction and raffle items. He can really use some help here so if you have the time please give John a call at 386-283-8845 and give him a hand.
- Second is a follow up on my request asking you all to support the Modern Fisheries act now making its way through Congress. If you check our website or Facebook page you will find a link to email your support to our elected officials. This has become a critical issue and we need to pile on the support for this bill. Under the current law NOAA has just given commercial long liners access to the closed area in the south Atlantic off our coast. Commercial fishing will commence for swordfish and other pelagic fish for a select few. Meanwhile recreational anglers can't even get a red snapper season. We all need to step up on this one.

Thanks for your continued support of our club's activities. September is going to be busy so enjoy the beginning change of seasons.

See you all on the water!

## September Fishing Forecast

Capt. Jim Britton  
Saltytalesfishingcharters.com

Fall is finally here! As the heat index finally drops away from 100 degrees, the month of September provides two noticeable events which will influence inshore and surf fishing-the fall mullet run and flood tides. As the mullet run begins, anglers will find bluefish and Spanish mackerel in the inlets and following the large schools in the surf. Target these toothy fish with a well-constructed artificial, such as a Gotcha plug or a suspending Mirrolure. A live mullet on a fish finder rig, fished from the pier or in a beach run out, will be the key to landing nice sized flounder and redfish. Pompano can still be found in the surf, as well, using sand fleas or a small piece of Fishbites artificial bait. The fall mullet run will get many species of fish stirring in the river also. Jack crevalle, ladyfish, bluefish, tarpon, and trout will all be found chasing the mullet schools traveling the ICW. Target these fish with a

suspending hard bait, soft plastic jerkbaits, or a gold spoon. But for me, the start of fall means flood tide fishing! Consult your tide charts to find the days with the highest high tides. On these days, plan to search your favorite grass bank for tailing redfish. During the flood tides redfish and sheepshead will move up into the grass and feed on the snails that are on the grass blades. Bring your wading shoes as anchoring the boat and walking out may be the best approach (remember to do the "stingray shuffle"). Target these fish with a live shrimp, your favorite fly pattern, or a small artificial crab. Offshore anglers should enjoy a more active bottom bite this month. Grouper will move onto the shallower wrecks and reefs (70 to 90 feet). Triggerfish, black sea bass, and even the occasional lionfish should be available also. Remember when anchored up to free line a live sardine to entice cobia and amberjack that will be lurking around these same areas. Sailfish can be targeted by trolling skirt and ballyhoo combos throughout September as well.

## Overnight Tournament Tim Miller

The Free Club Overnight Tournament was held July 21-22. Members were able to avoid the heat of the day by fishing Friday Evening, overnight and Saturday Morning. A good turnout of members made it to the Saturday Weigh-In and enjoyed Donuts, Coffee, Juice and Fruit. Tyler Ditton weighed in the largest fish, a 5lb 2oz Redfish. Chris Davy had the second largest fish with a 5lb Redfish. Thank you to Rita Waddell for a great job as Weigh-master. Special thank you to Judy and Sid Smith for selling 50/50 and raffle tickets. The winners are: Redfish; 1<sup>st</sup> Tyler Ditton 5lb 2oz, 2<sup>nd</sup> Chris Davy 5lb, 3<sup>rd</sup> Andy Block 4lb 2oz. Flounder; 1<sup>st</sup> Aby Moghanaki 2lb 5oz, 2<sup>nd</sup> David Genk 1lb, 3<sup>rd</sup> Johnny Johns 10oz. Whiting; 1<sup>st</sup> Arya Moghanaki 1lb 5oz, 2<sup>nd</sup> Danny Carter 6oz, 3<sup>rd</sup> Tim Miller 4oz. Trout; 1<sup>st</sup> Michael Berezansky 1lb 10oz, 2<sup>nd</sup> Gary Fisher 1lb 6oz, 3<sup>rd</sup> Rony Reyes 1lb 6oz. Black Drum, 1<sup>st</sup> Ron Gorney 1lb 15oz. No 2<sup>nd</sup> and 3<sup>rd</sup> place Black Drum made the board, so tickets from the show up bonus were drawn. David Genk and Bill Moore won Black Drum prize money. Danny Carter won the show up bonus. Carrol Carter won the Jump Starter. Gary Fisher won the Titan Knife. Bill May won the Engel Tumbler. The 50/50 was won by Edie May.

