## From the Helm October 2019

Again, I want to thank every member that took the time to fill out our online member survey. There were some great suggestions in it and we are going to try to implement the high priority ones ASAP. As an example, the number one suggestion was to shorten the overall meeting length, and for the September meeting we tried a new agenda and managed to start at 7:30 and be completely done and cleaned up by 9. Also, in the top 5, more "social and mixer" events were requested and as a result Amy Krisanda booked an exclusive club wine tasting at Total Wines in Daytona. As I write this, this event is almost sold out and a success right out of the box. With the picnic and holiday party coming up there is plenty social stuff to enjoy. You also requested some different

tournaments and formats; CPR and a Trash clean up day. Most of this should be in the 2020 tournament schedule when it gets announced. I doubt if we can get to everything but we will address the biggies.

We have a busy October coming up, so make sure you have all of our events on your calendar. Our annual picnic is on the 5<sup>th</sup> at Herschel King Park. The second kids' clinic is at Creekside at Princess Place on the 12<sup>th</sup> and our second surf tournament of the year will be on the 26<sup>th</sup> with the weigh-in at Betty Steflik Park. Specifics will be listed in the Chum Line. Please try to take advantage of all of our activities coming up. See you all there!

Chuck

## October Fishing Forecast

**Capt. Jim Britton**

**saltytalesfishingcharters.com**

Ahh... cooler weather! The fish will be feeling the temperature change this month also. A look back at my last few years of logbooks reminded me that larger flounder should be showing up shortly. My logs indicated that I need to stock up on red jigheads and fishfinder rigs. When fishing in the creeks, I like to put a mud minnow or a finger mullet on a 1/4 ounce red jighead, cast up current and retrieve slowly through one of the deep holes of the creek. To target the "doormats," fish the inlets, on an outgoing tide, with a fishfinder rig and a larger mullet on a circle hook. With either tactic, wait for line to get heavy and then just come tight on your line and reel the flatties up to the boat! Inshore enthusiasts can also expect a steady sheephead and black drum bite during October. Target these fish around structure or any deeper area that has rock piles or oysters. The topwater sea trout bite will also warm up as the water temperature cools down.

October will be a transition month for surf fisherman. Make sure you take advantage of the water temperatures above 68 degrees, by getting to the beach to hunt pompano and whiting. These fish will start to migrate south soon, in search of warmer water. This will probably be the last month for targeting tarpon on the beach as well.

Offshore anglers will enjoy an active bite in many ranges of water, this month. Bottom fishing on the wrecks and reefs, in the 10 to 20 mile range, will yield grouper, sea bass, and cobia. While moving from spot to spot, be on the look out for sailfish crashing bait at the surface. A trip to the ledge will find dolphin and wahoo in the trolling spread. And for those adventurous anglers willing to trek out to the rolldown, be ready to fly your marlin flag on the way home.

# HOLIDAY/CHRISTMAS PARTY ANNOUNCEMENT

Believe it or not, the holidays are just around the corner. Since many of our members are new to the Club and have little knowledge of the Club's Holiday/Christmas Party, I will try to explain. The Club subsidizes the cost of the event for members. We have entertainment, hors d'oeuvres, dinner, dessert and coffee, and a cash bar. It would not be a Club function without a Cooler of Good Cheer, and we will have a Chinese Auction where you can select which raffle items you would like to take a chance on. The date has changed and is now on Saturday, December 14th. The location is the Halifax Plantation Golf Club in Ormond Beach. Entertainment will be provided by Captain Kirk, who would like to know what type of music our members would like to hear. So let us know! Your choice of dinner will be Beef Wellington, Salmon with Dill Sauce, or Tuscan Style Chicken. So, put on your dancing shoes, or not, but come join in the fun with your fellow club members. Mingle and get to know one another. Invitations will be mailed by November 1st. I will be at the November 12th Monthly Meeting to accept your reservations and money. If you have any questions, please feel free to call me, Pat Gleichmann, at (386) 441-8411.

# PIER TOURNAMENT

It was a beautiful day on Flagler Fishing Pier on Saturday, September 14<sup>th</sup>. However, the wind and the rough surf made for difficult catching of the prized species. Nonetheless, all places had winners. Heaviest fish went to Joe Fontaine who took First Place with his 4 lb 2 oz Redfish; Tim Miller came in Second Place with his 2 lb 3 oz Redfish; Deborah McGriff placed Third with her 1 lb 5 oz Sheepshead; and David Genk was Fourth with his 1 lb 2 oz Black Drum. Most Species First Place went to Paul Nettles; placing Second was Steve Williams; Third Bill Zimmer; and Fourth Adrian Puran. In place of food, Pier Tournament Chair Ron Gorney decided to have five Show Up Raffle winners, four receiving a \$25.00 check: Ellen Fraser, Karen Dougherty, Russ Walker, and Jeff Rafter. The fifth winner, Daniel Turdo, received a gift card to Genung's Fish Camp in St. Augustine. There were three great raffle prizes. Ellen Scheurer won a beautiful fillet knife with the Club's name engraved on it, David Buono won the Engel Bait Cooler, and Shawn (no name on ticket) and who was not at the weigh-in won the drop net. Thank you to all who came out to fish, to help, or just to be a part of a wonderful event.

