FLAGLER SPORTFISHING CLUB

From the Helm—April 2022

by Chris Christian

Spring is here, the weather is great, dust off the gear and get it ready for some fishing. If you haven't signed up for the Redfish Rodeo Classic yet, please do so to receive a discount. Go to the Club website at

<https://flaglersportfishing.com/open-division/> and sign up your team.

Charles Hiott and Peter Bessette have worked hard to make this tournament a great experience for everyone. Cookie and Bill Zimmer will be running the Silent Auction on Thursday night at the Social Club, and we have some great items to bid on. Bring a friend and browse the loot which will not disappoint. The ever-present Cooler of Joy will be raffled off Thursday night and will

make a lucky individual happy for a while.

Please find a way to enjoy the weather and go fishing and catch some fish. We have seen an increase in the Catch Photo and Release (CPR) turn-ins already since the awards were given out in January. Please try to release your fish and only keep what you will be eating.

Elections will be next month, so get your nominations in for President, Vice President, and Treasurer. The next meeting will be April 5th at the VFW starting at 7pm with Quick Tips.

Good Fishing and Good Catching

03/26 Count The Spots Tournament

We had a beautiful day for the Count the Spots Tournament held at Herschel King Park!

What a difference a month makes when our Anglers were freezing in the last tournament. We had one of the largest signups of 95 Anglers and 70 attended the weigh in.

It takes many hours and dedication from our volunteers who made this a wonderful day. I give a special thanks to Frank Meekins for organizing and preparing our delicious meal.

My volunteers once again stepped up to make this Tournament a success. Thank you Carol Carter for logistics and our all-around number one lady. Thank you to Jim, Carol Anderson, Jeanne and Nick Ward, Joe Verille, Anne Smith, Dale Anderson, Weigh Master Mike Crotts and Peter Bessette, Acting Treasurer Deb Marinco and tournament director Tim Miller.

A total of \$700 dollars was paid out to our winners.

Our clubs Jr. Anglers made a great showing by taking prize money in 3 of the 9 places.

Kenneth Mahoney won the most spots, a total of 14!

Austin Murray won the Heaviest Redfish at 6 lbs. 14 oz.

50/50 Raffle winner was Clay Murray, who won \$185.

The raffle prizes included a fishing reel salt and pepper grinder set. Beautiful folding chair with a canopy cover, large wicker sun hat, filet knife and a pair of pliers.

Tournament Chairman Report by Tim Miller

The club free member tournaments are off to a great start with our third tournament now in the books. Members enjoyed a great Florida weather day

and outstanding food at the weigh-in for the Spots Tournament. The clubs Jr. anglers made a great showing by taking 3 of the 9 winning fish spots. Look for list of winners and full details in this issue of the Chum Line.

The new CPR tournament is in full swing. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. You only need to upload one released fish to be entered into the prize drawings. Then every 5 fish after that will get you one more entry.

There is no free member tournament in April. Instead, we have the Redfish Rodeo.

Members get a discount for this team tournament. Sign up to fish this tournament with your fishing partner for a chance at large payouts. This is big fund raiser for the club and the DAV. Sign up to help at the captains meeting and the weigh-in.

Signups start at the April meeting for the club bottom trip. This is a private charter aboard the 65-foot Sea Spirit.

Thank you to all the volunteers that helped with the first three tournaments. Without this help the club would not be able to provide these great events. Be sure to sign up as a helper for the next tournament. I am still in need of tournament chairs for the last six months of this year. Sign up to run one of the club free tournaments and you will be in control. Running a tournament is easy and a great way to meet members. Send me an email or talk to me at the next club meeting and I will give you all the details.

April Fishing Report by Captain Tim Jarvis

Inshore

Look for redfish in the creek holes at low tide and on the flats with the incoming water. I like to use a ¼ oz jig head with a paddle tail or gulp shrimp and jerk

baits cast around oyster bars and the grass edges with tree lay downs. First thing in the morning or the last hour of the evening I like to use top water plugs like a skitter walk for redfish, trout and snook. Live bait anglers can try live shrimp or mud minnows on a popping cork around any structure or grass edge. Dock lights at night should hold snook, trout, redfish and other species. Use your favorite artificial lures or a free line shrimp works great!

Surf & Pier

Spanish Mackerel should be here by now and that can be a lot of fun with light tackle and gotcha plugs. Look for them feeding at the top

and cast the gotcha plug at them. Put a 2 foot wire leader on cause they have a lot of razor sharp teeth. The pompano bite should start getting better this month, use sand fleas, shrimp or clams on your favorite pompano rig. I like to tip little pompano jigs with a shrimp, sand flea or fiddler crab.

Offshore

The manta rays and porgie pods are starting to show up and that means cobia! Find the big rays and you should find some cobia, try topwater plugs or bigger swim baits and for live bait try to get porgies, mullet, pinfish or big shrimp on a jig head. Try trolling skirted ballyhoo and naked ballyhoo for dolphin. Look for the birds and any sea weed floating and you should find them and have a couple smaller rods with buck tail jigs for the schoolers.

Club Meeting Minutes 03-01-2022

Meeting called to order by President, Chris Christian
Pledge of Allegiance – Presented by Ron Gorney
Passing of February 01, 2022 Minutes, Motion made by Dean Roberts and seconded by Tim Miller. Minutes accepted.

Welcome New Members/Visitors/First Responders – Guests / New Members - 6

Welcome Annual Sponsors – Mike Vickers with Hammock Bait & Tackle and Dana Syens with Commercial Coverage Insurance.

