December 2019

With Thanksgiving behind us and Christmas and New Years ahead, make sure you spend some time at our club's sponsors purchasing their products. Our sponsors include some of the areas best tackle shops, restaurants and boat dealers. What better gift than new tackle, dinner for a special person or maybe even a new boat. Make sure you tell them you are a club member since many of our sponsors offer discounts or perks to members.

Last month I talked about all the things we do for our community, so this month, I want to talk about what the club does for its members. About a third of you filled out our survey a couple of months ago and we have been using that as our guide for 2020 and beyond. If you took the time to fill it out, feel good, we listened. If not, you are still along for this ride, so don't miss next time.

Further along in the Chum Line, you will find our 2020 budget. It has grown significantly since last year, mostly over things you asked for in the survey. Events like an Offshore Tournament are back, along with a Trash Tournament and a Member's Classic with a higher prize payout. We also bumped our monthly tournament prize payout

by \$100 each tournament and another \$100 for more and better food. You wanted better raffle prizes, so we bumped that budget \$50 each event. Catch, Photo and Release became a major item and we are almost done negotiating a turnkey software agreement for that purpose. Finally, on the kids' side, we are partnering with CCA in their Star Tournament next year by sponsoring a \$5,000 scholarship for Flagler County kids entering, catching and releasing fish in their tournament. There are a bunch more odds and ends that we can talk about later but these are the biggies.

As you can see, we have been busy listening and doing, based on what you told us you wanted. You also told us you wanted a dues increase, so you'll get that too. Dues for 2020 will be \$70 per family. This is our first increase in fifteen years, and I hope you all see the value in your membership.

That's it for 2019, and with no meeting in December, Pat and I wish all of you a safe and loving holiday season.

See you all in 2020!

Chuck

December Fishing Forecast

Captain Jim Britton

saltytalesfishingcharters.com

Gather up your fiddler crabs, clams, oysters, or shrimp – December will be a great month for targeting large sheepshead. To catch these “striped bandits,” try fishing deeper areas with plenty of submerged structure (oysters, rocks, or anything else which encourages crustacean growth). Use a small stout live bait hook and just enough weight to hold your favorite bait on the bottom. Another tried and true tactic, for attracting sheepshead, is to pull your boat up to a bridge or dock and scrape the barnacles and other small crustaceans off the pilings. Once you have created a chum slick drop down a bait and be ready for the bite! Other inshore fare, in December, will be an increased number of sea trout and bluefish in the drop-offs along the Intracoastal Waterway. For these fish, try free lining a shrimp along current breaks caused by a significant change in water depth. Also, check out your favorite flat for sight fishing opportunities for schooling redfish and black drum.

In the surf, anglers can expect the whiting bite to continue. Also be on the look out for increased numbers of flounder, redfish, black drum and sheepshead. Sea Trout and their cousin, weakfish, will be caught using hard plastic baits as well.

Offshore anglers should take advantage of days with light winds to get out to the near shore wrecks or reefs to target amberjack, cobia, and triggerfish. Also if weather allows, traveling a little farther should produce some grouper in the 80 to 100 foot range. A trip to the ledge will still see anglers rewarded with wahoo, dolphin, and black fin tuna.

During this holiday season remember those less fortunate and help when and where you can by donating your time, money, or even just some kind words and a helping hand. Tight lines and hopefully everyone will fish their way into the new year!

Christmas Come True

Christmas Come True, provides a personalized Christmas experience for Flagler County residents who are unable to financially afford the traditional Christmas for their children that includes Christmas dinner, new clothing, gifts, toys and even Christmas stockings filled with goodies for each child. In 2018 they delivered Christmas for over 450 children in Flagler County, and in 2019 the Flagler Sportfishing Club will support their efforts in a few different ways. At the Club Membership meeting on November 12th, we had 50 'Wish Tags' for 25 different children – one for clothing and one for toys or personal items that the child would like to have. By the end of the meeting, all tags had been taken, and we had to get approximately 10 more for other interested members. Once you purchase the items on the 'Wish Tag,' please wrap & attach the tag – there are 3 drop off locations...

- Bring them to the Christmas Party on December 14th

- Drop them at the *Christmas Come True* store at 2729 E. Moody Blvd, Building #1, Suite #103, Bunnell, FL 32110 (across from the Wendy's on 100)

- Drop them at the CCI Insurance office in Palm Coast at 4861 Palm Coast Parkway NW, Unit #5, Palm Coast, FL 32137 -- (west on parkway, left on Bridgehaven Dr. & CCI is in the plaza on your right)

If you were unable to pick up a 'Wish Tag' and would still like to participate you can still pick up a toy and either bring it unwrapped to the Christmas Party as we have done in the past or drop off unwrapped at one of the locations listed above. These will be delivered & taken to the *Christmas Come True* distribution center, where toys are wrapped and distributed for the children who do not have 'Wish Tags.'