*Club Members participating in the Pier Tournament*

*Andrei Nikonorov with his son Miron*

*Heather Turdo did NOT want this catfish! Haha!*

*Mark Heffley, Brian Genk, and David Genk*

*Dean Roberts*

## Weighmaster Report for September

September's Fish Of The Month was Redfish and they were biting hot and heavy at the inlet. I even caught a couple this month. The top Fish Of The Month for August was a Mangrove Snapper caught by Michael Brandon. Michael choose to receive a \$50 gift card from Captains BBQ. The Fish of the Month for October is Blue Fish. The overall species Leaders and Full Point Standings are available on our Website:

<http://sportfishbase.com/members/> and in the latest Chum Line publication delivered by Email. Thanks for everyone's support, and if you have any questions, please let me know!

## **Club Meeting Minutes 09-10-19**

**7 PM- Quick Tips** with Chefs David Genk & Mark Heffley; *Topic: How to prepare and cook your catch*  
**Meeting Called to order at 7:30 PM by President, Chuck Gleichmann**

**Pledge of Allegiance:** Presented by Ron Gorney

**Welcome Visitors/New Members & Sponsor's:** We had 9 guests/new members at tonight's meeting.

**Announcements:** Chuck G. said that this club is a great resource to help you learn how to fish.

Stephen and Julie Sabine are accepting food and monetary donations to help with relief for the Bahamas. Boaters Exchange will be running a plane with supplies to the Bahamas, Hammock Bait and Tackle will also be accepting donations to help the people of the Bahamas. These are people that are associated with our club and are trustworthy to support in their efforts. Chuck G. said that we received 123 or 133 responses to our online member survey. Thank you for participating, it was an eye opening experience and we are trying to turn the results into reality. We will be trying to make the business part of the meeting be handled in a half an hour. We will be looking into new tournaments, and the Catch, Photo, and Release program. He said we have nailed it down that our club members like to fish and eat. The survey committee is taking your comments very seriously and working on getting results. Gary Fisher has resigned as the Club Treasurer and Fred Manzolillo has stepped up to take over that position. Chuck G. said that Gary did a great job in his position. He also introduced Amy Krisanda as our new Social Director. She announced that Total Wine in Daytona will be having a wine tasting with food on Oct. 3, from 6-8 PM. Cost will be \$20.00 a head, it will be for 2 hours and it will be for a total of 40 people. So, see her if you are interested in attending this event. She is also working on some other nice events in the future. Dave Genk, who is a new board director, will co-chair the New Member's Clinic. Another new board director is Chuck Riccitello, and Chuck Gleichmann said he will have a job for him very shortly. We run 1-3 things a month, events, tournaments and are looking for a few good folks to help out. Now that Fred will be our new Treasurer, we are looking for a new Quartermaster at this time. So, if you like to shop and spend our money, you might be the right person for this job! At next month's meeting, our speaker will be Dr. Jimmy Liao, Associate Professor Whitney Labs. He is involved in a redfish tagging event for the lab and would like to get some of our members involved in catching the redfish and they

will tag them and release. This is a redfish reproduction project. He will explain this at our Oct. 1 meeting.

### **REPORTS:**

**Finance Report:** Tim Miller said our books have been reviewed and there is enough money for the events for the rest of the year.

**Weigh Master:** Chuck Radloff said that the Yearlong Standings have Karen Dougherty leading for Lady Angler of the Year and leading for the Men's division is Bruce Bachmann, Jr. The winner of the Fish of the Month for July was Ravi Puran and the winner of the FOM for August was Michael Brandon for a mangrove snapper, they both received gift certificates for their wins. The FOM for September will be a redfish.

**OLD BUSINESS:** None

### **NEW BUSINESS:**

**Pier Tournament:** Ron Gorney is the chairman of this tournament and he said it will be held on September 14, 2019, from 6 AM – 11 AM. Weigh-in will be at the pier by the front office from 11-11:30 AM. No food or water will be served. You are only allowed to fish with one pole, species allowed to catch and amounts of prizes are listed in the flyer that can be found in the Sept. Chum Line. Arm bands will be given out, the club will be paying the admission fee to fish on the pier. Raffle items include a pier net, an Engel cooler and a club filet knife.

**Picnic:** Bill May is chairman of this event and he wasn't going to have a pig because he needed someone who could cook and butcher it. Chris Davy has offered to butcher it along with Dean Roberts who will help out. Bill did not want to have just sissy food like chicken, pork and sausage. So, come to the picnic and find out the results: Pig or no Pig? Only the Butcher knows! The picnic will be held at Herschel King Park on Oct. 5th, details will be in the flyer in the Oct. Chum Line. There will be nice raffle prizes and music of our own playing. There will be a swap and shop, a casting contest, horseshoe and corn hole games. This event is run by the club Officers and Directors for our club members. The cut off for the picnic is Oct. 1st. There is a signup sheet at the back table and BYOB and bring a side dish, appetizer or dessert to share. Guests of members cost will be \$10.00. We will provide water.