No Quick Tips tonight – Swap & Shop was held

Announcements:

Sponsor of the Month – Boaters Exchange, New Smyrna Vendor Expo – We will be participating in a vendor expo on March 12 in Rockledge, FL.

Reports:

Finance Report: Tim Miller said the finances are good, memberships expire on March 31st, if you renew before that date, you get a \$5.00 discount. 37% of our income is your membership renewal. The Redfish Rodeo will be 10% of our income.

Weigh Master Report: Fish of the Month – Chuck Radloff said the February Fish of the Month was a 4 lb 6 oz. Sheepshead and was won by Tim Miller who received a \$50.00 gift certificate for the Oceanfront Restaurant. The March Fish of the Month will be Spotted Seatrout. For the Year Long Tournament leading for the ladies is Carol Webb and for the men it is Tim Miller. Chuck handed out the awards for the Year Long Tournament and said the categories for the fish were not embroidered on the shirts in error but if you want to have that put on your shirt, let him know and it will be corrected. Maria Lopez won Lady Angler of the year and Mark Heffley won Male Angler of the year.

Tournament Director Report: Tim Miller said that the Red & Black Tournament was a good one. If you had a black drum and did not bring it in to be weighed, you might have missed out on getting a prize. Prizes for the CPR tournament were either a jacket, a shirt or a gift card. It only takes one entry to get one ticket and after that it takes five fish for another entry. This past weekend Tim said they were catching king mackerel and sheepshead at the pier and he that the CPR and the Year Long are two separate tournaments.

Upcoming Tournaments – The next free tournament will be on March 26th, Count the Spots Tournament. Amy Krisanda will be the chair on this one, \$700.00 in prizes will be awarded and check the website for the rules on the flyer, FWC rules apply, fishing starts at 6:30 AM and the weigh in will be from 2-3 PM at Herschel King Park, she will need a food count, so make sure to sign up at the back table or online if you plan on attending the weigh in.

Planning of the Spring Classic – Dates are April 21-23 – Charles Hiott –

Chuck said last year, Dana did a great job and we want to have another great tournament this year! We will need many volunteers for this tournament, the Captain's meeting will be held on Thursday, 4/21 at the Palm Coast Social Club, registration and the silent auction start at 5:30 PM, captain's meeting - that is mandatory - starts at 7 PM. Weigh in will be held at Marina Del Palma from 4 PM – 4:30 PM. Donations are needed for the raffles and the silent auctions, so if you know of any businesses that would like to donate, please ask them to do so. Peter Bes-

sette will be the co-chair on this event. All the live redfish that are brought in, CCA will distribute in our local waters for their STAR tournament. It was brought to our attention by the Vickers family that the rules of the tournament on our website were confusing.

New Members Clinic – David Genk – David said the club has a referral program that if you refer 3 new members, you can receive a nice shirt. The Clinic will be held at the VFW, with great speakers on kayak, pier and inshore fishing, 3-4 of these speakers are pro guides in our area. There will be some concurrent sessions where you can go outside and see how Johnny Johns has his kayak set up, Mike Crotts will show you how to throw a cast net to get free bait and Dana Syens will be talking about how to get the most bang for your buck on all different kinds of insurances. There will be coffee, donuts and fruit for breakfast and a nice sub lunch. Anyone wanting to attend who is not a member, the cost will be \$10.00 as a guest fee but if you decide to become a member of the club that day, the \$10.00 will be put towards your membership fee. Clinic hours are from 7:30 AM – 1:30 PM.

Quartermaster – Deb McGriff is selling leftover hoodies for \$25.00, she will not be bringing them to the next meeting.

Nominations – Bill May is at the back of the room taking nominations for the upcoming elections at the May meeting.

Break

Guest Speaker: Cpt. Tim Jarvis, talking about catching redfish – Tim told us he does a lot of inlet fishing and uses paddle tails or a bucktail, for live bait a ¼ blue crab is good to use. He uses a 30 lb. leader with a knocker rig with 3-5 oz. weights and a 3 aught hook. Fish Finder saves time, if using a trolling motor, use your side scan. Go fishing at the right time, at slack tide it is best, you can catch snook, sheepshead at Highbridge. He uses a 12 lb. rod, if fishing structures, he keeps the drag tight. When fishing docks, they will be in front of the dock when the tide is low. He will use a shrimp with a jig head and a popping cork, on week-ends there is a lot of boat traffic, so to fish the docks- mid-week is best. When fishing for reds, go to creeks and flats. Don't jerk the boat to cast, just use your arms, movement spooks the fish. Use the sun to block your shadow and try to make as little noise as possible. At dead calm, use a DOA top water with a rattle in it. When the sun is low, throw a top water before the sun comes up. Rig it weedless when on the flats and use either artificial or cut up lady fish for bait. It is tough to catch a redfish, don't get discouraged. Chunk up mullet and put on a circle hook. Cut up croakers or pinfish to use as bait, when the water is low, it is easier to catch a redfish. Use a pull pin popper, it comes off faster, redfish hear the poppers, go over oyster beds to catch them. If in creeks, try to keep one speed on the trolling motor to keep the noise down. Fish on the last 3 hours of outgoing and incoming tides. When the tides are negative tides or on ICW, fish on the banks or docks. At Bings, you see people fishing the docks and throwing their bait in the center of the waterway. Fish straight down underneath the dock that is where the fish are.

50/50 Drawing: Winner of \$160.00 was Carol Carter. Congrats!