The Kids Invitational Tournament was held on July 29<sup>th</sup> and is an offshoot of the Annual Kids Clinic held this year on July 15<sup>th</sup> where families received a raffle ticket. The number of raffle tickets pulled depended on how many captains signed up to take a child and parent out on their boat on Tournament Day.

We had nine boats captained by Chuck Gleichmann, Chris Davy, Gary Fisher, Jim and Claire McIntyre, Chuck Durkee, Mark Goodman, Walt Huresky and Ellen Scheurer, Andrew Puskas, Chuck Radloff, and myself.

We had ten kids and parents - all who seemed to have a blast. The fish were mostly Catch-Photo-Release which was a good model for our junior anglers, learning responsible fishing and preservation of local fish. However, one talented junior angler caught a seventeen-inch flounder and was so excited to bring it home for dinner! And another talented junior angler caught and released a beautiful Goliath Grouper.

Mike Crotts and John Falter cooked hamburgers and hot dogs, and the kids were awarded the Flagler Sport Fishing Club's Master Junior Angler medal.

Those kids, parents, and captains had a wonderful and exciting day on the water. Thanks to all who participated.

The 8<sup>th</sup> Annual Kids Fishing Clinic was a huge success, as were the previous ones, thanks to the more than 30 Flagler Sportfishing Club volunteers.

We were able to introduce 205 new anglers ages 5 through 15, along with their parent or guardian, to the world of salt water angling. Each new angler received a new rod and reel which was donated by Fish Florida. They also received a small tackle box in their gift bag.

A special thanks to Al La Monica and his family from Big Al's Bait and Tackle for donating a free hot dog, chips, and bottled water for each child.

Once again thanks to all the volunteers, many of whom were new faces this year and the ones who have been donating their time and energy since 2009. It is people like you who make the Flagler Sportfishing Club great. THANK YOU ALL without you this would not be possible!!!

## New Members Clinic – August 12, 2017

This summer's New Members Clinic was held at the Hammock Community Center on Mala Compra Road. The weather was warm but did not seem to affect our outdoor cast net and kayak demonstrations.

Over fifty members and friends showed up to listen to our very knowledgeable speakers. This Clinic covered all the key components needed to catch bait and game fish in our local inshore waters. Many thanks to all the speakers who shared their time and knowledge with those in attendance.

Special thanks to Ellen Scheurer, Pat Gleichmann, Carol Carter, and Rita Waddell for maintaining the kitchen, 50/50, raffle and show-up tickets. Not to be overlooked are the members who helped with the cleanup, breaking down, and stowing the tables and chairs. My thanks to all.

## FOURTH ANNUAL KAYAK TOURNAMENT

By Bill May

On Saturday August 19<sup>th</sup>, Flagler Sportfishing Club Members and others launched their kayaks from locations of their choice to fish in our fourth annual kayak tournament. We had thirty-five entrants which was a record for our kayak event. The weather cooperated as did the fish. It was hot and muggy but there was no rain (which probably would have been welcome to cool things off). \$525 was paid out to anglers for catching Flounder and Redfish but these folks weren't fishing for the prizes, they were fishing because they love our sport. We also had a 50/50 drawing won by Tom Whitten and a raffle for \$25 for just showing up at Back Water Bait and Tackle at High Bridge for the weigh-in, which was packed. Thanks to John, Scott and Josh for supporting us once again. One young teen aged angler, Tyler Dalecki, fished in our tournament for the first time and was able to catch a bunch of fish but no Redfish or Flounder so he didn't win any prize money this time but I'll bet he'll be back next time. It's great to see young folks taking part in our sport because we need them. So keep fishing Tyler. There also were a lot of kids at the weigh-in and seemed to enjoy seeing our catches. Our raffle prizes this year were great. Our primary sponsor was KAYAKS BY BO from Titusville. They donated a Boozie Bucket won by Bill Moore and an Insulated Mug won by Tom Juliano this year. MANLEY RODS donated a Platinum Rod Gift Certificate and the luck winner of that was a very lucky Tom Martins who also won third place Flounder and the Flagler Bucket with heaviest Flounder and Redfish. BOATERS EXCHANGE donated two \$50 gift certificates and both were won by Bob Cyr!! BIG BOYS PLAY TOYS donated a \$50 gift certificate as well and Wayne Elliot Sr. was the lucky winner. Obviously all the winners were very happy with these prizes and we cannot thank all our sponsors enough for supporting our club. Thanks to all our members that helped set things up and make this event even better than last year—Rita, Walt, Gary, Mike, Dean, Ellen, Carol, Jeff, Jeannie, and anyone else I may have missed. See you next year and hopefully, we can have two kayak tournaments instead of one. If you think two is a good idea, let me know. Questions?? Or suggestions. Call Bill May, (386) 864-1555.