**Creekside:** Fred Manzolillo is the chairman of this event. In Fred's absence tonight, Chuck G. said this event will be held on Oct. 12 & Oct. 13th at Princess Place Preserve. It will be a kid's clinic with 6 stations set up to teach kids knot tying, conservation, cast net throwing, rod casting, habitat and proper fish handling. At the completion of all the stations, each

child will receive a free fishing rod and reel. The Chamber of Commerce puts on this yearly event. We need volunteers for Saturday and Sunday, all workers get in for free. Saturday's event will be the Kid's Clinic and Sunday there will be a membership tent set up.

**Surf Tournament:** Chuck G. said this tournament will be held on Oct. 26th at Betty Steflik Preserve under the 100 bridge, across from Hidden Treasure in Flagler Beach. We need a volunteer to run this event, please let Chuck G. know if you would be available.

**Any Other New Business:** Chuck G. introduced Dee Jensen, she is the new General Manager for the Palm Coast West Marine store located in Island Walk. She is anxious to meet our members and to do sponsorship and service for the fishing crowd.

#### **Break for 10 minutes**

#### **SPEAKER:**

Chuck G. introduced Tim Miller, one of our club directors and temporary Treasurer until Fred takes over. Chuck said Tim will be out there on the pier on Saturday and he will be telling us the do's and don'ts of pier fishing. Tim started off by telling us he came here from Colorado. He fishes on the pier and Matanzas Bridge and catches a lot of fish. When fishing the Pier Tournament, decide if you want to fish for the Most Eligible Species or the Heaviest Fish. Bait to bring for redfish, black drum or flounder would be live mullet, they will also go after live shrimp. Right now the ocean water is muddy at the pier. Target black drum if you are fishing for the heaviest fish category, as they weigh more. Use a sliding sinker, 1-6 oz. sinker with heavy winds and waves. At the end of the pier there are sand bars. It will be high tide during the tournament, throw out 5-10 feet from the pier, black drum like to stay beneath the pilings, but if the water is rough, try to just throw out, otherwise the waves will put your line on the piling and it can get caught and you will lose your tackle. He said the bluefish have not shown up yet, but for blues, use a Gotya Plug, it is a hunk of metal with 2 hooks on it, don't use a swivel for bluefish, use a 30 lb mono leader tied to braid line. Spoons will work but it doesn't sink, they don't do well on the pier. Not many Pompano around yet, they should be in by the end of this month or next month. He likes to fish for Sheepshead all year long. He uses sand fleas as bait for black drum, pompano and whiting. It is cheaper to catch your own, you just have to watch for ripples in the sand and dig there for the fleas. To keep the fleas, he doesn't bother brining them he just puts them in an empty pill bottle

and throws it in the freezer. When he is ready to use them, take them out, keep the bottle on ice in your cooler and after that day of fishing, throw what you have left away. They cannot be frozen again. Fish Bites has a good sand flea flavor bait that he uses, he has caught Pompano on Fish Bites but never a Sheepshead. Someone asked if the bait shops sell live sand fleas and he said he is not sure if Hammock Bait Shop is selling them yet. He uses a 1 ott Eagle Claw lazer sharp circle hook that are available at West Marine and at Wal-Mart, he gets platinum black that one is stronger, he tried the silver one but the tips break off. He ties a loop knot and uses it with shrimp or sand fleas. You can use Fidler Crabs, at the piling on the bottom and uses a circle hook. He uses live mullet to target Trout and you can catch Whiting by using frozen shrimp, but only use about a ½ a one, Whiting have small mouths and you only need a small piece of bait. Always, match the hatch! He uses pyramid 3 ounce sinkers with 40 pound test green braid line, the pilings have barnacles that will cut your line and if you use monofilament line, it can break off your hook and sinker. If the wind is coming in from the south, you will mostly catch sharks, catfish and stingrays. At the end of the pier the angler's fish for King Mackerel and so far this year, 100 have been caught and he said today there were tarpon caught. In January, big reds weighing 40-50# are around, you need a drop net to get them up on the pier. You can use artificial bait for trout and flounder, but the water needs to be clearer than it is now. Hurricane Dorian has changed the waters at the pier by shifting the sand underneath. He cautioned anyone that fishes the pier to have patience. You most likely will get your line crossed with a neighbor. He said when he fishes Matanzas bridge there is a lot of current. He fishes in slack water that is an hour after the tide changes low or high. The bridge there is concrete and it can fray your line. Using sand fleas will dull your hooks, so check you hooks and get rid of any that are dull. He also added that for many years, it was a pier angler that won for the category of Angler of the Year in the Year Long Tournament. Chuck G. added his thanks to Tim for his fishing tips and to Dave Genk and Mark Heffley for their prepping and cooking tips.

**50/50 Winner:** Was Toni Mincin and she received \$130.00. Congratulations!
