

# The Chum Line

## FLAGLER SPORTFISHING CLUB

### From the Helm—June 2021

by Chris Christian

Buckle up for some great Club Activities this month with 3 Free Club Tournaments; see the webpage for details or the Chum Line. Summer has arrived and therefore more boat activity on the water, so please be

careful and watch out for the other guy while on the water.

New law in effect for wearing your kill switch lanyard while on plane running your boat. This is a Federal Law and FWC will be watching so please wear your lanyard.

The Club will be supporting The Youth Scholarship Division presented by Academy Sports + Outdoors for any registered angler 6 through 17 years of age (as of May 29, 2021). A lucky youth from Flagler County will win a

\$5,000 scholarship for their college education. Check the website for entry instructions.

A new addition to the Chum Line and the web page is a monthly article on conservation by Captain Chuck Gleichmann. The club is taking an active role in improving our fish habitat in Flagler County so take a look at Chuck's article. We will all learn what we can do to improve fishing in our area.

Remember to sign up for the monthly Litter Gitter trip which is the 1<sup>st</sup> Tuesday of every month at 10am leaving from Bing's Landing. You can sign up on the club website.

Happy Boating and Fishing

Chris Christian

### May 22nd Surf Tournament

First things first, I want to thank the volunteers who helped with the May Surf Tournament at River to the Sea Preserve (weigh-in location). Over a dozen people helped out, making it very easy to keep it somewhat organized and serve a variety of food choices.

The weather for the surf tournament on Saturday was nearly perfect, if you were a fish. Heavy east winds, sandy, rough water, and a dense weed mat made it very difficult to fish. Six fishermen managed to weigh-in fish, leaving 5 spots to fill from show up tickets of club members who fished.

The excellent BBQ (brisket, chicken, pulled pork, sausage, and ribs, plus sides and a banana pudding dessert) was provided by HeliHogs, an aviation and catering company out of Ormond Beach. They also generously provided a helicopter tour of the coast for three people as a raffle item. Other raffle items were a beach cart and soft fish cooler.

[Click here for results](#)

Andy Block won most species with one fish, a 1 lb 8 oz behemoth of a pompano. Andy exclaimed, while accepting the check, "It was the fish of a lifetime for me. I am just happy that I got to share my accomplishment with my friends at the Flagler Sportfishing Club". He will not be submitting the fish for any type of IGFA record.

Ron Gorney won first place with an actual decent fish, a 3 lb. pompano. I did not get a quote from Ron since he is too polite to talk while chewing BBQ.

Dave Genk, who won largest pompano by virtue of having the winning show up ticket, said, "This is a typical tournament for me, I don't weigh in any fish, eat lots of food, except this time I got a check to take home. It was an unexpected surprise to get a check".

## Recipe of the Month: Shrimp de Jonghe

### Ingredients

- 1 stick butter
- 1 lb. peeled and cleaned, large shrimp
- 3 cloves minced garlic
- 1/3 Cup white wine

- 1/3 Cup chicken broth
- Salt & pepper to taste
- 1 Tbs parsley
- 2/3 Cup breadcrumbs

### Preparation

1. Combine butter and garlic in a cast iron pan and cook until butter melts — about 2 minutes.
2. Remove pan and mix in wine, shrimp, breadcrumbs, salt, pepper and parsley.
3. Continue to cook for an additional 5-10 minutes: do not overcook the shrimp.
4. Serve as is as an appetizer or side dish!

## Tournament Chairman Report by Tim Miller

Can you believe it, the year is almost half over? If you have not gotten to enjoy one of our free club tournaments yet, June might be your month.

In case you missed it, we had our 1<sup>st</sup> of 2 Surf Tournaments on May 22, 2021. Members enjoyed an assortment of BBQ meats and sides at the weigh in. Due to poor fishing conditions, only 6 members weighed in fish. This left 5 spots to be filled by members that fished and came to the weigh in. If you fish one of these tournaments, but do not catch fish to weigh in, be sure to come to the weigh in as you might win prize money just for fishing.

Due to bad weather the Bottom trip was moved to May 29<sup>th</sup>. This event gives members a chance at prize money along with possibility of offshore fish for the yearlong tournament.

June has two more free tournaments for club members. The first is a Kayak or other non-motorized boats on June 5, 2021. This is a Catch Photo and Release Tournament. See Flyer in this issue of the Chum Line.

June 19, 2021 is the Team Tournament. This tournament is a team of 2 people, so a great chance to have your significant other fish with you. See flyer in this issue for more information.

The new CPR tournament is in full swing. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. You only need to upload one released fish to be entered into the prize drawings. Then every 5 fish after that will get you more entries.

Use the link below to see all the events for 2021 so you can plan your year with your Fishing Club.

<https://flaglersportfishing.com/wp-content/uploads/2020/11/2021-One-Pager-Calendar.pdf>

Thank you to all the volunteers that help with club tournaments. Without this help the club would not be able to provide these great events. Be sure to sign up as a helper for the next tournament.

