FROM THE HELM December 2017

As the year draws to a close I can see many good things the club has accomplished this year. We should be very proud of our successful charity tournament benefiting The Family Life Center and the funds we raised for Gratitude America even though Irma visited at the most inopportune time and forced us to cancel the tournament. Don't forget the two scholarships we awarded graduating seniors to pursue careers in Marine Sciences and all of the kids we taught to fish at our clinics. I remind you all of these things as we move towards the time of the year we should be counting our blessings and thanking God for everything we have. While these things stick in my mind, we also ran a full compliment of successful club tournaments, added a bunch of new items to our Ships Store, upgraded the value of the raffle items we offer and had a bunch of fun making new friends and catching some fish. Please take a look at the 2018 schedule further on in this month's Chum Line. We looked long and hard at the information we received back from the member survey and made some changes. The two big ones are the addition of "The Fish of the Month", a January Sheepshead Tournament, plus a bunch of other tweaks that members requested.

From a business perspective, our 2018 budget is in this Chum Line as well. We are financially sound with a membership of over 265 families as I write this. Yes, we are experiencing price increases just like everyone else, but are managing it ok right now. Finally, Pat and I want to wish you all a joyful, safe and terrific Holiday Season and may Santa bring you all of the fishing tackle you want this year!

December Fishing Forecast

Captain Jim Britton
 saltytalesfishingcharters.com

Gather up your fiddler crabs, clams, oysters, or shrimp – December will be a great month for targeting large sheepshead. To catch these “striped bandits” try fishing deeper areas with plenty of submerged structure (oysters, rocks, or anything else which encourages crustacean growth). Use a small stout live bait hook and just enough weight to hold your favorite bait on the bottom. Another tried and true tactic, for attracting sheepshead, is to pull your boat up to a bridge or dock and scrape the barnacles and other small crustaceans off the pilings. Once you have created a chum slick drop down a bait and be ready for the bite! Other inshore fair, in December, will be an increased number of sea trout and bluefish in the drop-offs along the Intracoastal Waterway. For these fish try free lining a shrimp along current breaks

caused by a significant change in water depth. Also, check out your favorite flat for sight fishing opportunities for schooling redfish and black drum.

In the surf, anglers can expect the whiting bite to continue. Also be on the lookout for increased numbers of flounder, redfish, black drum and sheepshead. Sea Trout and their cousin, weakfish, will be caught using hard plastic baits as well.

Offshore anglers should take advantage of days with light winds to get out to the near shore wrecks or reefs to target amberjack, cobia, and triggerfish. Also if weather allows, traveling a little farther should produce some grouper in the 80 to 100 foot range. A trip to the ledge will still see anglers rewarded with wahoo, dolphin, and black fin tuna.

During this holiday season remember those less fortunate and help when and where you can by donating your time, money, or even just some kind words and a helping hand. Tight lines and hopefully everyone will fish their way into the new year!

Club Meeting Minutes 11-14-17

Meeting Called to order at 7:30 PM by President, Chuck Gleichmann

Pledge of Allegiance: presented by Pat Gleichmann

Passing of October's Minutes: Minutes of October 3, 2017 meeting were passed, motion made by Diana MacDonald and seconded by Dean Roberts.

Treasurer's Report: Gary Fisher told us that our books are in good shape due to the Spring Classic supporters who left money in it. Budget will have to be approved at the December Director's meeting. He said the Cooler of Joy for the Holiday Party is the best we have ever seen. The club is in great shape and we will be getting a copy of next year's budget soon. Chuck Gleichmann said there was a vendor increase and the Holiday Party went up \$8.00 a head and that our storage unit has increased its fees for 2018. Gary also mentioned that our dues support our tournaments, but other monies come from other businesses, check your Chum Line the business ads cost \$100.00 a year to advertise in there. We have different levels of advertising. If you can refer a director to a business that would like to sponsor us, or you can speak to someone that would like to become a club sponsor, it can help us out.

Welcome Visitors/New Members: We had 9 guests/new members at tonight's meeting. Three signed up at the Creekside Festival, one person saw us online and six people were referred to the club by a friend.

Announcements: Kidde fire extinguishers have a recall going on, check our club website, the information on the recalled ones is posted on there. Chuck Gleichmann said he has four release tools that we got for the Red Snapper Season to release the fish and if you need one to see him at the break. He said that on the Mullet War Sign Up for pogy or menhaden that we lost and that the organizations are going to file suit. He will keep us informed. Senator Rubio is pushing the Modern Fisheries Act in the senate.

