FROM THE HELM February 2019

Your club has historically taken a nonpartisan position regarding politics, unless it directly affects fishing and the fishing environment. That being said, January has been a pretty exciting month so far, from a water quality and political perspective and we as fisher people should be celebrating the changes.

Our federal government has passed and the president has signed, "The Modern Fisheries Act," in late December, finally giving recreational anglers a say in fishery management; including setting catch quotas. We finally have a seat at this very important table. Our new governor, in his second day in office, signed an executive order completely overhauling the state's environmental department policies, asked for \$2.5 billion for Everglades restoration, created a green algae task force and a septic tank replacement program. The same day, he asked for resignations from every member of South Florida's Water Management District over renewing property leases to big sugar on land set aside for Lake Okeechobee's new reservoir to control outflow. Hopefully he will be looking at St John's River Water Management as well as the rest of the water management councils statewide.

All of these actions are long past due and is great news for everyone enjoying our sport. It's pretty clear that our fishing is not what it used to be and there have to be some changes so our kids and grand kids can enjoy what we have. There has already been some push back in our state legislature over the governor's actions and we need to keep an eye on what's going on to make sure his executive orders are carried out. This is only the beginning of a long road that we need to travel, so stay tuned.

Let's go fishing!

February Fishing Forecast

Capt. Jim Britton
saltytalesfishingcharters.com

As far as the inshore fishing goes, the trout bite keeps getting better. Try fishing deep holes on an outgoing tide by jigging with just enough weight to reach the bottom but not “hold” the bottom.

Artificial baits, live baits, and fresh dead baits will all work with this technique. For the redfish (enjoy the clear water while we have it!), try sight fishing your favorite flat (a mid afternoon outgoing tide will provide the warmest water opportunities). Just like hunting – stealth is essential! For the inshore slam, you can also target nice sized flounder this month. My favorite flounder bait is a red ¼ ounce jighead with a mud minnow. Flounder is an ambush predator; therefore target them by slowly dragging the minnow through holes or around structure.

In the surf, bluefish are eating anything thrown near them! Hard plastic baits, any shiny metal with

a hook attached, or live or dead bait – as long as it is moving they will check it out. Black drum and whiting will also be available by fishing shrimp or cut bait on the bottom. Local pier fishermen (Flagler County residents will still have to travel) will want to fish the structure with sand fleas or fiddler crabs to take advantage of the sheepshead and black drum population while the water temperatures are still low.

Offshore anglers will want to take advantage of any days where the wind is not howling. The rewards for making it to the ledge will be large wahoo! Fast trolling dark lure combinations including black, red, and purple should allow for a full fish box. On the bottom, anglers can expect to find big schools of large trigger fish and some large cobia on the wrecks and reefs.

Chili Cook Off

Thank you to all the Chefs who took part in the chili cook off. That is what the club is all about: "Participation!" I don't know how you can taste 19 pots of chili! I take my hat off to the 3 judges: Dwayne, Andy and Ron. They not only were judges, but they helped set everything up as well. Our gratitude and thanks to them. Special thanks to Kathy Riley and Fred Manzollillo for running around for gift cards and helping set up and clean up. Also to Ron Gorney for his guidance and help and to Chuck Radloff for getting the "stuff" from the storage unit. As you can see, many hands make light work, so volunteer to help with our many club activities!

These two restaurants (Funky Pelican & Beach Front Grille) help to support our club throughout the year, so when you are looking for a night out, try them!

2019 Belize Trip

We announced this last year and now have dates! **ONLY 1 SPOT REMAINS!!** We plan to leave on Monday, June 3rd and return on the 7th. That works out to 3 full days of fishing and 2 for travel. You can fish for monster snook, tarpon, bonefish or reef dwellers, or any combination. Fishing is done from 18' Panga's so it's two to a boat and two to a room. The price looks like it will be about \$1450 for 4 nights of lodging and 3 of fishing per person. Airfare is additional and is about \$350-\$450 round trip now. The only other expenses will be food, tips, etc. It's a pretty rustic environment outside of the Best Western. Check their website at www.actionbelize.com. You can call either Walt Huresky (732-996-3899) or Chuck G (386-441-8411) for more info.

Club Meeting Minutes 01-08-19

7:00 PM Quick Tips – speaker was Jim Britton -

Meeting called to order at 7:30 PM by President Chuck Gleichmann

Pledge of Allegiance: Presented by Pat Gleichmann

Passing of November Minutes: Minutes of November 13, 2018 meeting, published in the Chum Line were passed, motion was made by Dean Roberts and seconded by Chuck Durkee.

Treasurer's Report: Gary Fisher said that the past year of 2018, finished up great. In reviewing the metrics of 2018 and what makes our club so great is that we spend a lot of money on the club. The expense for the Chum Line is \$7,000.00 and 20% of the money comes from advertising and the rest is from membership dues. We need members to support the club by buying tickets for the raffles and 50/50's and supporting the tournaments. We are up to 300 members now. He also mentioned that the bills are paid and there is money in the bank.

Welcome Visitors/New Members: We had 10 guests/new members at tonight's meeting. **Announcements:**

Drag Line Ditch Restoration – Chuck Gleichmann said this project came to a head in December and that we lost. St. John's will be starting this project in a few weeks. They will do testing and will inform the public. He thanked members of the club for their support to try to get the project eliminated.

Modern Fisheries Act – Chuck said that President Trump signed this act into law. It will give anglers a say in catch limits, it will be a boom for our fisheries and we may get a red snapper season this year.

Calendars – Your 2019 calendar has all the upcoming events, so if you have not received your copy, please see Ellen Scheurer at the break to get yours.

