From the Helm June 2020

For those of you who have not caught my YouTube update, here are some of my comments:

Financials: We have just finished our membership renewals and they came in right on budget. Based on what's going on in our world right now, it's no surprise our annual sponsor support came up short compared to last year. Fortunately, we have put money away each year for a rainy day, and that day is here. Be assured we do have more than sufficient funds to carry on and we intend to do so.

June Tournaments: We will run our June tournaments in some form. The Kayak Tournament is June 6th and the weigh-in will be at Genung's Fish Camp. Look for more specifics further on in this Chum Line. The Surf Tournament is still a little up in the air as far as the weigh-in location is concerned, but will be a go on June 20. That flyer is in here as well. Check our website and your email for the latest information.

July Activities: We fully expect to be back at the VFW for our July meeting and plan on having a welcome back celebration, if possible. The July meeting is also for the election of club officers, so please make sure you attend, and be ready to vote for the best candidates. Our Kids Clinic, which is typically held in July has been moved to October, so keep your eyes open, as more information is to come.

It sure looks like we are getting back into some form of normalcy, but let's not get too carried away. Social distancing, masks or buffs still need to be used when suggested, and we will continue to be guided by our governors' directives. The VFW and the county will have requirements as well, and I expect club members to follow them to the letter to keep everyone safe.

See you all on the water.

Chuck

June Fishing Forecast

Captain Jim Britton

saltytalesfishingcharters.com

Offshore anglers willing to brave the heat, should find a nice variety of species. Bottom fishermen will be able to target grouper, trigger, and black sea bass. Reports from local wrecks and reefs look promising for these species. Nice sized flounder should also compete for baits dropped down to these same areas. Trolling lures or ballyhoo along weed lines will produce nice numbers of dolphin this month. In the absence of weed lines, try to locate flotsam or a congregation of birds.

Nearshore waters will still be holding bait pods. The usual suspects, cobia, kingfish, sharks, and tarpon, should be lurking below the bait – ready to attack anything resembling an injured pogie. Fishing from the piers (which should be open by publication, hopefully) or the surf, during June, will yield bluefish, flounder, pompano, and whiting. Larger live baits may also tempt free swimming cobia or

kingfish from the piers, as well.

Inshore anglers will see a continued increase in the amount of sea trout and snook available. The best bite will be pre-dawn and early morning fishing. On higher tides work grassy edges with your favorite topwater or subsurface plug. When the water is lower search drop-offs or under docks by drifting a live shrimp or small baitfish for these ambush predators. If redfish is your target, fish around oyster bars during periods of high water, and try fishing the banks of the ICW when the tide drops out. June is a good month for targeting ladyfish and jacks also. While these fish are not good table fare, they can be a lot of fun, and can be caught from shore or in a boat.

Weighmaster Report for June

Francis Dougherty won the Fish of the Month for April with his 2 pound 14 ounce Pompano and has chosen a gift card for Captain’s BBQ.

May’s Fish of The Month was Amberjack, but no one weighed in an Amberjack. I am pretty sure some were caught but didn’t get weighed in.

June’s Fish of the Month is King Mackerel.

May’s offshore contest was extended to June 15th due to the poor weather offshore during the month of May, so I don’t have results yet.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home if I am available.

NOTICE - The overall species Leaders and Full Point Standings are updated at the end of each month on our website <http://www.sportfishbase.com/members> and in the latest Chum Line publication delivered by Email.

Thanks for everyone’s support, and if you have any questions, please let me know. Chuck Radloff – Weighmaster - (386) 569-1584

FLAGLER SPORTFISHING CLUB

MAY MAYHEM PHOTO BINGO SCAVENGER HUNT RESULTS

There were seven different bingo games to play as shown above with each payout. I had a lot of fun looking for the butterfly in some photos and, also, for the bird in flight in others. The four corners on all cards contained information about our Club: Picture of One of Our Weigh Stations, Picture of One of Our Annual Sponsors, Picture of Our Monthly Meeting Location, and Club Colors. BTW Club Colors is our logo – see above! This was a difficult task on our part because most people did not state which bingo game they were playing and waited until they got photos of all twenty-four squares. Based on this, the time that the email was sent with all photos attached was used to determine winning placement. We hope you had fun!!!

FIRST AMENDMENT
TO
AMENDED BYLAWS AS OF MAY 3, 2016
OF
FLAGLER COUNTY SPORTFISHING CLUB, INC.
D/B/A FLAGLER SPORTFISHING CLUB

This Corporation adopts the following First Amendment to its Amended Bylaws dated May 3, 2016, to wit:

1. Article II - Section 5 shall be deleted in its entirety and amended to read as follows:

SECTION 5: In the event of the dissolution of the club, assets shall be distributed only for one or more exempt purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code, or shall be distributed to the federal government, or to a state or local government, for a public purpose.

2. New Article IX shall be added to read:

ARTICLE IX – CONFLICT OF INTEREST

SECTION 1 – PURPOSE. The purpose of the conflict of interest policy is to protect this tax-exempt organization's (Organization) interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

SECTION 2 – DEFINITIONS

A. **Interested Person.** Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

B. **Financial Interest.** A person has a financial interest if the person has, directly or indirectly, through business, investments, or family:

1. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement.
2. A compensation arrangement with the Organization or with any entity or with any entity or individual with which the Organization has a transaction or arrangement, or

3. A potential ownership or investment interest in, or compensation Arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.
4. Compensation includes direct or indirect remuneration as well as gifts or favors that aren't insubstantial. A financial interest isn't necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

SECTION 3 – PROCEDURES

A. Duty to Disclose. In connection with actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

B. Determining Whether a Conflict of Interest Exists. After disclosure of the financial interest and all material facts, and after any discussion with the interested persons, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

C. Procedures for Addressing the Conflict of Interest.

1. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
2. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
3. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain, with reasonable efforts, a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
4. If a more advantageous transaction or arrangement isn't reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Organization best interest, for its own benefit, and whether it is

fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

D. Violations of the Conflict of Interest Policy.

1. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
2. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

SECTION 4. RECORDS OF PROCEEDINGS. The minutes of the governing board and all committees with board delegated powers shall contain:

A. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.

B. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

SECTION 5. COMPENSATION.

A. A voting member of the governing board who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.

B. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.

C. No voting member of the governing board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

SECTION 6. ANNUAL STATEMENTS. Each director, principal officer, and member of a committee with governing board delegated powers shall annually sign a statement which affirms such person:

- A. Has received a copy of the conflict of interest policy.
- B. Has read and understands the policy.
- C. Has agreed to comply with the policy, and
- D. Understands the Organization is charitable and in order to maintain its federal tax exemption it must engage primarily in activities that accomplish one or more of its tax-exempt purposes.

SECTION 7. PERIODIC REVIEWS. To ensure the Organization operates in a manner consistent with charitable purposes, and doesn't engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- A. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
- B. Whether partnerships, joint ventures, and arrangements with management organizations conform to the Organization's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and don't result in inurement, impermissible private benefit, or in an excess benefit transaction.

SECTION 8. USE OF OUTSIDE EXPERTS. When conducting the periodic reviews, as provided for in Article VII, the Organization may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.

3. Except as expressly modified hereby, the Amended Bylaws of the Club dated May 3, 2016 shall remain in full force and effect. If there is any discrepancy between the provisions of this Amendment and the provisions of the Amended Bylaws dated May 3, 2016, the provisions of this Amendment shall control.

Signed this ____ day of _____, 2020.