## May Weigh Master Report

by Chuck Radloff

The April Fish of The Month was Pompano, but no one weighed in a Pompano.

The Fish of the Month for May was Amberjack, and I am currently in the lead, but we will find out at the June meeting who the final winner is.

June's Fish of the month is either King Mackerel or Dolphin. No, this is not flipper but Mahi Mahi. So, if you can get offshore in deeper water, you should have a chance to win this contest.

Our exciting new CPR (catch, photo, release) tournament is underway with some of you already submitting entries. Deborah has a good supply of our official bump boards available to buy for \$20. Click [here](#) for CPR Information link.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home if I am available. **NOTICE** - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> by clicking on **Quick Look At Year Long**, and in the latest Chum Line publication delivered by Email. Thanks for everyone's support, and if you have any questions, please let me know.

## June Fishing Report by Captain Jim Britton

Offshore anglers, willing to brave the heat, should find a nice variety of species. Bottom fishermen will be able to target grouper, trigger, and

black sea bass. Reports from local wrecks and reefs look promising for these species. Nice sized flounder should also compete for baits dropped down to these same areas. Trolling lures or ballyhoo along weed lines will produce nice numbers of dolphin this month. In the absence of weed lines, try to locate flotsam or a congregation of birds.

Nearshore waters will still be holding bait pods. The usual suspects, cobia, kingfish, sharks, and tarpon should be lurking below the bait – ready to attack anything resembling an injured pogie. Fishing from the piers or the surf, during June, will yield bluefish, flounder, pompano, and whiting. Larger live baits may also tempt free swimming cobia or kingfish from the piers, as well.

Inshore anglers will see a continued increase in the amount of sea trout and snook available. The best bite will be pre-dawn and early morning fishing. On higher tides work

grassy edges with your favorite topwater or subsurface plug. When the water is lower search drop-offs or under docks by drifting a live shrimp or small baitfish for these ambush predators. If redfish is your target, fish around oyster bars during periods of high water, and try fishing the banks of the ICW when the tide drops out. June is a good month for targeting ladyfish and jacks also. While these fish are not good table fare, they can be a lot of fun, and can be caught from shore or in a boat.

Finally, I would like to thank all whom have read this report over the years. It has been my pleasure to provide knowledge from my fishing colleagues, as well as my personal knowledge. This being said, I will be turning this column over to an extremely capable friend and captain, Captain Tim Jarvis. I feel that the club will benefit from a fresh perspective and reporting style. Thank you again and tight lines!

Capt. Jim Britton-  
[saltytalesfishingcharters.com](http://saltytalesfishingcharters.com)

Each month the Club sponsors a Litter Gitter Trip to pick up trash in the Intracoastal Waterway area. The Litter Gitter is run by the Matanzas River Keeper and is a volunteer group. Captain Adam Morley is your host and will have everything you need to fill the boat. Grab a friend or neighbor help out the environment. This is a 2 hour tour and you depart from Bings Landing on the First Tuesday of every month at 10am.

[Click here to sign-up.](#) Next trip is Tuesday, June 1st from 10am-2pm from Bings Landing

## Conservation and Regulation Update by Captain Chuck Gleichmann

Captain Tim Jarvis has moved on to the "Chum Line Fishing Report" and I have been asked to take over for him on the regulatory and conservation fronts. I hope I will be able to adequately fill his shoes from this point on.

Conservation as it pertains to fishery management and water quality are a couple of my passions, so you are going to hear a lot about that going forward. Same for regulatory issues and I plan on keeping our members informed of the ever changing legal and political issues that affect our sport. I am also going to concentrate this column solely on our home inshore and offshore waters and communities, so if you are traveling and need some input as to regulations you can give me a call, since you will no longer find it here.

Manatee speed zones in Flagler, Volusia and St Johns County kicked in on May 5<sup>th</sup>. That's old news but the new news is that our manatee population is actually increasing and on the move. The sea cows are looking for food and moving our way since their food supplies to the south are dying. I have literally bumped into manatees in places I had never encountered them in the 15 years I have lived here. Please be extra careful on the flats and in the creeks since these animals are not the brightest bulbs on the planet. Same for the ICW and the docks there. We have manatees grazing a couple of days a week at our house.

Click here to see the zones in Flagler County.

**Manatee Zones Maps—Flagler County**  
**[FWC Manatee Protection Zones - Maps \(myfwc.com\)](http://myfwc.com)**

Kill switches or EOCS as the feds call them, became required on all boats below 26ft without a wheelhouse April 1, 2021. Again, old news but the new news is that our local and federal law

enforcement agencies have moved beyond the "educational" stage to the enforcement stage. So please wear your lanyard any time the boat is on plane. This is a federal law and you can check the specifics on the US Coast Guard website. **[For more information on the new law click here to visit the ECOS FAQ section](#)**

That's about it for this month but stay tuned; we are working on some pretty cool projects to help improve our water quality and fishery.