Belize Trip – Chuck said the date for this trip is 6/3/19, there is info in the Chum Line about the trip. If you are interested in going on this trip or have any questions on it, see Walt Huresky or Chuck Gleichmann for information.

CCA Association – The Coastal Conservation Association is having an event on 2/7/19 in Daytona at the Hard Rock Café. There will be 4 hours of open bar, food, auctions, silent auctions and raffles. They are the voice of the angler, if you wish to join as a member of this group, their fee is \$30.00 for annual dues. See Chuck G., if interested.

Sponsor Event: On 2/16/19, there will be a swap and shop in New Smyrna Beach on U.S. 1, it will be advertised on Facebook and on the radio. We can have a club area with a tent if interested. This is being held by our sponsor, Boaters Exchange

REPORTS:

Weigh Master: Rita Waddell said there were 91 weigh-in slips submitted in the month of December. Copy of the tentative final results are at the back table. By Feb. 3rd all results are final. If there are any errors, let Rita know. Aby Moghanaki was the winner of FOM in December for Black Drum, weighing 7 lbs, 4 oz. Rita said she has already got weigh slips submitted at the weigh stations for 2019. In January, the FOM will again be a Black Drum.

OLD BUSINESS:

Sheepshead Tournament: Tim Miller will be chairing this first free tournament of 2019. It will be held on 1/26/19 from 6 AM – 3 PM, there will be no checkout time, the weigh in will be from 2-3 PM at Herschel King Park. There will be 8 top spots for Sheepshead and you can only win 1 prize. There will also be prizes for the heaviest redfish and black drum, if no winners in any of these divisions, a show up ticket will be pulled. There is a signup sheet in the back, please let him know if you will be fishing or coming just to the weigh in, so enough food can be supplied. There are also flyers for the event and raffle tickets are being sold for the prizes on display at the back table, which include a Penn rod and a cast net. He will need helpers and a signup sheet is provided for that also.

Flounder/Redfish Tournament: Jim Ilardo said there were 101 members/guests signed up for this tournament with 72 showing up for the weigh-in at Bings Landing. There was \$610.00 awarded in prize money, he thanked all the volunteers for helping make this a success. Results of winners are in the January edition of the Chum Line. Virginia Riquier won the 50/50 for \$130.00 and donated half of her winnings back to be used at the Kid's Clinic in July. Thanks Ginny,

that's very generous!

NEW BUSINESS:

Elections – Bill May said that the offices of President, Vice President, Treasurer, Weigh Master and Sgt. at Arms are up for re-election. Nominations begin in March and April. If you know someone who is interested, you can speak to Bill about it and if they meet the requirements, they can run for any of these offices. You must be a member of the club for 1 year. The weigh master job may have a committee to help fulfill the duties. The elections will be held in May and the winners will be announced and the new officers will take over their positions in June.

Any Other New Business:

Spring Classic Tournament – Dana said the Captain's meeting will be on April 26th at Beachfront Grille in Flagler Beach and the tournament will be held on April 27th with the weigh in being held at Hidden Treasure under the 100 bridge. They need volunteers, this tournament is open to the public. Rita & Dana are the co-chairs on this event. Our benefactor will be the DAV. Last year we raised \$7,000.00 for the DAV and they would like to up that donation to \$10,000.00!

New Sponsors – Chris Christian said we have two new sponsors, Beach Front Grille has become an annual sponsor. Chris C. was handing out punch cards from Beach Front Grille and he said to tell Jaime that you are a Flagler Sportfishing Club Member and when you eat there, they will punch your card and you can get a prize. Our other new sponsor is Palm Coast Flagler Beach Realty, this company is a member, Chuck Durkee's company, so see him about buying or selling a home.

Chili Cookoff – Kathy Riley was the chairperson for this event. Pat Gleichmann announced that there were 19 dishes that were entered, three judges who tasted the dishes and the winners were: 3rd place - Sandy & Jim Sheehan – prize \$20.00 gift card to Beach Front Grille, 2nd place – Ron Gorney – prize \$30.00 gift card to Beach Front Grille, 1st place – Carol Webb (not Carter) – prize \$50.00 gift card for the Funky Pelican.

Guest Speaker: Rodney Olney from Big Boys Play Toys in E. Palatka Rodney let us know that he is certified by Honda & Yamaha for boat maintenance. His topic was on Boat Maintenance. He conducted this talk on a question and answer basis. He does not sell jet skis or pontoon boats at his business. Question was asked if you should store your boat with the engine up or down. Answer: If it is a four stroke, don't tuck the engine all the way under, or the oil will run down to the valve. Trim it up and flush it when done running it. He said to store it, tilt it up, on a 2 stroke, it doesn't matter. If you use Dawn, bleach or a household product to wash the boat, your wax will be gone. Some products he recommended were Salt Off or Salt Away and use it on the trailer also. Use a light penetrating oil. He uses CRC for everything, this is for a steering problem. Use the CRC or a non-flammable, don't use WD40. Anything to stop air and corrosion. Run your boat, don't just let it sit. Fuel has a shelf life of a month. Use the fuel up or you have to stabilize and treat it. Don't overdose on products for your boat or gas lines. Keynine Boat Shield is used to spray the engine down. Use a gel coat, sand and gel coat the boat, if you have a lot of wear and tear on the deck. There is a big difference between painting a metal boat and a fiberglass boat. Question was asked about bottom boat painting and his answer was the best place to go is to go to the Bahamas to get it done. He also said to never run the engine on the flush – always use your ear muffs on it. Question was also asked if there are any apps for boat maintenance. Answer was that each company usually has its own app, like Yamaha has a Maintenance Matters app. He also had several boat products lined up on the table for anyone to look at and ask him any questions about them.

Chuck Gleichmann thanked all the judges and the volunteers that helped make the chili contest a success!
