I am sure everyone has had enough coronavirus talk to last a lifetime. By the time you read this, it will be two weeks old, so take it with a grain of salt.

I know you have heard this all before, but the health and safety of our members is paramount. The easiest decision is to just cancel everything until this whole deal is over and go from there. I think you all know we don't ever take the easy way out, so our mission became "how can we keep having fun safely?" Our sport is pretty safe from contracting the virus through community exposure since we are on the boat, beach or pier by ourselves or with people we know. Once we figured that out, we worked on limiting exposure to fellow club members at meetings and events. Hence, the "March Madness" tournament, with no weigh in and no gathering. This may not be as much fun, but we are a fishing club and we will be fishing. Right now, we are looking at something to pull into April, so stay tuned. As of this moment, the April and May membership meetings are cancelled. The Spring Classic will be rescheduled. The Bottom Trip is up in the air. The May Offshore is on, so get offshore and get a trophy catch. A lot of these are works in progress, so keep flexibility in mind, as well as your sense of humor. We need a little

de-stressing, so let's get to it.

We are not taking this decision making lightly, so I wanted to take a minute to let you know that we are using CDC, Federal and local recommendations to make our decisions, regarding our events. We then select the toughest criteria to use in our decisions. A great example right now is that the feds say no meeting events over 50 people. The county says 100 outdoors. The CDC says 10, so we are using 10 at this point in our planning. All of the above can, and probably will change in the coming days, weeks and months, so please monitor your email and our website. Again, it's safety first!

We are here for the long run. I doubt we can run the kinds of events you are used to, but we will be out on the water enjoying the beautiful place we live. Be safe out there and we will see you all on the water from a safe distance.

Chuck

## April Fishing Forecast

**Capt Jim Britton**

**saltytalesfishingcharters.com**

Wow! What a crazy start to spring. With all that is going on in the world (which we should take quite seriously), one of our best outlets is to get outside, in the open air, and enjoy some social distancing via fishing. Whether you enjoy offshore, inshore, surf, pier, or bridge fishing, there is no better way to avoid the new virus craze than to be outdoors in Florida. That being said, we should all be looking to spend locally, over the next few months, more than ever. Local businesses rally in times of need for the local communities, and this is a great time to show our support in return. On to the fishing!

Offshore anglers will continue to find good numbers of quality wahoo into April. The dolphin and tuna bite will really kick off also. All of these species can be caught trolling naked skirt baits or ballyhoo/skirt combinations. While grouper and red snapper will remain closed, bottom fisherman should find plenty of cobia, trigger and black sea bass on the wrecks

and reefs. Live sardines as well as cut bait will work well to entice these fish to bite.

On the local piers and from the surf, black drum and sheephead will be on the decline. However, pompano, bull whiting, and flounder catches should be on the increase. Live sand fleas, as well as, Fishbites artificial strips will be the best baits to trigger bites for these species. Live shrimp is a great substitute when these other baits are not available.

Inshore fisherman should dust off any topwater baits which have not already been "dewinterized." Early morning and late evening should provide great opportunities to catch trophy sea trout, as well as quality slot redfish on these baits throughout the month. Live shrimp, mud minnows, and mullet will all be great choices for natural baits also. As the water continues to warm up be on the look out for that great early morning bite to return!

## APRIL FOOLS FLOUNDER TOURNAMENT

**SATURDAY, APRIL 18, 2020**

The Flagler Sportfishing Club Board of Directors has come up with another alternative, to help our members have some fun, and possibly win some money. As with last month's March Madness, the rules will be:

- 1) There will NOT be a weigh-in at any location
- 2) There is NO sign up – fish all day Saturday and weigh in on Saturday
- 3) Guests can fish with a member with a \$20.00 check made out and mailed to Flagler Sportfishing Club, P.O. Box 35338, Palm Coast, FL 32135-3383 before Saturday, April 18th
- 4) Prizes for the Heaviest Flounder will be as follows:

1 <sup>st</sup> Place \$100.00	4 <sup>th</sup> Place \$60.00
2 <sup>nd</sup> Place \$80.00	5 <sup>th</sup> Place \$50.00
3 <sup>rd</sup> Place \$70.00	6 <sup>th</sup> Place \$40.00

**(AS WITH ALL CLUB TOURNAMENT RULES, YOU CAN WIN ONLY ONE PRIZE)**

- 5) You can weigh in Flounder at any of our weigh stations
- 6) We will collect weigh slips at the end of the month, sort out the winners, and checks will be awarded as soon as possible. In this regard, PLEASE fill out your weigh slips completely and keep your copy. Make sure the time on the weigh slip is the time you weigh in your Flounder, just like we do at a Club weigh-in. As with a regular Club weigh-in, the earliest time weighed in breaks a tie. Please write **"April Fools"** on the weigh slip to help distinguish it from other slips for this particular tournament.

Hopefully you and you family and friends stay safe and healthy!
