THE CHUM LINE

FROM THE HELM - OCTOBER 2022
FEATURING CAPT. ADAM MORLEY

Hurricane Ian, September 28 -29th

As Floridians, by birth or by choice, we are no strangers to severe weather. In recent years, however, our small community has been battered by floods, Hurricane winds and oh, so much rain. Yet each time we have come together and rebuilt, stronger than ever. We know our club members are all thinking about everyone affected by the storm and are ready to help in any way that we can!

Time after time, it becomes deeply personal to witness the impact on our community. One of our club sponsor's, Genung's Fish Camp, knows this feeling first hand, as he was battling these extreme elements presented by Hurricane Ian ripping across Florida and causing massive flooding along our coasts. Club President, Adam Morley, documented his experience with this storm, as he worked to secure his property, nervously watched rising waters and eventually took a boat ride out ahead of the increasing tide waters. To see the footage, be sure to visit Genung's Facebook page at:

TOURNAMENT CHAIRMAN REPORT BY TIM MILLER

Tim Miller
tdtmiller@yahoo.com

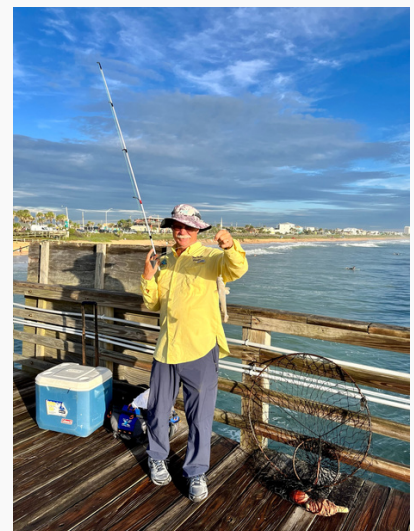

The club had two tournaments in September. The Pier Tournament at Flagler Beach Pier was held on September 10, 2022. While the fish were not very cooperative, members enjoyed the morning on the pier.

September also provided members a chance to win money by fishing the Member Classic on September 24, 2022. This tournament paid \$3000.00 in prize money. Since members could win more than one cash prize, we had some happy members that won more than one place. Members enjoyed shrimp salad rollups, fried chicken, hot dogs along with sides at the weigh-in. Thanks to Frank Meekins and crew for hosting food for this event.

October will see our second Surf Tournament on October 22, 2022. Get out and enjoy the beach and possibly win some cash at the weigh-in. See flyer in this issue for more information. November will bring our final free club tournament of 2022, the Red, White and Blue Tournament. Winning fish will be Red Drum, Whiting, and Blue Fish.

The yearlong CPR tournament is in full swing. 20+ members have released over 150 legal fish in 9 distinct species. Remember that fish must be of legal length and in season to count for CPR Tournament. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. You only need to upload one released fish to be entered into the prize drawings. Then every five fish after that will get you more entries. We are in the planning process for next years tournaments. If you have ideas to make our tournaments better, let me know.

Thank you to all the volunteers that helped with club tournaments. Without this help the club would not be able to provide these magnificent events. Be sure to sign up as a helper for the next tournament.

On September 10, 2022, the club held its Pier Tournament. Although a cloud cover made for a cooler morning, the high waves and surfers made for difficult fishing. A total of thirty-five members braved the Flagler Pier to try their luck. Despite the anglers' best efforts, only three flounder and four whiting were weighed in.

The biggest fish was a 1lb. 10oz. Whiting caught by Eddie Webb. No member caught more than one species; therefore, most species was won based on weight and Kevin Byrne won 1st place with a 1lb. 6oz. Flounder. As only seven out of the possible ten winning fish spots were filled, three members won cash prizes from a drawing of show-up tickets.

A thank you also goes out to Carol Carter, Mike Crofts, and Deb Maringo for helping with this tournament. A total of three members took home prizes in the raffle. The winners are Dave Shank, Danny Carter, Carol Carter. Mark Juliano won the Show Up Bonus of a \$25.00 gift card to Beach Front Grille. Terri Williams won the 50/50.

OCTOBER WEIGH MASTER REPORT BY CHUCK RADLOFF

Chuck Radloff
Weighmaster
(386) 569-1584

**October Fish of the
Month is
Bluefish!**

September's Fish of The Month was Redfish. The winner will be announced at the next meeting.

