## FLAGLER SPORTFISHING CLUB

### From the Helm—February 2022

by Chris Christian

The first Club Tournament (Sheepshead) was held this past month and boy was it cold and windy. I fished with my wife Betty and ran into some members braving the weather right along side of us. As it turns

out these guys were big winners. We went home and returned to the weigh-in. 85 members signed up for the tournament and 60+ showed up for the weigh-in. Details are found in the Chum Line. The next Club Tournament will be held February 19<sup>th</sup> and is called the Black and Red Tournament and you can sign up on the website.

The Club will have its next meeting with a talk on Surf Fishing by the "Sinker Guy", Chip Brundage and a Quick Tips on how to catch Black Drum. Also, the Fishing Groups meet every meeting

night at 6.30 to organize trips by interest. If you want to learn how to Surf fish as an example, then get with these groups and team up and learn. The best way to learn is find a fishing partner and start fishing.

This is also the time to take your boat to have its annual maintenance before everyone else does in April and May. JM Marine and Big Boys Play Toys are very busy right now so make a reservation for your service today.

The Catch, Photo & Release (CPR) winners - 3 members out of 377 fish entries—will be recognized at the Member Meeting on February 1st.

Hope to see everyone fishing on the water in the coming weeks

Chris Christian

## 01/22 Sheepshead Tournament Results

The 2022 Sheepshead Tournament was held on January 22 and, despite the cold wind blowing all day, we had a large group of 65 members attend the weigh-in..

Some nice Sheepshead were caught along with several large Black Drum and a beautiful Redfish. There were five Sheepshead weighed in which left the last three places filled by drawing three names of those that fished but were not winners.

Thanks to a nice hot charcoal fire, all members enjoyed a hot lunch of Baked Spaghetti, salad, and garlic bread. Ian Kemp was the big winner in the Sheepshead Division, Tim Miller caught the largest Drum, and Bill Moore caught the largest Redfish.

## Tournament Chairman Report by Tim Miller

2022 started out with the club's first free member tournament. Despite the cold windy day and poor fishing, the Sheepshead

Tournament had a strong turnout of members to enjoy good food and fellowship.

Look for list of winners and full details in this issue of the Chum Line. (See page 7)

The 2022 CPR tournament is off to a great start. Members have already photographed and released some fish. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. Come to the February 1, 2022 Member Meeting to see winners and prizes from the 2021 CPR tournament.

Our next tournament will be the Black & Red Tournament on February 19, 2022. See flyer included in this issue on page 6 with all the information. With \$700.00 in prize money, this is an opportunity to win money to cover your 2022 dues. Use the link below to see all the events for 2022 so you can plan your year with your Fishing Club.

## January Weigh Master Report

by Chuck Radloff

The December Fish of The Month was Whiting, and was won by Aby Moghanaki. Aby donated his prize back to the club in thanks for the fishing club supporting his son's little league this past year.

The Fish of the Month for January was Black Drum. The winner will be announced at the January meeting. Tim Miller has a good chance of winning this with his 5 lb. 7 oz. black drum weighed in at the Sheepshead tournament.

February's Fish of the month is Sheepshead.

The 2021 Year Long Tournament winners have been announced and notified and unless some missing weigh in slips show up before Feb. 1, they will be final. We are hoping to present the awards at the March meeting.

The CPR (catch, photo, release) tournament will continue this year. We have a good supply of our official bump boards available to buy for \$20.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home, if I am available.

**NOTICE** - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> by clicking on **Quick Look At Year Long**, and in the latest Chum Line publication delivered by Email. Thanks for everyone's support, and if you have any questions, please let me know.

## February Fishing Report by Captain Tim Jarvis

Inshore fishing should stay pretty good for the month of February specially for sight fishing for redfish on the shallow flats and creeks. I like the last three hours of

outgoing and the first three of incoming tides.

