## FLAGLER SPORTFISHING CLUB

### From the Helm—June 2022

by Chris Christian

Hello Everyone,

As my term comes to an end, this is my last "From the Helm" article. With that brings new people to lead our great Club: President Adam Morley, Vice President Carlos Garcia and Treasurer Deb Marinco. Join me in making these new officers feel welcome by introducing yourself at the June meeting and wishing them luck and offering your support. I will step back to the technical world and support our website and will be offering new features to all.

I want to say that it has been a pleasure leading our Club the past 2 years, as the Club successfully survived the COVID era, but we lost some great members who we miss dearly. It looks great for the future and hopefully we all can

fish more and catch more along the way.

June is a busy fishing month for the Club with three tournaments that can be fished so check the front page of the Website for a tournament that piques your interest. The first one is a Kayak Tournament (June 11) that promises to bring great cash prizes to the anglers that register. The second is the Team Tournament on June 25th.. There is also a Month Long Offshore Tournament from June 1-30.

We need everyone to register online for our tournaments whether you are fishing or just coming for the weigh-in; just don't show up without registering.

Hope to see you out on the water fishing.  
Happy Fishing and Tight Lines,

Chris Christian

## Tournament Chairman Report by Tim Miller

Can you believe it, the year is half over? If you have not gotten to enjoy one of our free club tournaments yet, June might be your month.. In case you missed it, we had our 1<sup>st</sup> of 2 Surf Tournaments on May 28, 2022. Members enjoyed BBQ wraps and sides at the weigh in from Heli Hogs. Thank you to Mark Heffley running this tournament.

The Club Bottom Trip was held on May 14, 2022. Thirty-nine anglers enjoyed a sunny day on the water while working to bring up some fish. Members had a chance to win prize money along with possibility of offshore fish for the yearlong tournament.

June has two more free tournaments for club members. The first is a Kayak or other non-motorized boats on June 11, 2022. Along with the normal weigh in, there is also a bonus for most Catch Photo and Released Fish. June 25, 2022 is the Team Tournament. This tournament is a team

of two anglers so a great chance to have your significant other fish with you

The CPR tournament is in full swing. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. You only need to upload one released fish to be entered into the prize drawings. Then every five fish after that will get you more entries.

Check out our updated club website to see all the club's events, sign up for tournaments and even buy raffle tickets.

<https://flaglersportfishing.com/>

Thank you to all the volunteers that helped with club tournaments. Without this help the club would not be able to provide these great events. Be sure to sign up as a helper for the next tournament.

## May 14th Bottom Trip

The club Bottom Trip, aboard the 65' Sea Spirit out of Ponce Inlet was held on May 14, 2022. After a two hour boat ride, the boat arrived at a reef 26 miles off shore. Thirty-Nine anglers were met by moderate seas, sunny skies and little breeze. The captain made many moves around the reefs to find active fish. Except for Red Snapper, that had to be released, not many keep-able fish were willing to take an ice bath in the fish box. The mates were helpful and friendly. Members did catch Grouper, Vermilion Snapper, Lane Snapper, Mangrove Snapper, Red Snapper,

Trigger, Jacks, and sharks along with boat load of Grunts.

Some members also caught fish that qualified them for the yearlong tournament.

The 50/50 was won by John Silva. The Raffle for pair of tickets for fishing on the Sea Spirit was won by Kevin Clymer. Members were also treated to seeing a rocket launch as the boat was coming back to the dock.

## May 28th Surf Tournament

The weather was great for the May 28 Surf Tournament, but the water in the surf was a little sandy. We had a great turnout for the weigh-in at Bay Drive Park and I really appreciate all the volunteers who helped with the set-up, weigh-in, food serving and clean-up.

The food was graciously supplied by Heli-Hogs of Ormond Beach and included BBQ chicken, brisket, pork, sausage, ham, coleslaw, rice made with bear meat and cinnamon rolls. Several members struggled to make it off their chairs to get a check.

The only negative of the day was that Andy Block won a check in the heaviest fish category and also two rods in the raffle. The Board of Director's has commenced an investigation into his activities that includes the new Director of Membership who pulled his raffle ticket three times. A full report on the alleged, but not proven scandal, will be given at the June club meeting.

