FLAGLER SPORTFISHING CLUB

From the Helm—May 2021

by Chris Christian

Wow! The Club is really going to be busy in the coming months. After just completing a successful Spring Classic which had one of our members, Chuck Dykes winning the Trout Division. Dana Syens and Peter

Bessette chaired the Tournament and just did a wonderful job. For new members, it's hard to keep up with everything that the Club has to offer so please refer to the website to see what interests you the most and jump in. The Catch Photo and Release (CPR) Tournament is really going well so please check out the website under the Fishing Tab and start getting credit for the fish you release.

May is the Month for our Bottom Trip, so please click the Big Boat on the website if interested and sign up and pay. Also, this month is our Club Surf Tournament, May 22nd, and is being run by Mark Heffley. He has some great raffle prizes to raffle

off. Remember, you can always buy raffles in advance on the website.

The Club is going through some positive change due to growth in the coming months, and it is mainly to streamline our operations processes. Our Club works with great volunteers that dedicate a lot of time to keeping our club clicking. We are all like a duck on the water cruising along but what you do not see is the duck's legs under water which are paddling like crazy.

The Clubs strategic direction is being evaluated to benefit our community and county fish habitat. This is a long process as you might imagine, but a team is being built and if you would like to join in on this, contact me and I will hook you up. Stay tuned as more information will be coming out.

25th Annual Spring Classic Tournament

The Annual Classic Fishing Tournament was held on April 23rd and 24th this past week and was a huge success for the Fishing Club and for the Disabled American Veterans (DAV). The chairpersons for this event were Dana Syens and Peter Bessette and they were assisted by the Flagler Sportfishing Club members as it takes a large team to put an event this size on every year. This year's tournament was held in Memory of Rita Waddell who passed away this past year and had been one of the Chairpersons for the last 3 years for the Classic. The weekend event started with a Captains Meeting and Silent Auction held at the VFW of Palm Coast. Many auction items were on display and the bidding was fierce for 5 fishing charters from our local Captains. Anglers registered that night and picked up their bags and shirts with a total of 100 anglers to compete.

The next day was gorgeous and the competition was just as hot. Redfish, Trout and Flounder were being brought into Bings. CCA provided an independent weighmaster to team up with our weighmaster to allow the weigh-in process to go smooth as it could be, and Coastal Conservation Association (CCA) was on hand to capture the live fish for quick release back into our local habitat. The weigh-in ended at 4:30 PM and while the officials tallied the weights and fish, raffle winners being drawn. Lots of people, both member and non-member, went home with raffles.

Click [here](#) for the winners.

Recipe of the Month: Grilled Fish Fillets

Ingredients:
4 fish fillets
Olive oil
Salt and pepper to taste

1. Set up a direct heat, two-zone, medium-hot fire. When the coals are ready, replace the top grate and allow it to heat up.
2. Scrub and oil the grate. Dip a folded paper towel in cooking oil and oil the entire clean grate using long-handled tongs.
3. Rinse the fillet in cold water and pat dry with a paper towel. Run your fingers over the fish, feeling for bones, and remove them with kitchen tweezers. Very lightly oil both sides of the fillet with cooking oil. Season the fish as you like. Keep the fish refrigerated until the coals are ready—you do not need to bring fish fillets to room temperature before grilling.
4. If the skin is on one side of the fillet, place the fillet skin-side down first. You need to get a good sear on the fish to prevent sticking. Do not move or turn the fillets for the first two

minutes. When it's time to turn, be sure to use a wide spatula — or two spatulas facing each other—and gently roll the fillet over as opposed to flipping it. Only flip once. If you want to grill very delicate, thin fillets, lay some slices of lemon or orange on the grill first, instead of putting delicate fillets directly on the grates.

5. Fish fillets have a very small window of doneness, so don't walk away from the grill. The time it takes to grill a fish fillet varies greatly with thickness, but a general rule is 10 minutes per inch of thickness. Use a knife to check the center of the fillet when it's nearing done. For thin fillets, when the meat is consistently opaque and flakes easily, it's done. For thick fillets, you want to remove it when the middle is just slightly translucent, because thicker fillets will continue to cook for a few minutes after you remove them from the grill.

Prep time: 45 min; **Cook time:** 20 min
Servings: 4

Tournament Chairman Report by Tim Miller

Welcome to May. Your club is busy working on providing great tournaments to enjoy.

The 2021 Spring Classic is now in the books and club members were in

the mix of winners. Thanks to this event, the DAV will receive some much-needed funding.