Weigh Master Report & member fishing reports: Rita told us that when she picked up the tickets for this past month, the fishing has been slow. We still have six more weeks of fishing to be in the running for our Yearlong Tournament entries. Shane Stover is leading in the men's division and Dana Syens is leading in the ladies. Rita said she was able to catch a 14 lb red snapper during the open season this year, so get out and fish. The fishing committee is working on wrapping up the 2018 fishing rules, she will go over them in January 2018. The fish of the month

contest will be a new event next year. Each month there will be a designated fish to catch and the heaviest fish will win. Sheepshead is January's fish of the month, weigh it in and the biggest one will win. In our new 2018 club calendar, Ellen Scheurer has it marked at the beginning of each month what the designated fish will be. Thanks, Ellen, our 2018 calendar looks fabulous!

Picnic: Rita Waddell was our chairwoman of this event and she did an excellent job. She thanked all the volunteers, officers and directors of the club for helping make it so successful. There were 126 members and 10 guests in attendance. The weather was great, there were good prizes and raffles. If anyone has any ideas to add to next year's event, let us know.

OLD BUSINESS

Creekside Festival: The festival brought us eight new members. Walt thanked the volunteers who helped with our membership table. We now have a total of 272 members in the club. Walt also displayed a shirt that members can obtain by referring three people to the club and if they sign up as members, you can get this nice shirt.

NEW BUSINESS:

Flounder/Redfish Tournament: Jim & Rosanne Ilardo are chairing this tournament. Jim told us that it will be held on Nov. 18th, there is no checkout, fish from 6 AM-4PM, the weigh in will be at Bings Landing from 3-4 PM. He said to sign up at the back table if you will be at the weigh in, this is to determine how much food will be needed. Besides the 1st, 2nd and 3rd prizes, there will also be a prize for the redfish with the most spots. Rita said she had the weigh in covered. Chuck Gleichmann thanked Jim and Rosanne for stepping up and running this tournament, as they are new members and getting involved with the club is a great asset to us all.

2018 Calendars and Holiday Party: Ellen Scheurer has put together an amazing calendar for 2018! Ellen, Rita and Carol Carter helped distribute the calendar at the front of the room. Please see Ellen at the break if you did not get your calendar yet. Ellen is also the chairwoman for our Holiday Party on Dec. 2nd. The party will be held at the Italian American Club, doors open at 6 PM, appetizers served at 6:30 PM, information on the menu is included on your application Ellen told us to fill out your application and to get it in fast, deadline is Nov. 22, any application received after this date will be returned to you. Tim Rippey will be this year's entertainer. Please remember to bring a toy for the Toys for Tots

drive. There is a table set up with samples of the gift prizes with a value of \$100.00, this year you get your choice of the prize you would like to win. There will be containers in front of the prizes and you can enter for the gifts you are most interested in. Also, the liquor in the Cooler Of Good Cheer has been donated by Tom & Lisa Moravec – thank you! Ticket prices for the cooler are three for \$5.00, seven for \$10.00 and twenty for \$20.00.

Shirts for Sale: Chuck Radloff mentioned that our club store has a lot more items for sale now. The pink ladie's shirts were a big hit and he had to order more of them. He also has V neck shirts in blue, pink and yellow short sleeved. During the break go over to check them out. Question was asked by Ron (Butch) Gorney if the club would be getting hats. Answer was the cost for the hats would be around \$20.00. Show of hands said that there was interest in getting adjustable hats made up. Walt has club decals if anyone needs any.

War of the Wings Winners: Judges for this event were, Redempta Burek, Dwayne Martin and Mike Crotts. 3rd place winner was Ron Gorney, 2nd place winner was Tim Miller and 1st place winner was Ron Gorney. At the break, guests and members were invited to try the wings.

10 Minute Break

Guest Speaker: Captain Norm Manley

A member of our club since 2006, Norm is a U.S. Coast Guard licensed Capt. (50-ton Master) with Towing endorsement and has been employed by Towboat U.S. since 2007. Norm started out his safety talk by telling us that he was not here to sell us towing coverage. He presented us with a slide show of hurricane damage and informed us about being observant on the water and how to prepare your boat for an upcoming hurricane. He said the main reasons

he gets a towing call is because the boater is 1) out of gas 2) has dead batteries or 3) engine failure. E10 gas can cause engine failure, so it is best to use non-ethanol fuel. As far as gas goes, always start out with a full tank of gas. When you see a tow boat approaching, always slow down and if you are passing one, always slow down, so you are not causing a wake for the towboat driver or the boat he might be towing. You must be a boater first and a fisherman second. Always be diligent when you are on the water, do not get complacent, it can get you in trouble. He asked for a show of hands on how many people used a lanyard device on their boats to safely be able to shut your boat down in case of emergency or if you might accidentally fall off your boat. A few people raised their hands. Marty Sims has a product called Lifeguard Lanyard, the product was designed by Keith McBride. Most lanyards can get in your way as you drive the boat. Lifeguard Lanyard can be used on your wrist or ankle, if is so comfortable that you will want to wear it and you should. He told us a story about himself and how while going out on a call in St. Augustine, his boat got into rough water and it sank in just 10 seconds underneath him, he got thrown out of the boat and lucky for him, he was wearing his PFD life vest. He was in the water and thought he could swim, but it was against the tide and he found out he couldn't do it. He was in the water for 3 hours before he got rescued and had to spend three days in the hospital for hypothermia. Being safe out on the water is very important. If there is a hurricane coming, always get your boat out of the water and secure it to a dock and check your bilge pump, so the boat won't sink.

