## FROM THE HELM

February 2018

By Captain Chuck Gleichmann, President

I never fished for sheepshead in my life. In fact I have no interest in Sheepshead at all since it's usually to cold for me. That all changed when I received an invitation from a good friend and member to fish our January Sheepshead tournament. After almost 4 months of house rebuilding I was chomping at the bit to get back on the water.

Now I had a real problem? How do you catch sheepshead? I had not a clue, so I turned to some of our club experts. Captain Jimmy Brittan gave me some guidance in tying a sheepshead rig and calls to a couple of other members got me some spots and the baits. Tournament day dawned cold, and a nice day turned a little colder as the cloud rolled in late morning, water temps around 50 degrees made the fishing tough so I was pretty happy when 2PM rolled around and we headed to the weigh in. There we met some 35 to 40 other hardy souls with not a lot of fish but a lot of joking and laughter as we compared how many layers of clothes we had on. It turned into a really fun tournament with a lot of participation.

All of that brings me to what this club is all about. Learning to be better anglers, developing friendships, and having fun. I think we lose sight of that in the whirlwind world we live in today but there are times we must step back smell the roses and go fishing. Please make sure you take advantage of everything this club has to offer and I look forward to seeing you all on the water.

Oh yes, I did catch a sheepshead.

Chuck

***February Fishing Forecast***

Capt. Jim Britton  
Saltytalesfishingcharters.com

Hopefully, February brings a break from the strong winds we have been experiencing. We have also had to endure some cold air and water temperatures. Unfortunately, these cold- water temps have had an affect some of our snook, catfish, and bait population.

As far as the inshore fishing goes, the trout bite keeps getting better. Try fishing deep holes on an outgoing tide by jigging with just enough weight to reach the bottom but not "hold "the bottom.

Artificial baits, live baits, and fresh dead baits will all work with this technique. For the redfish (enjoy the clear water while we have it!), try sight fishing your favorite flat (a mid-afternoon outgoing tide will provide the warmest water opportunities). Just like hunting – stealth is essential! For the inshore slam, you can also target nice sized flounder this month. My favorite flounder bait is a red ¼ ounce jighead with a mud minnow.

Flounder is an ambush predator; therefore, target them by slowly dragging the minnow through holes or around structure.

In the surf, bluefish are eating anything thrown near them! Hard plastic baits, any shiny metal with a hook attached, or live or dead bait – as long as it is moving they will check it out. Black drum and whiting will also be available by fishing shrimp or cut bait on the bottom. Local pier fishermen (Flagler County residents will still have to travel) will want to fish the structure with sand fleas or fiddler crabs to take advantage of the sheepshead and black drum population while the water temperatures are still low.

Offshore anglers will want to take advantage of any days where the wind is not howling. The rewards for making it to the ledge will be large wahoo! Fast trolling dark lure combinations including black, red, and purple should allow for a full fish box. On the bottom, anglers can expect to find big schools of large trigger fish and some large cobia on the wrecks and reefs.

The 2017 Yearlong Tournament preliminary results are posted in this issue of the Chum Line – full reports are available on the Website. If there are any issues or questions with these results, please contact Rita Waddell by February 2 to correct the records. We will announce winners of the Tournament at the February Members meeting & celebrate those winners at the March meeting with their awards.

The **2018 Yearlong Tournament Rules** and the new **Fish of the Month Rules** are posted in full on the website. Rita Waddell

*December 2, 2017 Annual Holiday Party*

**Thank you to Oscar Best for taking such wonderful photos at our 2017 Annual Holiday Party.**

**MAGNIFICENT - 20 MEMBERS PARTICIPATED – THE MOST EVER IN THE CLUB!**  
**THANK YOU** to all the members who braved the cold and brought in their best chili. It was truly wonderful to see so many entries! That is what a club is all about participating, sharing and just having fun. Congratulations to our 3 winners of Funky Pelican gift cards:

- 1st. Place - Gary and Marcia Fisher  
 2nd. Place - Sid Smith (new member)  
 3rd. Place - Wanda Polatty (Chuck Radloff's wife) and Hanna  
 Great Job!

