FLAGLER SPORTFISHING CLUB

From the Helm—July 2021

by Chris Christian

Summertime is here and the rains have started which we needed so badly. People are still catching fish in the area, so figure out your best options and give it a shot.

Our next meeting will feature the Topic; Night Fishing with Captain Kevin Duckworth showing us various methods to catch some fish. Night fishing is totally different than daytime fishing so until you have done it a few times, do not assume you know everything. Moving around on the water at night is a different experience for sure.

The Litter Gitter is gaining popularity and people are signing up for the trash pickup every 1st Tuesday of the month leaving from Bings Landing at 10am.

May 29th Bottom Trip

After a postponement of two weeks, the club bottom trip aboard the 90-foot Critter Fleet out of Ponce Inlet was held on May 29, 2021. After an hour and half, the boat arrived at a reef 26 miles offshore. Forty-Nine anglers were met by moderate seas and sunny skies with enough of a breeze to make the temperature throughout the day comfortable. The captain made many moves around the reefs to find active fish. Except for Red Snapper, that had to be released, few keepable fish were willing to take an ice bath in the fish box. The mates were helpful and friendly. Members did catch Sea Bass, Grouper, Vermilion Snapper, Mangrove Snapper, Mutton Snapper, Red Snapper, Trigger, Jacks, sharks along with boat load of Grunts. Some members also caught fish that qualified them in the yearlong tournament.

Signup for the Club Overnight Tournament with your newfound knowledge of night fishing and win some cash prizes.

Also, this month the Club will be sponsoring the Annual Kids Clinic at Herschel King on July 24th from 9am until noon, so come and help with teaching the kids the basics of fishing. CCA will be on hand to sign kids up for the Youth Angler Star Competition for a chance on winning a \$5000 scholarship.

See you on the water

June 19th Team Tournament

The annual Team Tournament was held on Saturday, June 19, 2021. 69 attendees were at the weigh-in at Herschel King park.

Many thanks to all our volunteers, especially Frank Meekins who cooked a terrific meal of fried chicken, sausage/peppers & onions, 3 salads, corn on the cobb, and cookies for dessert, and Amy Krisanda, who did most of the organizing and managed the weigh-in activities. And of course, our Weighmaster, Chuck Radloff. Thanks also to Anne Smith, Dale Anderson, Jean Ward, Joe Verille, and Betty Christian. As everyone knows, the lifeblood of the club is the tremendous bunch of volunteers for each event. If you haven't volunteered for a tournament yet, you're missing out!

Recipe of the Month: Smoked Steak

1. Get a good piece of meat; 2" thick Ribeye or Porterhouse.
2. Season with Garlic Salt and Montreal Seasoning. Mix together vinegar, oil, butter and granulated garlic.
3. Let the steaks come to room temperature for an hour or so while the smoker is being readied.
4. Prepare the smoker for cooking
5. Fill your grill with natural charcoal and use an electric start or fire cubes to light. No briquettes and no lighter fluid.
6. Use your favorite wood for smoking.
7. Heat the Grill/Smoker to at least 400 Degrees.
8. Place the steaks on the grill—with lid open and spoon the vinegar and oil solution on the steak and step back. This will flame up for at least 1-2 minutes; then flip and repeat.
9. Once you have a good sear, shut the lid and wait about 5 minutes.
10. Using a temperature probe, wait until the meat is at 130 degrees, take the steaks off and let them rest for 15 minutes. Ready to serve at medium rare.

Tournament Chairman Report by Tim Miller

Well, it is already July. The club has already had six free tournaments. Hopefully, you got a chance to fish one or more of these. If not, we still have five more free tournaments this year.

In case you missed it, we had our Teams Tournament on June 19th. This was another successful tournament thanks to Tournament Chairs, Nick Ward and Amy Beth Krisanda. Members also enjoyed a quality meal thanks to the efforts of Frank Meekins.