Try smaller baits like shrimp and jigs with 15-20lb fluorocarbon leader and be very quiet when you target these fish! For those fishing the black and red club tournament Feb 19<sup>th</sup>, I would try to get the winning redfish on the shallow water flats with live mullet or cut bait like ladyfish or blue crabs. For the black drum I would fish docks, bridges, deep creek holes and the inlet with live shrimp, fiddler crabs or clams. Snook season opens Feb 1<sup>st</sup> remember its 1 per harvester per day not less than 28" or more than 32" length.

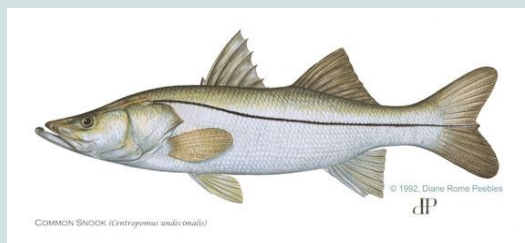

### Surf & Piers

There has been some good black drum and occasional redfish for the tournament anglers fishing from the surf or piers. Use shrimp, fiddler crabs and clams for black drum and live or dead mullet for redfish. Pompano, sheepshead, trout and bluefish can also be targeted with pompano rigs, spoons and gotcha plugs.

### Offshore

The wahoo and sailfish bite should be good at the ledge if the weather allows it, high speed troll your favorite lures with darker color patterns for these fish or a rigged ballyhoo. For bottom anglers the trigger fish bite could be good with occasional cobia on the reefs and wrecks.

**Year in Review – Chris Christian, Chuck Radloff & Tim Miller –** Chris said the club has had many successes, we support different types of fishing i.e.: pier, boats, intercoastal, surf and kayak fishing, Mark Webb is heading the committee for this. We have many social events, the Christmas Party, Bottom Trip, our Annual Picnic and all our weigh-ins are social events too. We give back to this community by giving a scholarship to the CCA, running the Spring Tournament to give to veterans, give money to charities, school sports group. The CCA focuses on conservation, we work with the Matanzas River Keeper, a boat that goes out the first Tues. of the month, from Bings Landing to collect litter from the intercoastal waterways. We do a Kid's Clinic every year to help develop the children in our community to become great stewards of the waterways. We have a website we all can use to sign up for the tournaments, pay guest fees and membership fees. We now have a Catch, Photo, Release tournament that has been years in the making. Payouts have increased for the last 2 years for the tournament prizes, raffle prizes and food costs have been increased also. In 2021, it was hard to hold meetings with the Covid restrictions but we prevailed. We have 493 members, also have spouses email addresses and many sponsors. The Chum Line is published the first of the month and the Fishing Line comes out the second week of the month. Peter Bessette takes care of our Facebook and Instagram accounts and puts together the You Tube videos that show you many fishing tips. We have had 16,500 views on Andy Block's video about Surf Fishing. Our website flaglersportfishing.com gets 100 hits a day. We have collected the membership fees and payments online for the tournaments. Our tournaments have been well attended. Frank Meekins has been doing a great job on our food and he has many minions to help him serve at the tournaments. We had a successful Spring Classic and were able to give \$12,000.00 to our local Disabled American Veterans. We hold two New Member Clinics a year, these are very beneficial to all of us who came here and need lots of help because the fishing here is not like in the north or anywhere else. Amy Beth Krisanda has formed a new group, The Pier Girls and she helps instruct them on fishing at the Flagler Pier on Tues. mornings. The Oct. picnic usually has a pig roast with it. Social events like the chili cook-off, fish smoke-off, July's Ice Cream Social are all things to help us get to know each other, great friendships have been formed in this club. We plan to give back to the community this year by giving to the VFW, the DAV and some more organizations. At the CCA Scholarship award, member Jude Lukaszewski won a boat. We renewed our membership with the Friends of A1A, we support the Flagler Police Dept. Our CPR program has over 350 entries in it.