Please go to the *Christmas Come True* webpage at <https://www.christmascometrue.org/> to better understand who they are & what they do. Watch the Christmas 2018 Distribution videos – 5,000 square feet dedicated to providing Christmas to Flagler County children. It is truly heartwarming.

Thank you in advance for your support!

Weighmaster Report for November

October's Fish of The Month was Bluefish won by Aby Moghanaki with a 3 pound 10 ounce beauty. Aby chose to receive his \$50 gift card from Tomoka Eye. This is another one of our great annual sponsors.

November's Fish of the Month will be Snook.

At the time that I am writing this report, no one has weighed in a legal Snook in November so hopefully one will show up before the end of the month. Snook must be between 28 and 32 inches long to be legally weighed in.

December's fish of the month is Whiting and for this Fish of The Month contest they must be at least 11 inches long. You still have the month of December to get into a winning position for one of the species in our yearlong tournament. The overall species leaders and full point standings are available on our website at: <http://sportfishbase.com/members/> and in the latest Chum Line publication delivered by e-mail. Thanks for everyone's support, and if you have any questions, please let me know. Chuck Radloff – Weighmaster (386) 569-1584

Come join the party with our first social event of 2020: The Chili Cook Off! For all those new members, and old ones, let me tell you what that is. We ask all of our members to bring with them their favorite chili. Judging will happen during the first part of the club meeting. The three winners will be announced just before the break. At the break, everyone will have the opportunity to try the winning chili and vote for themselves. Chili should arrive between 6:30 PM and 7:00 PM. Please try to bring enough for other members to taste. If your chili needs sour cream or cheese, please bring it. The club supplies cornbread, bowls, spoons, and napkins. So please come join in, meet some of the other members while standing in line for your tasting! Any questions, please contact Amy Krisanda, Social Director at (914) 755-5612. I will also need 3 judges to volunteer. See you all on January 7th, 2020! *(More info to come in the next issue of The Chum Line)*

Club Meeting Minutes 11-12-19

Meeting Called to Order by Fred Manzanillo, Treasurer

Pledge of Allegiance: Presented by Bruce Bandes
Passing of October 12, 2019 minutes, Motion made by Dean Roberts, 2nd by Ellen Scheurer

Welcome Visitors/New Members & Sponsor's: We had 8 guests/new members at tonight's meeting. Fred welcomed the new people.

Announcements: Fred announced that there were tables set up at the back of the room for new membership, Christmas/Holiday Party registration and raffle prize list and some items and selling raffle tickets for the Cooler of Joy, Flounder/Redfish tournament signup sheet and raffle ticket sales for the weigh in on Sat., Nov. 16th and table with gift tags for the Christmas Come True event. For tonight's 50/50 drawing, the club's portion will be going to the VFW for their scholarship program. Ellen Scheurer will be retiring from her photography position with the club in June of 2020. She has been in the job for 6 years and we have all enjoyed the great pictures of all our club events and activities that she has taken. She also created the terrific calendar that shows our great anglers, their great prizes and all that we do. A big Thank You to Ellen for all her hard work to help us be a better club. We will be looking to put two people in the photography job so there is enough coverage for all the events in 2020. Please let Chuck Gleichmann or any of the board members know if you might be interested in filling one of these positions. Fred

reminded us that there will be no December meeting and the New Year will begin with our Member Meeting on Jan. 7th, 2020 where we have our annual Chili Contest, details will be in your December Chum Line. Contact Amy Krisanda if you would like to volunteer to be a judge or just want to help out at this event. Also in January will be our 1st free tournament of the new year, the Sheephead Tournament, weigh in at Herschel King Park, details for this event will also be in the Chumline.

REPORTS:

Finance Report: In keeping with having the meeting be short and sweet, Fred reported that as far as finances go, "We're Good"!

Weigh Master Report : Chuck Radloff said copies of the yearlong report are at the back table. The Sept. FOM was Redfish and was won by Ron Gorney, prize he chose was a \$50.00 gift certificate for the Beach Front Grille. He was absent from tonight's meeting, sadly, his mother has passed away. We are all sorry for his family's loss. The Oct. FOM is Bluefish, prize was won by Aby Moghanaki, Chuck will get with Aby to pick out the prize he wants. For November, the FOM is Snook, winner will receive a \$50.00 gift certificate. In December, the FOM will be Whiting with a minimum of 11" in length. Chuck reported that the top leaders of the Yearlong are still the same. Men's division 1st place is Bruce Bachman, Jr. and Ladies division is Karen Dougherty.