Tight Lines!

## Minutes from May Meeting by Carol Carter, Secretary

**Meeting called to order by President, Chris Christian**

**Pledge of Allegiance – Presented by Ron Gorney**

**Passing of April 06, 2021 Minutes, Motion made by Dean Roberts, seconded by Carol Carter**

**Welcome New Members/Visitors/First Responders – Guests or New Members 7**

**Welcome Annual Sponsors:** Sponsor present at this meeting is Dana Syens-CCI.

**Special Announcements – Chris:**

**Officer Elections** – The same officers are still in office, except Darla Allison, the Treasurer. We are looking for someone to fill her job. Tim Miller will be temporarily handling the job for now.

**Annual Classic Recap:** Dana said there were 100 anglers, Peter Bessette, Jeanie Bessette and Chris Christian were involved in the raffles and Silent Auction, Dean Roberts and Amy Krisanda gave out the bags and tournament shirts, registration was handled by Betty Christian, Marcia Fisher, Carol Carter, Andy Zook. Tim Miller and Gary Fisher handled assigning the boat numbers. Darla Allison ran credit cards for the new members and the people registering that night. Chuck Radloff & Mike Crotts helped with the weigh in. CCA was there to make sure the live redfish got into the tank that Leiza Fitzgerald had on hand. A big thanks to all the volunteers that helped this to be a success.

**Membership Cards** – Chris said in a couple of weeks they will be out.

**Reports – Finance Report:** Chris reported that there is an opening for Club Treasurer, it is a 1-year term, if anyone is interested, please see Chris or Tim.

**Weigh Master Report: Fish of the Month** – Chuck Radloff reported the FOM for April was Fla Pompano, but no one weighed one in. The FOM for May is Amberjack. The results of the Year Long Tournament, copies are on the back table. Leaders - Ladies-Lauren Oakwood, Men's-Mark Heffley.

**Tournament Director Report:** Tim Miller said the CPR tournament is going well. We have tournaments coming up, May 15 Bottom Trip 95' boat, Critter Fleet leaves at 7 AM, 6:30 AM is drawing for fishing spots at back of the boat. Surf Tournament is on May 22<sup>nd</sup>, fishing 7 AM – 2 PM, weigh in will be from 2 PM – 3 PM at River to Sea Preserve on A1A, Heaviest fish wins and a Bonus for the largest Pompano. Mark Heffley will chair this event. Raffle prizes will be 2 helicopter trips ( a \$318.00 value), a surf cart and Calcutta bag. He needs volunteers to help with the raffles, 50/50 sales, food dist. and more. Mark has been club angler for 2 years and he is training a ladies group on the pier.

**Break**

**Guest Speaker: Noel Kuhn [surfishingnoel@gmail.com](mailto:surfishingnoel@gmail.com) – [thesurfangler.com](http://thesurfangler.com)** Noel has been walking the beach for 45 yrs. Jeff Rafter was his mentor 18 years ago. He said redfish are in the inlet, 40 lb. fish in the surf. Shrimp is the bait of choice because all fish will eat shrimp. Whiting, Pompano, and reds like sand fleas and in the fall use crab. Cut your bait ¾" long to match the hatch. Fresh bait is best to use on clams, get the biggest ones you can, crack them, they have 2 parts foot and rest is the belly. Cut across the foot and you will get part of the foot and part of the belly. He gets 3 baits off one shrimp, cut off the fan on tail, take off the horn and eyes. He uses a 2-ought circle hook, go side to side through the tail and then go sideways again. Read the beach, watch the waves, and look for a runout or a riptide, the deepest through or a bowl created by the waves. Fish are in or outside of the runout. In the afternoon, after 1 PM with the sun behind you at low tide, you can see a runout wearing polarized glasses, look for darker water. Where the water breaks towards each other it will get smaller and diminish, you can also look for bubbles or silt on a calm day to find where the fish are. The best time to get Pompano is at sunrise they like the sunlight. In the spring & fall, fish feed all day long, he does not fish after 10 AM, give it 20 minutes where you are, if no fish, move to a better spot. Tackle – not all rods are made the same, carbon & graphite stores energy, fiberglass rod does not cast as far. A 13' rod with a 5 oz. sinker can go 500 feet. He fishes with mono; braid can tangle, and you lose fishing time. He uses 14 lb. mono with a 5 oz sinker and a 20-foot, 50 lb. shock leader on his rods. He uses Fish Bites but because nothing in the ocean bait wise is rectangular, he cuts it into a circle like a crab would be. Put a piece of Fish Bite on with your bait. You can contact him online at [thesurfangler.com](http://thesurfangler.com) – he gives casting lessons and is a guide who is currently booked up through June. **50/50 Drawing:** Winner of \$100.00 was Tim Mott.