Although Bill and Cookie Zimmer did a great job with the Kayak Tournament, turnout was poor and only two members took photos of their fish. If you have any ideas how to make this tournament better, send me an email so we can fix it for next year.

July will see our Overnight Tournament on July 16-17. This tournament gives you a chance to fish and beat the summer heat. You do not have to fish all night. You can fish Friday Evening, Saturday Morning, or any time between 6:00 PM Friday to 10:00 AM Saturday. See flyer in this issue for more information.

July will also see a Red Snapper Tournament. This Tournament is free to club members for the 3-day Atlantic Red Snapper season. If you get out July 9th, 10th, or 11th, get your fish weighed at one of our weigh stations and maybe win some prize money.

The new CPR tournament is in full swing. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. You only need to upload one released fish to be entered into the prize drawings. Then every 5 fish after that will get you more entries.

I am looking for Tournament Chairs for the August, September, and November Tournaments.

Thank you to all the volunteers that helped with club tournaments. Without this help the club would not be able to provide these great events. Be sure to sign up as a helper for the next tournament.

June Weigh Master Report

by Chuck Radloff

The April's Fish of The Month was Pompano and last month I reported that no one had weighed in a Pompano. Later I found out that Bill Anderson did weigh in a Pompano and has chosen to get his \$50 gift card from Hammock Bait & Tackle.

The Fish of the Month for May was Amberjack, which I won, and I have chosen a \$50 gift card from one of our new annual sponsors at Oceanside Beach Bar & Grill. June's Fish of the month is either King Mackerel or Dolphin. I know several members have been offshore catching these fish so we will find out the winner at this month's meeting.

July's Fish of the Month is Flounder.

Our exciting new CPR (catch, photo, release) tournament is underway with some of you already submitting entries. Deborah has a good supply of our official bump boards available to buy for \$20.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home if I am available.

NOTICE - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> by clicking on **Quick Look At Year Long**, and in the latest Chum Line publication delivered by Email.

Thanks for everyone's support, and if you have any questions, please let me know.

July Fishing Report by Captain Tim Jarvis

Offshore starting July 9th Red Snapper season opens. The season is only open for 3 days and closes on July 11th. Ensure you are targeting wrecks, drop offs and ledges

that are 60ft and on. Use the proper weight for the current you are fishing and use non-offset circle hooks. As far as bait, use pinfish or frozen sardines. Make sure you are properly venting the Red Snapper you choose not to keep. Fishing will still be in full swing for Wahoo, Mahi Mahi, and Amberjack.

For Nearshore troll with live pogies or live mullet to target Kingfish and Tarpon. There has been a lot of Bonita, use gotcha plugs, top water plugs and any live bait for consistent action. For our surf and pier anglers, you will also continue to catch whiting, bluefish, flounder, and pompano using sandfleas, fiddler crabs and live shrimp. Free-lining larger live bait or using cut bait could lead you to Kingfish, Tarpon or Sharks.

Inshore anglers, early morning Tarpon, Snook, Redfish and Trout on top water plugs or jerk baits around the oyster bars and grass edges. When it heats up switch to live bait, either popping cork and shrimp and try live mullet or cut bait. Also, you can try the seawalls and docks in the canals or along the

ICW have been holding some nice snapper, snook and flounder. Use quarter ounce jig head with live mud minnow, shrimp, or your favorite plastic bait. Also check the creek holes and creek mouth for Flounder, Trout and Redfish.

June 5th Kayak Tournament

The Kayak tournament this year was hosted by Genung's Fish Camp, and we used the CPR (Catch-Photo-Release) format with 21 entries. It was a difficult fishing day as we all tried our best to catch slot Redfish and Spotted Sea Trout. Thank you to the many volunteers helping with set-up, serving, and tear down just before the rain fell. Special thanks to Cookie Zimmer for all of her food preparation.