## May Weigh-Master Report

by Chuck Radloff

The April Fish of The Month was Pompano won by Tim Miller with a 1 lb. 10 oz fish. He chose a \$50 gift card from Hammock Bait & Tackle.

The Fish of the Month for May was Amberjack. The winner will be announced at the June meeting.

June's Fish of the month is either Kingfish or Dolphin, so you offshore anglers will be looking for the big ones out there.

The CPR (catch, photo, release) tournament is continuing with quite a few entries submitted already. Remember just one entry gets you into the drawing at the end of the year. We have a good supply of our official bump boards available to buy for \$20.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home, if I am available.

**NOTICE** - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> by clicking on **Quick Look At Year Long**, and in the latest Chum Line publication delivered by Email.

Thanks for everyone's support, and if you have any questions, please let me know.

## Bunnell Student Fishing Initiative

Above: On May 5th, Flagler Sportfishing Club proudly donated \$825 to the Bunnell Elementary School to support their Student Fishing Initiative. Left to Right: Jeff Murphy, FSC member; Coach Tom Westley, Math & Science Teacher; Bill Moore, FSC member; Coach Kendall, School Dean; not pictured but present, David Genk, FSC Board

Donations were made by some FSC members to help support a student fishing club initiated by Coach Tom Westley. The Coach indicated that the funds will be used to help pay for bait, tackle, rods/reels plus other gear and expenses. Science, safety, conservation, and fishing regulations will be emphasized to the students at school and during Club fishing outings.

## June Fishing Report by Captain Tim Jarvis

### Inshore

June is not too different from last month. More tarpon should be showing up this month and all through summer.

Look for them rolling in the C- section canals and deeper creek holes, the ICW and the bridges from St. Augustine all the way to High Bridge can hold some good size tarpon. Mullet, shrimp or pinfish underneath a popping cork can be a good technique for these fish. For artificial anglers try a weight less jerk bait or a mirro-dean. Snook, flounder, and redfish bite has been good at lower tides on the flats using topwater and jerk baits at first and last light of the day. Fish grass edges at higher tides for these fish using a popping cork and shrimp, live mud minnow or finger mullet.

Surf & Pier

I've been hearing reports of a mix bag of fish from flounder to whiting using jigs tipped with shrimp or clams. Try spoons and gotcha plugs for Spanish mackerel and big jacks. Pogies pods should start moving closer to the beach this month so keep your eye for them. There could be tarpon, kingfish, cobia and sharks feeding on them. Try netting some pogies and put them on a balloon float with wire leader for the kingfish and sharks and fluorocarbon leader for the tarpon and cobia.

### Offshore

The Mahi-Mahi bite should be really good this month, look for diving birds and any floating debris. Troll naked and rigged ballyhoo for these fish and you have a good chance to hook a sailfish too. Bottom anglers will see a mixed bag from trigger fish, grouper and snapper. Use a knocker rig with any kind of cut bait or live pin fish.

### **Break**

**Guest Speaker: Matt Fretwell – Stay Put Anchors Subject: Shallow Water Anchoring**

Matt said they are a local company in Port Orange and that the business started out in his garage. This is a simpler way of anchoring. This anchoring can hold 3,000 lbs or listed for boats, flex anchor in current and winds, made for the flats and won't scare the fish. There is a bow or deck mounting system, the anchor goes into the mount and you are done. This keeps the boat in front of the current. You can pivot the boat with the two setups. The engine brackets are for 200 horsepower engines. Poles 8', 6' kayaks, 10' and 12' put extension pole on the top, it is 2 pieces the bushing inside prevents noise when you put it in. The handle removes to put the extension on the top. The poles flex a lot and it can attach to a pole clip on the boat. Matt works one on one with his customers to help solve their problems. A 6' pole will work with a kayak. They are also trying to come up with a universal mount for the kayak. He does online sales, you can get them at Genung's Fish Camp and Big Boys Toys. He does custom work on boats cost ranges from \$150 - \$220.00, whole set up is \$350.00. If you need more stability on your boat, you can get one for the bow and the rear. You would need an 8' pole in 6' of water. They are a continuous fiberglass roll, not mesh, it won't break down and give you splinters.

**50/50 Drawing:** Winner of \$125.00 was Tom Fiorentino. Congrats!