Thank you to the Judges. It was a hard job tasting all that chili, but someone had to do it and they did an awesome job.

Thank you to all that helped make this happen. To name a few Ellen who made chili, mini corn muffins and brought in bags of cheese and sour cream. To Wanda and Hanna (the little electrician). Mike Crotts who went to the storage unit to get all the bowls, spoons, table cloths etc. To Judy Smith who helped dishing chili out for the judges. To all those who brought extension cords without them the chili would have been cold. Many hands make light work. So please don't hesitate to ask if you can help at the next event.

Thanks to all who made this such a success.

Pat Gleichmann

### Sheepshead Tournament.

The Sheepshead Tournament was held January 20, 2018. Despite the cold north wind, members were able to get out for the first free tournament of the new year. A good turnout of members made it to the Saturday Weigh-in and enjoyed Chicken Nuggets and Cookies. A thank you goes to Chick-Fil-A for donating one of the trays of Chicken Nuggets along with Ice Tea and Lemonade. A thank you goes to the following helpers: Dawn Miller, Carol Carter, Dwayne Martin, Claire McIntire and Chuck Radloff. I also want to thank our Weigh-Master, Rita Waddell and Brett Strom for posting results; Treasure, Gary Fisher and Photographer, Ellen Scheurer for helping make this event a success. Although the Sheepshead did not agree to join the tournament, six members weighed-in fish. 1<sup>st</sup> place, John Mueller 5.2 lbs. 2<sup>nd</sup> place, Miguel Pandich 3.75 lbs. 3<sup>rd</sup> place, Ron Gorney 3.55 lbs. 4<sup>th</sup> place, Russ Walker 2.55 lbs. 5<sup>th</sup> place, Johnny Johns 2 lbs. 6<sup>th</sup> place, Carol Webb 1.2 lbs. Since the 7<sup>th</sup> and 8<sup>th</sup> place Sheepshead, along with any Reddish or Bluefish were not weighed-in winners were drawn from the show-up tickets. The winners were, Derris Ledin, Carol Carter, Clair McIntire and Dwayne Martin, and Hank Alper who won the show-up bonus. Danny Carter won the Manley Fishing Rod and Sue McCarthy won the Sand-flea Rack in the Raffle. The 50/50 was won by Butch Albano.

Despite the cool weather, the Sheepshead Tournament, first tournament of the year, had a great turnout.

Congratulations to Sue McCarthy, winner of the Sand-flea Rack.

**Our guest speaker at the February 6<sup>th</sup> Monthly Meeting is Mr. George Hanns.** Mr. Hanns has been the Flagler County Commissioner for many years. Among many of his projects as Commissioner was the establishment of the Flagler County Artificial Reef off our shore here in Flagler in 2004. Mr. Hanns has an interesting background, not only serving as an elected officer of Flagler County but also has an interesting military background. His speech will be centered on the importance of artificial reefs on the fish population in our local shore.

### SHEEPSHEAD TOURNAMENT PHOTOS

1st Place winner John Mueller with his 5.2 lb. Sheepshead. Congratulations!

Miguel Pandich caught all these Sheepshead and took Second Place in the Tournament.

Ron Gorney, 3rd Place with this great 3.55 lb. Sheepshead.

Russ Walker, 4th Place with a 2.55 lb catch.

Johnny Johns, 5th Place, 2.0 lb. catch.

Carol Webb, 6th Place with her 1.2 Sheepshead with dad, Bill Moore.

Butch Albano was the lucky winner of the 50/50.

Thank you Brett Strom for helping Weigh Master Rita Waddell, by posting winners.

Congratulations to Danny Carter, winner of the Manley Rod.

The Kelly family lucked out during the raffles. Both James and his sister were winners.