October's Fish of the month is Bluefish. This is a species we can all participate in as even I can catch bluefish. They do have to be 12 inches long though. The CPR (catch, photo, release) tournament is continuing with quite a few entries submitted already. Remember just one entry gets you into the drawing at the end of the year. We have a good supply of our official bump boards available to buy for \$20. If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home, if I am available.

NOTICE - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> by clicking on Quick Look At Year Long, and in the latest Chum Line publication delivered by Email.

Thanks for everyone's support, and if you have any questions, please let me know.

OCTOBER FISHING REPORT BY CAPTAIN TIM JARVIS**Inshore**

October can be a good month for fishing with the weather cooling down and the mullet run in full effect. I like to start the morning with topwater lures or jerk baits on the flats, creeks and the banks of the ICW. Look for feeding fish and birds and you should find redfish, snook, jacks and ladyfish feeding on the mullet. If bait is your thing cast net mullet and use them under a popping cork or on a ¼ oz jighead. Flounder bite should pick up at the inlet and the creeks holes. Use a ¼ oz jig head with a live mullet or try a scented paddle tail.

Capt. Tim Jarvis—timjar963@gmail.com

Surf & inlet

With the mullet run the surf and inlets will be awesome fishing for the next couple months. Look for big redfish, snook, tarpon and sharks crashing on the mullet in the surf and around the jetties at the inlet. Try buck tail jigs and big swim baits for the live bait anglers try live or cut mullet on a knocker rig. Pompano, flounder and sheepshead bite should pick up this month with the cooler weather. Use pompano rig with your favorite live bait or the fish bites work really well too.

Offshore: Hit reefs from the 10-20 mile range for Grouper, Snapper, Seabass and possibly Cobia and Amber Jack. Troll from spot to spot for Sailfish with a Ballyhoo or your favorite trolling lures, do the same if you fish the ledge for dolphin and wahoo.

Tight Lines and be safe out there!

MINUTES CONTINUED ON NEXT PAGE

SEPTEMBER MEETING MINUTES CONTINUED

We need a tournament director for this event, please let Tim Miller know if you are interested in chairing this. Tim said the CPR is doing well, so far – 20 members have entered fish, get a bump board from the Quartermaster, Deb McGriff and get started entering. The first fish gets you a ticket and after the next 5, you get another ticket.

Membership Report – Quinn Bui was absent tonight, Deb Marinco reported on the membership total and Christmas Party in the Finance Report section.

Break

Guest Speakers: Our expert fishermen, Tim Miller and Ron Gorney were our speakers tonight to talk about Pier Fishing. Tim asked, "In this tournament, do you want the biggest fish or the most species"? If you are fishing for the biggest flounder, drum or redfish, get live mullet or live shrimp, use big tackle, the whiting has to be 11". Be careful of the surfers at the pier, they tend to hang out closer to the pier than the anglers would like them to be. If using shrimp for the Black Drum, pinch the tail to put a scent in the water. If using a spinning rod for whiting, use a small hook with a small bait. Ron Gorney said he uses a Gotcha Plug, a size medium to heavy 7 ft rod and fill your reel up with line, 40-50 pound braid, 10 pound monofilament leader with a 60-80 pound test, but don't use too heavy a sinker, it might scare the fish away. Tim also said to prep the night before the trnmt – use sharp hooks, check your line, mono and leader for frays or knicks, take the time to check your gear. Tim uses 40 lb mono and said to control the fish, they want to wrap you around the pier and it can cut your line off. Tim also uses a sinker, slider, swivel leader with 1 oz to 8 oz sinkers. If we get south winds, the water will be muddy or like chocolate milk (yoohoo), use dead shrimp.

50/50 Drawing: Winner of \$180.00 was Dave Shank. Congrats!

Drawing was held for the 10 lures donated by Kiss My Fish Lures, thank you very much, Pat Dry.

Winners were: Dave Shank – 3 times, Mike Kiss, Dave Henry, Scott McClain, Amy Krisanda, Erika Vickers, Nick Ward and Mike Janzen.

Attendance at tonight's meeting was 62.

Motion was made to adjourn the meeting by Tim Beebe, seconded by Carol Carter.