50/50 - \$155.00 was won by Bob Daniels.

Lanyard was won by Dusty Banks

Meeting adjourned at 8:50 PM

MONTHLY MEETING, NOVEMBER 14, 2017

Treasurer Gary Fisher said we are financially on track and thanked members for supporting events and raffles.

Membership Chair Walt Huresky reported on Creekside Festival. BTW, he didn't win the raffle!

Jim Ilardo went over the details for the Flounder and Redfish Tournament he and his wife Roseanne are chairing. Thank you so much!

Captain Norm Manley was our guest speaker at the 11/14 meeting. Norm present us with an informative slide show of boats being towed and boats damaged from Hurricanes Matthew and Irma.

Captain Manley had some good advice for boaters: don't be complacent; be a boater first, fisherman second; wear a floating device; use a kill switch lanyard.

Norm captains for Towboat US and has seen it all. Three top reasons for needing a tow: out of fuel; dead battery; engine failure. Norm advised boaters to slow down when strobes are on towboats and keep a good distance.

Bob Daniels was the lucky winner of the \$155.00 in the 50/50, congratulated by President Chuck Gleichmann!

Ron Gorney won 3rd and 1st Place in the War of the Wings at the 11/14 Meeting. Congrats!!!

Sonny Triplett caught one of many Redfish brought to the Tournament.

Tim Miller did not catch a Redfish or a Flounder, but he did catch other species including this great Black Drum. Nice!

Paul Bergeron brought in this beautiful Redfish to the Flounder and Redfish Tournament. Good job!

2017 Redfish & Flounder Fishing Tournament

Held on November 18, 2017

There were 79 anglers registered to participate for the \$650.00 in prize money in this year's event. The weather was beautiful, and the waters were accommodating. Numerous Redfish mixed in with couple of Flounder were brought to the docks for the weigh in.

Approximately 61 members and guests attended the weigh-in to enjoy some lunch and good times under the pavilion at Bing's Landing.

A big thank you to the people that volunteered to help out at the weigh-in, specifically Rosanne Ilardo, Patricia and Butch Albanese, Peggy and Bert Cordwell, Brett Strom, Walt Huresky plus anyone we may have missed And Ellen Scheurer for taking all the great pictures.

We also want to thank Rita Waddell and Brett Strom for handling the actual weighing in of the fish, and Rita once again for being there to write the checks to the winners.

The winners in each species were as follows:

<u>Flounder</u>	<u>Red Fish</u>
1st Tom Martens	1st Chuck Dykes
2nd Mike Pagliro	2nd Miguel Pandich
3rd Mike Pagliro (Drawing)	3rd Andy Block

Red Fish Most Spots – Brett Strom

The 50/50 was won by Butch Albano.

Show-up prize won by Derris Ledin.

8 raffles were held and a couple of extra show up ticket drawings rounded up the activities.

Thank you to all that participated, and looking forward to the 2018 tournament.

Jim Ilardo

Pictures L to R: Mark Juliano, Ruth Juliano, Tom Juliano, and Steven Hirko. Thanks for coming to the weigh in.

Winner of the \$105.00 fifty/fifty was Butch Albano. Congratulations!!

Russ Walker was the lucky winner of the Manley rod.

Sandy and Chuck Durkey enjoyed fun, friends, and food at the weigh in.

Sue McCarthy holds Derris Ledin's show up check at the Flounder and Redfish Tournament.

Mike Pagliro (R) with buddy Mike Ward hold a nice catch including Mike's Flounder, one of three caught in the Tournament.

Ruth Juliano was one of the many lucky raffle winners at the Flounder and Redfish Tournament on November 18th.

Jim Iardo with Mike Pagliro who took 2nd place Flounder and won the drawing for 3rd place. Congratulations, Mike.

Thanks goes out to Patricia Albano for selling 50/50 raffle tickets at the Tournament.

Meet the Pandich family: Dad Miguel, Evan, Nicholas, and Elyse (Mom Liz not pictured). Each Redfish was caught in each of the three kayaks they fished from. Miguel took 2nd place with his 6.1 lb Red. So cool!

Weigh Master Rita Waddell did a great job and also served as treasurer at the Flounder and Redfish Tournament.

Speaking of luck, Roseanne Iardo pulled her own number for the \$25 gift card to The Funky Pelican.

What a great turnout for the last tournament of 2017. A big THANK YOU to new members Jim and Roseanne Iardo who stepped up to run the Flounder and Redfish Tournament. (And you have to love the new ladies hot pink Club Shirts!!!)