**This was a "cool" tournament. Thank you all who came to the weigh in and congratulations to all winners!!!**

Thank you, Tim Miller, Tournament Chair for running this fun event.

Club Meeting Minutes 01-02-18

7:00 PM Quick Tips – speaker was Cpt. Jim Britton. He discussed fishing for Sheepshead, the equipment to use, baits and locations you are likely to find them in.

Meeting Called to order at 7:30 PM by President, Chuck Gleichmann

Pledge of Allegiance: presented by Pat Gleichmann

Passing of November Minutes: Minutes of November 07, 2017 meeting were passed, motion made by Diana MacDonald and seconded by Tim Miller.

Treasurer's Report: Gary Fisher said that the 2017 year finished with a cushion in our checking account. The 2018 budget has been published in the Chum Line. He gave the club members a promo of the Chum Line, that you can contact people you know that have a business and for \$100.00 for the year, they can put a copy of their ad or business card in the Chum Line. He also told us about a new bait shop located at the A1A Fisheries by Bings Landing, the name is Carter's (no relation). They sell fresh fish and have live bait and their frozen sand fleas stay good and don't get mushy.

Welcome Visitors/New Members: We had 3 guests/new members at tonight's meeting.

Announcements: Chuck Gleichmann said that Kidde fire extinguishers have a recall going on, check our club website, the information on the recalled ones is posted on there. The date range is 10-12 years and Kidie will replace the bad ones. Salt Water Sportsman is running a top-notch seminar series in March 2018, cost is \$55.00 each to be held at International Speedway and they will have a party at Bass Pro Shops. You can sign up online and the club will be raffling off 2 tickets for this event.

Weigh Master Report & member fishing reports: Rita told us that the results are in for the 2017 tournaments, she has printed copies of the results at the back table. If there are any errors in the report, let Rita know. Bings Landing weigh in station has lost our box for the weigh in slips, so if you weighed in any fish at Bings and do not see your results on her sheet, let her know and give her a copy of your weigh in slip. These results will be finalized by Feb. 2, 2018, if there are no errors. Two club records were set in 2017, C.J. Johnston for Mackerel and Gene Morrow for Tuna. On our website, the 2018 tournament rules have been posted. Tournaments will be for Lady & Male Angler only, winners will get choice of a jacket or shirt, trophy and free membership. Only one prize per angler, exception is a club record. Croker species is out and Red Snapper species is in for 2018. Backwater Bait & Tackle is no longer a weigh in station. Fish of the Month tournament will be a different fish for each month. In January, Sheepshead is the F.O.M. the winner of the biggest, heaviest one will be recognized in the February meeting with a \$50.00 gift card from a sponsor that you pick from. The angler must be a member in good standing, the F.O.M. for the upcoming month will be listed in the Chum Line and Ellen has also

placed a picture of it at each beginning month in the club calendar. It was noted by club member Bob Cyr that Rita did an excellent job in putting together the standings sheet for the year.

#### OLD BUSINESS

Holiday Party: Ellen Scheurer recapped the party and said it was a lot of fun and the attendees had a good time. It was held on 12/02 at the Italian American Club, there were 113 attendees, Tim Rippey was the performer, there were 13 raffles with prizes valued over \$100.00, a Toys for Tots table so that many a child enjoyed a toy for Christmas, the 50/50 prize was \$365.00. The Cooler of Good Cheer was filled by Lisa and Tom Morvac, a big thanks to them for helping make this raffle a success. The party was kept under budget. The date for this year's 2018 party has not been determined yet and we will need a chairperson to run it. Ellen thanked all who volunteered and helped her to make this party a great success. Ellen also mentioned to look at your calendar for the Fish of The Month species and the first Jan. tournament will be for Sheepshead.