The month of May will see the club Bottom Trip on May 15. This event gives members a chance at prize money along with possibility of offshore fish for the yearlong tournament. See flyer in this issue for more information.

May also brings the first of two surf tournaments on May 22. Get out and try your luck in the Surf. See flyer in this issue for more information.

The new CPR tournament is in full swing. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. You only need to upload one released fish to be entered into the prize drawings. Then every 5 fish after that will get you more entries.

Use the link below to see all the events for 2021 so you can plan your year with your Fishing Club.

<https://flaglersportfishing.com/wp-content/uploads/2020/11/2021-One-Pager-Calendar.pdf>

Thank you to all the volunteers that helped with club tournaments. Without this help the club would not be able to provide these great events. Be sure to sign up as a helper for the next tournament.

Tim Miller—tdtmiller@yahoo.com

April Weigh Master Report

by Chuck Radloff

The March Fish of The Month was spotted seatrout won by Bill Zimmer. The Fish of the Month for April was Pompano. We will find out at the meeting who the final winner is. May's Fish of the month is Amberjack. So if you can get off shore over some of the wrecks you should have a chance to

win this contest.

The weigh slips will be collected on the 1st or 2nd day of each month from now on so the website will be up to date through the end of the month by the time of our meeting.

You can now check the Year Long Standings online by going to Our web site and clicking on QUICK LOOK AT YEAR LONG and then logging in. Or you can go to the public site and under Home, Fishing select Quick Look at Year Long Standings.

Our exciting new CPR(catch, photo, release) tournament is underway with some of you already submitting entries. Deborah has a good supply of our official bump boards available to buy for \$20. Click [here](#) for CPR Information link.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home if I am available. **NOTICE** - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> and in the latest Chum Line publication delivered by Email.

Thanks for everyone's support, and if you have any questions, please let me know.

May Fishing Report by Captain Jim Britton

It seems that our spring is finally here in full effect! The forecast will be much the same as April, plus more. By "more" I mean we should all be catching

more fish, plus expecting more species.

On the beach, anglers can expect more blue fish, more pompano, and more Spanish mackerel, as well as the usual whiting and occasional redfish and black drum. From the piers, the bite will be much the same. However, as the month progresses be on the lookout for a shot at a kingfish and tarpon.

Inshore Anglers it is time to dust off your favorite topwater plug. Hit your favorite flat, early in the morning, for some exciting redfishing or target creek mouths and drop-offs for speckled sea trout. After chasing the

topwater bite, anglers can target flounder as the day warms up. For the flatties, target deep holes with moving water using a ¼ ounce jighead and a small mullet or mud minnow.

Offshore Anglers should not have to travel far for some exciting battles. Kingfish and cobia will be found on the beach and on the wrecks and reefs (make sure to have some pitch baits ready on some spinning gear). While fishing these waters, be on the lookout for sailfish as they too move in with the warmer water. Deep water anglers will be greeted by more dolphin. Recent reports have most bites coming on ballyhoo rigs. Small pink and white skirted baits are working also. An occasional wahoo or blackfin tuna may still find its way into the spread also.

Good luck on the water and remember - fishing is fun, have a blast!

Conservation and Regulation Update by Captain Tim Jarvis

Florida's recreational and commercial stone crab seasons in state and federal waters will end May 2, with the last day of harvest being May 1. This annual season closure date was modified last year as part of a suite of changes that were made in response to a

long-term decline in harvest and because the stone crab fishery is likely undergoing overfishing. These changes are intended to increase the stone crab population and build resiliency in the fishery.

The following species will reopen to recreational harvest May 1 in Florida state and federal waters of the Atlantic: hogfish; blueline tilefish; gag, black, red, yellowmouth and yellowfin grouper; scamp; red hind; rock hind; coney; and graysby. Hogfish will remain open through Oct. 31, 2021, on the east coast of Florida as well as south and east of Cape Sable on the Gulf coast. Blueline tilefish will remain open through Aug. 31, 2021 and the other grouper species will remain open through Dec. 31, 2021, on the east coast of Florida and all state waters off Monroe County.

The 2021 season for recreational anglers fishing from private vessels in Gulf state and federal waters and charter for-hire operations who do not have a federal reef fish permit (can fish in state waters only) will be June 4-July 28. If you plan to fish for red snapper in state or federal waters from a private recreational vessel, even if you are exempt from fishing license requirements, you must sign up as a [State Reef Fish Angler](#) (annual renewal required) at [GoOutdoorsFlorida.com](#). The 2021 recreational red snapper season for federally permitted charter for-hire operations will be June 1 through Aug. 2 (closed on Aug. 3).