We had 30 members at the weigh-in and we all enjoyed the chili dogs, cole slaw, brownies, chips, soft drinks, and watermelon. Only 12 of the registrants were able to get out to fish and only 2 legal Redfish were measured. Many of the fishermen caught several different species of fish including Snook, Flounder and under size Redfish and Spotted Sea Trout. Salt Strong, an online fishing club, supplied us with a package of their excellent Slam Shady Bomber Paddle Tail Lures for all that registered for the tournament. Click [here](#) for winners

Each month the Club sponsors a Litter Gitter Trip to pick up trash in the Intracoastal Waterway area. The Litter Gitter is run by the Matanzas River Keeper and is a volunteer group. Captain Adam Morley is your host and will have everything you need to fill the boat. This is not a member only event, so grab a friend or neighbor to join you in helping out the environment. This is a 2 hour tour and you depart from Bings Landing on the First Tuesday of every month at 10am.

[Click here to sign-up.](#) Next trip is Tuesday, July 6th from 10am-2pm from Bings Landing.

Conservation and Regulation Update

Independence Day is one of my most favorite holidays. Why? I love fireworks and red snapper and July is the month for both. I'll leave the fireworks part to the people who put them on but I will take some time to talk red snapper.

By now you all know the dates, July 9, 10 and 11, and if you have not done this before, get ready for the insanity that goes on offshore that weekend. I have seen 50 boats after red snapper

sink and 100 at 9-mile reef fishing shoulder-to-shoulder with total disregard for others. Keep in mind that everyone and their brother want to catch a red snapper and they show up in anything that floats. Many have no knowledge of offshore fishing, the dangers of going 30 miles offshore in a tiny boat with none of the proper equipment, so beware, be careful, and keep the right attitude. That part out of the way, remember if you are running your own boat, make sure you have one **descending device** aboard and a **State Reef Fish Angler Permit** (FWC calls it a designation) for each angler. One fish per person per day with no size limit and you can be assured FWC, Home Land Security and the Coast Guard will be on the water and strictly enforcing the rules and running safety checks both offshore and at the ramp, so make sure everything aboard is shipshape and up-to-date.

We got off to a rocky start with Marine Discovery Center but we still had about 10 members head down to New Smyrna to build some oyster mats on very short notice. Thanks to all for the participation and if you want a really cool day out, pay them a visit. MDC does some great things with our local fishery that you can see during your visit and even take an eco-tour on their pontoon boat. More to come with them so stay tuned.

That's it for this month.

Tight lines!

Minutes from June Meeting by Carol Carter, Secretary

Meeting called to order by President, Chris Christian
Pledge of Allegiance – Presented by Ron Gorney
Passing of May 04, 2021 Minutes, Motion made by Dean Roberts, seconded by Deborah McGriff

Welcome New Members/Visitors/First Responders – Guests 11 and New Members 1

Welcome Annual Sponsors: No sponsors are at tonight's meeting.

Special Announcements – Chris: Litter Gitter Trip – The Matanzas River Keeper owns the boat, Cpt. Adam Morley takes it out with a crew of 6 people to collect trash, it launches out of Bings Landing. Today the boat went out with Elle, Brian, Jake, Scott, Becky and Lisa, Lisa said it was a highly informative trip and they collected 300 lbs. of trash, they had a good time. Elle & Brian Phillips said they learned a lot about fiddler crabs and jelly fish.

Snook Season: Is closed until August 31st.

Big Sale: See Deborah McGriff, she has Ladies Tank tops on sale for \$5.00, 2021 Classic Tournament shirts on sale for \$15.00.

Kids Clinic: Set for July 24th at Herschel King Park, we need a volunteer to run this event.