OLD BUSINESS:

Christmas/Holiday Party: Ellen Scheurer reported

that the party will be on Dec. 14th at Halifax Plantation Golf Club, 3400 Clubhouse Drive, Ormond Beach. Hors d'oeuvres will start being passed out at 6 PM and for dinner and dessert, you have three great choices. Dress is clubhouse casual, which means no jeans or shorts. See Kathy Riley at the back table to sign up or drop off registration forms and payment for the party. Also, raffle tickets are being sold for the Cooler of Joy, please put your name on your tickets, so if you leave early they can call you with the good news! There will be a silent auction and a Chinese auction for the raffle items that are valued at \$100.00 or more. Also, there will be a 50/50 drawn. Carol says - last year, club President, Chuck Gleichmann was the winner! So, who knows, if he can win, anybody can! Reservations must be in by Dec. 1st, no reservations will be taken after this date.

Christmas Come True: Rita Waddell reported on this event. This year we are supporting this group, Rita was at the back table handing out 25 gift tags for clothing and 25 tags for toys for a child in Flagler County. This group provides Christmas dinner, new clothing, gifts, toys and Christmas stockings for each child. On the back table, there is a sheet on what you have to do and you can return your gift tag with the gifts or any unwrapped gift you want to donate to their location at 2729 E. Moody Blvd in Bunnell which is across from Wendy's, you can also drop off donations if you wish. Also, accepting the donations will be Dana Syens at CCI Insurance, 4861 Palm Coast Parkway NW, Unit 5, Palm Coast or you can bring an unwrapped toy to the Christmas/Holiday Party. Rita said all the gift tags she had were given out and if you would like one, give her your name and phone number and she will get one for you. Rita wishes all attending the party to have a great time. **NEW BUSINESS:**

Flounder/Redfish Tournament: David Genk and Chuck Riccitello are co-chairs on this one. Chuck Ric. reported that 70 people have signed up so far. The weigh in will be at Herschel King Park. They need volunteers to show up around noon, the weigh in will be at 2 - 3 PM. There will be food and water. Question from the audience was asked about the tides that day, answer was to check our club website for the tide chart on there. Fred emphasized that we need volunteers to run our events. Fred ran the Creekside Kid's Clinic and had 24 volunteer members. Parents that brought their kids to the Creekside event even posted on our website what a great event it was and what fun the kids had. One family shared a picture of their son, who took his free fishing rod and fished behind their house and caught a catfish. The boy was smiling ear to ear!

SPEAKER: Adam Morley

Our speaker is Cpt. Adam Morley, native Floridian, who with his wife, Jeanne, own Genung's Fish Camp in Crescent Beach. He got his Captain's license as a

teenager. Eight years ago, he and his wife started a recycling company. He has a boat called "The Litter Gitter" Matanzas River Keeper that goes from Flagler/ Palm Coast to the St. Augustine inlet and is part of the Water Keeper Alliance, which keeps a body of water clean. He is the Cpt. of Eco Tours that goes out 12 times a month taking 4-6 people on board. The trip is free, but you work it out with sweat equity by helping clean up the waterways litter. He said people are amazed at how much litter is out there, you may not see it right away but when you do, you don't forget it. On one of his tours, in a creek, in 2 hours, they loaded the boat with trash. In 3 years of clean up, he has removed 12 tons of trash. The Litter Gitter is his newest boat and he is able to expand his range now. Since April, they have picked up over 8,000 lbs. To buy his boat, the Community Foundation for N.E. Florida gave him a grant of \$10,000.00 and he said they are looking to give money away. They are looking for waterway projects to help out with. He said you can check Google Maps to see the debris that is in the waterways and that if we use these plastics, we are all at fault. He demonstrated how a regular plastic bucket starts to photo degrade and it breaks into smaller pieces that absorb metals, the toxins from the plastics, go into the plankton that the fish eat. Every week, a credit card's worth of micro plastic is in the air, water and food. Chemicals become a problem and cause a health issue. Waste is not an intentional trash, it comes from unintentional trash, like overflowing garbage pails, animals get into it and spread it and the wind can blow it into the waterways, along with litterbugs spreading it. Eleven states still have a glass deposit tax, with a 98% reclaim rate. Online shopping can contribute by putting a small item in a bigger box or boxes, causing extra waste materials. Classic recycling is not working, need bigger solutions, look for reusable plastics, the cost may be more to the consumer. He said his company is in partnership with Waste Pro, they single out the aluminum & wood for recycling. He thinks we could do a whole lot better at cleaning the water at the water treatment plants before putting it back into the waterway. Need to be proactive on the waste that goes into the landfill and sort it out better, so more items can be recycled first. Question was asked if he goes to schools to educate the children. He wants as many people all ages to be aware of this issue. At Genung's if you bring in your own bait container for dead shrimp, you get a rebate from them. In Volusia County, they are working on a patent for plastic alternatives for straws, for in the future. This is a global issue!

50/50 Winner: Was Walt Macomber and he received \$175.00. Congratulations!

Meeting adjourned at 8:46 PM