On the Conservation side...Over the past several months I have been tagging Redfish for Whitney Lab in Marineland. Whitney Lab is conducting research on the movement of Redfish.

If you happen to come across one of these please call the number on the tag. They will ask you for the weight, length, and location of where the fish was caught. You will also receive a reward. Please make sure you release these fish to keep the research underway.

Each month the Club sponsors a Litter Gitter Trip to pick up trash in the Intracoastal Waterway area. The Litter Gitter is run by the Matanzas River Keeper and is a volunteer group. Captain Adam Morley is your host and will have everything you need to fill the boat. Grab a friend or neighbor help out the environment. This is a 2 hour tour and you depart from Bings Landing on the First Tuesday of every month at 10am.

[Click here to sign-up.](#) Next trip is Tuesday, May 4th from 10am-2pm from Bings Landing

"Pier Gals"

Wendy, Christine, Carol & Amy

Minutes from April Meeting by Carol Carter, Secretary

Club Meeting Minutes 04-06-2021

Meeting called to order by President, Chris Christian
Pledge of Allegiance – Presented by Ron Gorney
Passing of March 02, 2021 Minutes, Motion made by Dean Roberts, seconded by Peter Bessette.

Welcome New Members/Visitors/First Responders – Guests or New Members 13 (which included 4 children)

Special Announcements: Nominations: Presentation of the Big Check in the amount of \$5,000.00 for the CCA Star Youth Scholarship was presented to Luke Thomas and his mother, Deb. Chuck Gleichman was the force behind the club's involvement in this scholarship. Luke wants to be a game warden. Leiza Fitzgerald from CCA, said this year \$600,000.00 was awarded. Luke can fish again this year and try to get more money for his future endeavors. **Officer Nominations:** Forms for nominations for positions of Weighmaster, Quartermaster, Secretary and Sgt. At Arms were available at this meeting. Please nominate anyone you would like to see in these positions or yourself if you are interested. Election will be at the May 4th meeting, or you can also mail in your vote. Nomination box is at the back of the room. In order to run, you must be a club member for 1 year. **Annual Classic:** Captains Meeting will be Fri., 4/23 at the VFW, silent auction, raffles, 50/50 will start at 5:30 pm, Cpts. Mandatory meeting starts at 7 PM. Tournament is on Sat., 4/24/2021 fishing from 7 -8 AM, weigh in at Bings Landing from 3 PM – 4:30 PM. Dana said the goal for this year is bigger and better, we raised \$25,000.00 a few years ago. Participate any way you can, we need boat check out people, and help with set ups, please sign up to volunteer. Our benefactor is the DAV, the money we gave them last year, was the only money they received. Sign-up sheets in the back. **New Annual Sponsors:** Sponsors present at this meeting are Dana Syens-CCI and Mike Vickers, Jr.-Hammock Bait & Tackle.

Reports – Finance Report: Darla reported the renewals are trickling down, if any information i.e.: address, telephone number, email has changed to let her know. She said there is money in the bank and the bills are paid.

Weigh Master Report: Fish of the Month – Chuck Radloff reported that Mark Heffley is in the lead in the men's division and Anna Pagliro is in the lead in the lady's division for the Year Long Tournament. The April Fish of the Month is a Florida Pompano. A person is needed to pick up weigh slips from our weigh stations, if anyone can help out, please let Chuck Radloff know. Chris Christian reminded everyone that when plaining in a boat, it is a new FWC regulation that you must be wearing a outboard motor kill switch. Capt. Adam Morley will be running trips on the Litter Gitter the first Tues. of the month, he can only take 6 people on each trip.

Tournament Director Report: Tim Miller said the CPR tour-

namment is going pretty well, need a club bump board to enter your fish. You get a prize for entering even just one fish and then you get a prize for entering 5 fish or more. Tim has 75 fish that he has entered and have been released. Count the Spots Tournament, held on March 27th, was chaired by Bill Moore, Carol Webb & Bruce Tilley. The weather cooperated, there was good food, great prizes and a good number of fish caught. Club Bottom Trip will be held on May 15 on the boat, Critter Fleet, cost will be \$85.00, which is cheap, the normal price would be \$110.00. There will be a big fish jackpot of \$500.00 and a Calcutta, there will be a limit of 65 members. Friends can go for \$110.00 after the members. Tip is included. The club subsidizes this trip. The boat provides bait, rods & reels or you can bring your own, but no braid line is allowed, there will be no food provided, bring your own. The boat leaves Ponce Inlet at 7:30 AM, there will be a drawing on the boat for spots at the back of the boat. A small cooler of 18" overall is allowed, 1 per person, there is A/C in the cabin. Follow the speed limits, there are speed traps set up. Register w/Tim Miller asap with payment, this trip fills up fast!