Chuck Gleichmann: 3-4 months ago, Chris Christian asked Chuck to do an issue and he worked with CCA on redfish. He took a look at the players and reached out to them. Billions of dollars are going out on restoration projects in Mosquito Lagoon and the Everglades. We want to help Flagler County, we reached out to the CCA and Whitney Labs. Carol Walker got us an appointment with Whitney Labs, University of Florida and Marine Discovery Center is also involved. Oyster Restoration Program is being done at Mosquito Lagoon. Oyster restoration needs to be done in Flagler County, need someone who makes oyster mats at the Marine Discovery Center in New Smyrna to show anyone interested how to make these mats. Kids get hourly credits for volunteering. Check with Chuck Gleichmann and he will give you the information on this program. Learn about environmentalism.

Finance Report: Tim Miller said the finances are looking good, the books have been audited we can cover our debts until the end of the year, and we will give a good donation to the DAV.

Weigh Master Report: Fish of the Month – Chuck Radloff reported last month that the FOM for April was Fla Pompano. One weigh slip was entered, and Bill Anderson won and received a \$50.00 gift certificate. The FOM for May was Amberjack and the winner was Chuck Radloff. In June, the FOM are King Mackerel & Dolphinfish and in July, it will be Flounder. The results of the Year Long Tournament, Leaders - Ladies-Lauren Oakwood, Men-Mark Heffley. Chuck Radloff also mentioned that the Pier Ladies Group takes the pier by storm every week!

Tournament Director Report: Tim Miller said the CPR tournament is going well. The Bottom Trip was rescheduled from May 15 to May 29th. It went well and all who went seemed to enjoy themselves. The Surf Tournament was on May 22nd, fishing was tough, there was a lot of seaweed in the water. Food was very good, it was provided by Heli-Hogs. Reports on both these tournaments are in detail in the June 2021 Chum Line.

Upcoming Tournaments: The Kayak tournament will be on June 5th, weigh in at Genung's Fish Camp, Bill & Cookie Zimmer are the chairpersons, Offshore Tournament, Andy Block, Chairperson, this runs from June 1st until June 30th, contact Andy with your fishing dates at (914) 557-6083. Team Tournament on June 19th must be two people fishing together and come to the weigh in together, chairpersons of this tournament are Nick Ward and Amy Krisanda. Weigh in is from 2-3 PM at Herschel King Park. Details for these tournaments are in the June Chum Line.

Break

Guest Speaker: Capt. Jeff Patterson, Pole Dancer Charters, Ormond Beach

A lot is going on nearshore, some people follow the shrimp boats, look for birds diving down as good places to find fish. The boats dump croakers, and you can scoop up dead or dying fish to use for bait. You can get bonita, sharks, tarpon, and jacks just to name a few. He fishes the inlet and nearshore, uses a 15-16" mono leader and uses fluorocarbon. He buys Walmart leader line 30-40-50 lb. spools for \$5.00; the fluorocarbon breaks easier than the mono. When looking for poggy pods, look for pelicans near the beach, and cobia by the jetties. You can target sharks, flounder, etc., if you can catch them on the pier, they are near the beach. He also uses a 2 oz egg sinker. Bonita are not a good eating fish but they are by the beach. Wind direction, tides, and weather all play a part in whether you will have a good day or bad day of fishing, always be on top of the weather. Download one of the weather apps onto your phone. If fishing for tarpon at the inlet, freeline a live mullet or pinfish, if going after Spanish Mackerel off the beach, use a spoon or small diving artificial bait. The bait in the water will be glass minnows, so try to imitate that bait. Look for big rays if trying to catch cobias. If going after flounder offshore, go around reefs with a sandy bottom, use mud minnows as bait, they are usually on the outskirts of structures. You can catch flounder in 40-60 feet of water but right now they are spawning. If by a structure, cast toward the same area and you can get a lot of flounder from the same spot, they will eat your bait, bump the bait, it feels like a snag, but it might be a flounder, be patient and let it take the bait. He fishes within 3 miles from the beach. He uses an app called Tides for Me and for wind the app is called Windy, it is usually always on target.

50/50 Drawing: Winner of \$185.00 was Carol Carter!