## **Club Meeting Minutes 08-01-17**

**Quick Tips- Presented by Chuck Gleichmann about the Kayak Tournament, where to launch, and things you need to know about it.**

**Meeting Called to order at 7:30 PM**

Pledge of Allegiance: Led by Pat Gleichmann

Passing of July's Minutes: Minutes of July 11, 2017 meeting were passed, motion made by Dean Roberts and seconded by Diana MacDonald

**Treasurer's Report:** Gary Fisher said we are doing pretty good. Memberships are lagging a little bit. He mentioned the new member shirt program where if you refer 3 people to the club and they sign up for membership, you get a nice shirt for the referral. We are close to budget and if we have a good turnout for the Fall Tournament, we will have the money to share with our benefactors. He mentioned that he captained one of the boats for the Kids Invitational and one little girl caught 6 fish.

**Welcome Visitors/New Members:** We had 3 guests at tonight's meeting.

**Member Survey:** Chuck Gleichmann said the club has sent out an on-line survey, please do it and send it in. He mentioned that the PA system does not work that well for the meetings and we are working on better ways to improve upon it. He said we would like to do more with the kids before the year is out and take more kids fishing by picking out a dozen or so from the list we acquired at this year's Kids Clinic. We would like to do a Big Brother Program where a member goes out with a kid fishing, the kid can join the club for free under your membership, you don't have to go in a boat, it could be surf fishing, pier fishing or on a dock. Another idea is to have a fish of the month contest. These are some of the ideas that were mentioned for our 2018 yearly events and were taken off the survey that was sent back by email. The club members will be receiving an email that they request you look at and fill out and send to your congressman.

**Weigh Master Report:** Rita Waddell said The Yearlong Tournament standings are in the Chum Line or on line at our members site. Chuck Gleichmann sent an email out about the Spotted Sea Trout Workshops that are being held in Jacksonville. He said NOAH may open up red snapper for a few days. Pressure is being put on NOAH to open the season, we will let you know if that is successful.

**Old Business:**

**Over Night Tournament Wrap Up:** Tim Miller said this was held on Friday, July 21, overnight, into

Sat., July 22. There was a good turnout with 15 different winners, all but 2 black drum spots were filled and a drawing was held for those 2 spots. Volunteers that helped Tim were Judy & Sid Smith, Claire & Jim McIntire. Rita was the weigh master. He said we should do this again next year.

**Kid's Clinic Wrap Up:** Capt. Mike Vickers said, the clinic was held on Sat., 7/15, at Bings Landing.

There were about 200 kids in attendance, once they go through the various stations, they receive a new rod and reel, a small tackle box, free bait to fish off the dock with. For the many benefits that the club does, we do this just for the kids and their parents. Chuck Gleichmann mentioned that many of the kids came with single parents and we help to teach the parents, so they can help the kids and they gain an interest in fishing. About 30 volunteers showed up, he had us stand up to be recognized for helping this great cause. We also received a T-shirt, hot dog and a breakfast, that day. He said once the kids were introduced to fishing, he turned them loose on the docks. Kona Ices were set up at this event and donated \$100 back to the club-Thank you so much!

**Kids Invitational Tournament Wrap Up:** Roy Lawson, chair for this tournament, told us that from the tickets the kids received from the clinic, 10 kids got to go on one of the 9 boats that our boat captains from the club provided for this event. It was very gratifying to see the little girl who caught a mangrove snapper and was very excited about it. Roy was in charge of the event, Diana MacDonald made the phone calls to the kids, Mike Crotts and John Falter served the food to the kids. The kids had a great time. Please support this worthy cause at our next year's kids clinic and invitational tournament.