Break

Guest Speaker: Tournament Angler Carlos Garcia: Carlos's topic tonight is How To Prepare for the Spring Classic. Target your species of fish, he gets bigger fish using artificial baits. On 4/24, he said the high tide will be at 8:30 AM and the low tide outgoing will be at 3:30 PM. First thing is to go to shallow water in creeks, check the tides for the creeks, Flagler should be perfect with lots of bait. In a high tide condition, look for birds and bait. He handed out buffs to the two anglers who got the answer of what to look for in the high tide conditions. If you do not see bait, move to another location that has bait. Start with a top water plug, he uses the color Chartreuse with beads on it, get on a grass line, run it parallel and walk the dog. If over an oyster bed, get close to the grass edge on top. He uses Procure on hard/soft baits and the fish will attack, recommends Bloody Tuna flavor, also Lady Fish, Mullet or Shrimp flavors. For trout, use a popping cork w/ shrimp or artificial bait as the tide goes out, look for deeper troughs to find Black Drum. Use live shrimp on a jig head for drum. For bigger fish he recommends a Penetrator hook, wait for low tide for redfish w/a big paddle tail with a weedless hook. Confidence bait is one you feel good throwing. In low water, use scents, find what works for you. If water is muddy, use jerk shad, Chartreuse color, in clear water use smelt color. In lower water you do not want a big bait, be subtle, let it sit so they can smell the scent. He does not scent the Gulp baits; they are already scented. He uses a 7-foot rod, a top water plug, 10 lb. braid, 20 lb. fluorocarbon 24" leader w/a loop knot on the hook, it goes a long way. Fish with the equipment you like.

50/50 Drawing: Winner of \$165.00 was Amy Krisanda
Meeting Adjourned at 8:52 PM

BOATS FOR SALE!!

2020 Hell's Bay \$72,500

2020 Carbon Fiber deck Marquesa for sale. Includes Ramlin Aluminum swing tongue trailer. Only put 27 hours on her since delivery. This was a custom build with carbon fiber deck and hatches. No expense was spared/no option missed. Built for double duty - fishing and sandbar after you're done. The hull color is Sea Foam Green, and the deck is Aqua Mist. Seat cushions are chalk and made with high density foam. Covers for both the console and backrest. The Mercury 115 Pro XS just had the 20-hour service done by a certified Mercury Dealer. It has just about every option Hell's Bay offers except the bolt on cushions. These are removable. Aft compartments and console have been lined with Dri-Dek. PowerPux trolling motor mount. Complete build sheet available upon request.

Quick Tips for FSC

- ♦ The Chum Line newsletter is delivered to your inbox each month to inform you of all Club activities.
- ♦ The Club website, <https://flaglersportfishing.com>, contains valuable up to the minute information on all activities that the club has to offer.
- ♦ Our Facebook page and Instagram pages are <https://www.facebook.com/flaglerflorida> and https://www.instagram.com/flagler_sportfishing_club/
- ♦ The Club provides Quick Tips Videos on YouTube to help introduce our members to the various types of fishing that is available in the area.
https://www.youtube.com/channel/UCFNBBHdslcOH7xr_0VwB8qg
- ♦ Electronic communications come out every month called the "Fishing Line" with the upcoming events for the Club.
- ♦ A monthly meeting is held at the VFW on the 1st Tuesday of every month with excellent speakers to improve your fishing knowledge and techniques.
- ♦ You can attend wonderful social events like ice cream socials, chili cook-offs, family picnics, holiday parties and so much more.
- ♦ You can participate in 10 free fishing tournaments, plus one for-fee charity event during the year as well as a Free Kid's Clinic.
- ♦ FSC takes pride in community through FSC's gifting commitment to Veterans' organizations, UF's Whitney Laboratory, Coastal Conservation Association, and other diverse nonprofit organizations.
- ♦ You can find the Current Calendar for 2021 at <https://flaglersportfishing.com/events/>
- ♦ Get instant standings of the Yearlong Tournament at <http://sportfishbase.com/members/quickLogin.php>