#### NEW BUSINESS:

Sheepshead Tournament: Tim Miller is chairing this event. He told us that this will be the first one held, there will be \$600.00 worth of prizes given out. It will be held on 01-20-18 from 6 AM to 3 PM, weigh in will be at Herschel King Park from 2 – 3 PM, there is no check out, fish from anywhere. He is giving out 8 prizes, see your Jan. issue of the Chum Line for the breakdown of prizes and all information on this. The raffle prizes will be a Manley fishing rod and reel and a sand flea rake. There is a sign-up sheet at the back table for anglers fishing the tournament and a volunteer sheet, for anyone who wants to volunteer to help Tim.

#### Any Other New Business

Chuck Radloff made an announcement that he had free life jackets if anyone needed any for their boats and he said for all the members to come and check out the new shirt styles and new colors. He will also be selling hats now. Ellen announced if anyone had not received their 2018 calendar to see her at the break. Chuck G. told us at the break to go and taste the chili and before the break, the winners would be announced.

Speakers for tonight will be Capt. Tommy Durham, Sales Manager for Big Boys Toys and Rodney Olney, owner of Big Boys Play Toys .

#### **Chili Contest Winner were announced:**

3<sup>rd</sup> Place: Wanda Polatty and her great helper, granddaughter, Hanna

2<sup>nd</sup> Place: Sid Smith

1<sup>st</sup> Place: Gary & Marsha Fisher

Pat Gleichmann announced the winners and thanked Andy and all the secret judges for their support and help.

#### **10 Minute Break**

Tommy began the evening by telling us how boats are built today as opposed to 15 years ago. In the 70 & 80's, builders added fiberglass and that added strength to the boats. Adhesives and glues have also changed when it comes to mounting the engines. The mounts for the engines have been replaced with lighter weigh materials that are better. Toggle bolts are used now, it is a pair of zip ties on a stainless washer. 3M makes sealants, bonding adhesives and compounds and you have to make sure you use the proper products. 3M's 4200 is a less aggressive product to use and it has UV protection. Rodney is the owner of the company and he works in the service dept, he teaches the young mechanics. His advice is to pick a time of year to maintain your boat and engine. Fiberglass needs true bolting. You can get a rust ring around the cleat – stainless – not stain free – hole was driven by a metal drill, so it has metal in it, you must blow it out and make sure it is clean from the metal in it. The way to get rid of the rusting is use a rubbing compound polish for stainless. You need to open up the bilge and dry it out to avoid mold and mildew. Open the hatch when you are storing it, air it out. A rigging grommet acts like a chimney, open up the center console to let moisture out of the boats. For engine maintenance, put a 50 watt light bulb in there to help dry it out. Try to do your

service maintenance between Nov – 1<sup>st</sup> of Feb., after March, it is hard to get an appointment for servicing. If you store your boat, cover it and open every hatch in the boat under the covers, you will have less mildew and electrical corrosion. If you have cushion mildew, use Magic Eraser on them, but don't use it on shiny areas, it is an abrasive product. Don't use bleach on cushions, it will rot the stitches. If you can afford them, use AGM Batteries, he has some that are four years old in his boat. They are lead acid batteries, it is best to get rid of batteries after 3 years, as preventive maintenance. Clean the terminals on batteries every 3 months, solid tight, use nuts not wing nuts. Use dielectric grease, air corrodes your battery. You don't need to use too much of the grease, rub it on the battery posts to help the energy go through it and also use it on your fish finder, put some on the plug or turn off the battery to prevent having corrosion. Be careful with the products you use to wash the boat. If boat is washed with acids, it will affect the stainless and you should use gel coats that protect it from the sun. Wax and polish as much as you can. These were some great tips for our boat owners.

50/50 Winner: \$88.00 to Gary Mapes

Meeting adjourned at 9 PM

**Captain Jim Britton spoke about fishing for Sheepshead at the Quick Tips portion of the January 2nd Monthly Meeting.**

**The judges had a tough time deciding the winners of the Chili Cook-Off with twenty entries. But look at the smiles!**