## **NEW BUSINESS**

**Fall Charity Tournament:** John Falter, chair for this tournament, told us that this is his 3<sup>rd</sup> year chairing this event and it is the 29<sup>th</sup> Fall Classic. This event is a major fund raiser for Gratitude America. John is working on bumping the amount up from last year that this charity received. There will be \$1,000 in silent auction items, there will be a 50/50 and raffle items. Michael Anthony, Executive Director for Gratitude America was here to speak to us about his organization. He said that fish for success hosts four day retreats with all expenses paid for veterans and their families. There are two retreats in Flagler and they will have one more and one for woman veterans. All the money they receive goes back to the vets. This is a fun

tournament, please come out and support it. Peter Bessette will again run the silent auction. John said he needs more raffle items, he has a \$250 cooler already and some rods and reels. We will have a good time and the money stays here in our county, which is important. Next year we also try to do more for the Disabled American Veterans. Captain's meeting will be Friday, 9/22 and the tournament will be Sat., 9/23. Information will be in the Chum Line.

**Kayak Tournament:** Bill May will again host this tournament. It will be on Aug. 19<sup>th</sup>, the sign up sheet is on the back table, the weigh in will be at Backwater Bait and Tackle at High Bridge. This will only be for redfish and flounder, there are great raffle items, a gift certificate for a Manley Rod. Company called Kayaks By Bo, Tom & Lynn, can help you with renting a Kayak if you need one. You can launch out of anywhere, but your name has to be on the roster prior to the tournament. Info and prize amounts are in the flyer in the August issue of the Chum Line. No motorized boats allowed. Only one redfish is allowed to be weighed in, you are in Volusia County and can only have one. Mike Vickers also has kayaks for rent.

**New/Old Member Clinic:** Walt Huresky is chairing this event and this is one of our most popular events. He told us this clinic is for old & new members and you can also bring a guest. It will be held on 8/12 at the Hammock Community Center from 8 AM-12 PM. There will be coffee, donuts, juice, and water served. There will be a 50/50 and raffle tickets for prizes of a filet knife, a cast net and a certificate for a Manley rod. There will be 9 professional speakers on various topics of interest. The schedule for the speakers is published in your August Chumline, please refer to it. There are flyers and a sign up sheet at the back table.

Break

**Guest Speaker:** Charles (Redfish Chuck) Levi is tonight's speaker, he hosts a kayak radio fishing show. He will be talking about how to catch

flounder and redfish to help us in the upcoming Kayak Tournament. Flounder: He said there are three kinds of flounder fisherman, giggers, bait fishermen, & artificial bait users. He uses bait and artificial. When using artificial bait, he looks for small flounder. Flounders have excellent eyesight and will come up to get bait. Use short leaders, 50 pound mono, they are not leader shy and will follow bait and eat anything. He uses an 8-10 inch mullet. You need to wait longer for the big ones, when you feel a bump, WAIT and say your A,B,C's, grab the mullet across the belly, if you lose the flounder, fish that same spot and he will come back for the bait. Chuck has a pier net hooked to the side of his kayak, because you don't want to lose a big flounder to a small net. Use a mullet and then put a strip of squid on the hook to hold the mullet on it. Move your bait around, don't wait for the fish. Redfish: Chuck said signs that redfish are around is that shrimp go away from them and in shallow water, when feeding, you can see their tails sticking up. He doesn't use live shrimp for bait because everything eats it. He will use a DOA shrimp, cut off the tail and run a 1 or 1.0 circle hook through where the tail was, pop it, it kicks back and the red will grab it. Throw 15 or 20 feet past the red and bring your bait to it. The only color plastic he uses for reds is Slayer Inc, out of Jax, bait that is red on top and has a grey belly. Don't use a small piece of bait for reds, use a full lady fish head. Redfish run in a straight line, so you and your buddy can ping pong off of each other. When you see the push coming to you, let one guy be at the end of the push and they will go in your buddy's direction. Giant trout also hang out with redfish. Top water plugs are good to use too. He said to enjoy not having to think about anything else but fishing.

**50/50 Winner:** Prize of \$135.00 was won by new member, Ernie Morris

**Meeting adjourned at 9:40 PM**
