

The Chum Line

FLAGLER SPORTFISHING CLUB

From the Helm—January 2022

by Chris Christian

A great year comes to an end for the Club and a new year begins. I hope everyone had a glorious Christmas and New Year's, as we all realize we live in a great place in Florida.

Our first meeting is set for **January 4th** at the VFW and will feature a Chili Cook-off, see details in the Chum Line. Also, a new addition to the first Annual Meeting will be a year in review. So much activity occurs that it is hard for anyone to keep up with it all, but we do, and we want to share the annual activity and financials of the Club with any members who are interested.

For those who don't know, the Club holds 12 free tournaments for the members every year with at least 1 per month. These tournaments are very competitive, and the weigh-ins are fun to attend, with the club providing food for your enjoyment. The first tournament in this year will be the Sheepshead Tournament and you can sign up online. Bill Zimmer will be running the tournament.

Please read your Chum Line every month and keep an eye on the website for updates or changes. We are in the process of changing the website and so far, it looks great and much easier to maintain..

Hope to see everyone at the Meeting,

Chris Christian

Annual Christmas Party

Thanks to everyone who came to the Christmas Party! I do believe that a good time was had by all. It was a festive occasion with a full house, 30+ Raffle items, Cooler of Christmas Joy, 50/50 and a live band, Southern Chaos. Many thanks to those who picked up tags to help Christmas Come True provide families in need with presents for their children.

I want to give a BIG "Thank You" to my Santa's Helpers, Quinn Bui, Deb Marincio and Wendy Jackson, for all of their help. They managed to provide a great variety of Raffle prizes and are the best at selling a record number of tickets for all prizes even while managing their own family Christmas duties.

Wishing everyone a very Happy New Year in 2022!

Tournament Chairman Report by Tim Miller

Happy 2022 to all our club members. With the start of a new year our Annual Tournament starts over. This is your chance to win a prize and bragging rights in one of the 23 species. See the club web site for complete list of eligible species along with the club rules.

The 2021 Annual Catch Photo and Release tournament (CPR) was a success. A total of 360 legal fish were released back into our waters by 22 anglers. For 2022 let's see if our club can double the number of members releasing fish. Rules for this tournament can also be found on our web site.

Our first tournament will be the Sheepshead Tournament on January 22, 2022. See flyer

included in this issue with all the information. With \$700.00 in prize money, this is an opportunity to win money to cover your 2022 dues. Use the link below to see all the events for 2022 so you can plan your year with your Fishing Club.

Would you like to control the food and payouts for a tournament? Sign up to run one of the club free tournaments and you will be in control. Running a tournament is easy and a great way to meet members. Send me an email or talk to me at the next club meeting and I will give you all the details.

December Weigh Master Report by Chuck Radloff

The November Fish of The Month was Snook, and no one weighed in a Snook in November.

The Fish of the Month for December was Whiting. The winner will be announced at the January meeting.

January's Fish of the month is Black Drum.

December 31st marks the end of the Year Long Tournament competition for 2021 and both the men's and the ladies' divisions were in a close race for Angler of the Year.

The Angler of the Year winners will be announced at the January meeting, and I will be calculating the species winners then also if I can.

The CPR (catch, photo, release) tournament is progressing nicely with many photos being submitted. We have a good supply of our official bump boards available to buy for \$20.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home, if I am available.

NOTICE - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> by clicking on **Quick Look At Year Long**, and in the latest Chum Line publication delivered by Email.

Thanks for everyone's support, and if you have any questions, please let me know.

January Fishing Report by Captain Tim Jarvis

Happy New Year! Hope everyone had a great 2021. For a good New Year's resolution try new spots and new techniques.

This month will be the sheephead tournament on January 22nd. My favorite baits and rigs for sheepheads is fiddler crabs and shrimp on a crusher jig or a 1/0-2/0 circle hook with a split shot weight just above the hook, I like to target the bridges, dock pilings and rock piles but the inlet can produce some of the bigger sheephead. For redfish, trout and flounder fish the creeks and flats with your favorite soft plastics or shrimp and mud minnow on a 1/8 or 1/4 jigheads. Remember to be very quiet when fishing these shallow waters because the fish can spook very easily.

Each month the Club sponsors a Litter Gitter Trip to pick up trash in the Intracoastal Waterway area. The Litter Gitter is run by the Matanzas River Keeper and is a volunteer group. Captain Adam Morley is your host and will have everything you need to fill the boat. This is not a member only event, so grab a friend or neighbor to join you in helping out the environment. This is a 2 hour tour and you depart from Bings Landing on the First Tuesday of every month starting at 10am and 1pm. [Click here to sign-up.](#) Next trip is Tuesday, February 2nd from 10am-12pm and 12pm-2pm from Bings Landing.

Surf & Pier

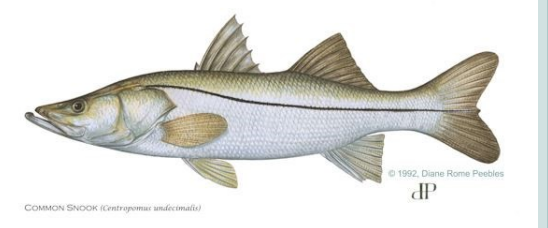

The surf and pier fishing has been good with whiting, black drum, pompano and flounder with the occasional trout and redfish. Use shrimp, clams and sandfleas if you can catch them on a pompano rig or jigheads.

Offshore

The bottom bite can be good when the temperature drops for grouper, seabass, snapper and trigger fish, use pinfish, sardines or squid. If the weather is calm enough and you can make it to the ledge, it could be a good month for big wahoo or sailfish. High speed troll with rigged ballyhoo or your favorite lures with dark colors.

Good Luck on the tournament this month and tight lines!
