

FLAGLER SPORTFISHING CLUB

THE CHUM LINE

FROM THE HELM - MAY 2023

BY CAPTAIN ADAM MORLEY

Greetings, fellow members!

I'm excited to update you on the latest fishing news in our area because, well, the fishing has been exceptional with redfish, trout, and snook along the grass lines, oyster bars, and other ambush points. The redfish have been biting hard, with many slot-sized fish ranging from 18-27 inches being caught. My son, Elon, caught a 25" Red using top water bait, and we've had great success with top water lures featuring a "walk-the-dog" action/retrieval pattern and soft plastic baits rigged weedless on weighted hooks. The best spots for redfish have been around oyster bars and deeper holes in the grass flats.

Trout fishing has also been fantastic, with some gator trout being caught. The Kiss My Fish "Creepers," Heddon Super Spooks, and MirrOlure Top Dogs have been the most successful top water baits, with the best areas being around the grass flats and creek mouths.

The snook bite has been slightly hit or miss, but larger live shrimp around dock lights have been the winning ticket, with occasional fish being caught on top water in deeper cuts and canals. Chris, with Skinny Water Lures, provided a report saying that the recent rain and onset of summer have resulted in high tides and warmer water, causing redfish to change their diet from crustaceans to baitfish. Swim bait-style lures have been successful in catching them, with topwater baits being more productive during the early morning and evening, particularly around pinch points.

FROM THE HELM CONTINUED

He suggests the High Bridge and Long Creek areas, where redfish are active on both incoming and outgoing tides around oyster bars. On low tide, reds can be found in the deeper channels off the oyster bars, while on high tide, they will ambush lures over the top of the bars. Spotted sea trout are also being caught in the same areas, particularly in the deeper holes with moving water. Paddle tails or twitch bait-style lures have been successful in catching them.

In the surf, Berry with BS Surf Fishing Charters reported that the pompano bite is still going strong from Hutchinson Island down to North Carolina. To catch them, find areas with clean water and use ghost shrimp, fleas, or crab knuckles as bait. Multiple scents and colors of fishbites have also been effective in catching plenty of fish. Whiting are also present, with some measuring up to 17 inches.

The water conditions this week have been excellent, but winds and storms over the weekend may cause some turbidity. However, we can anticipate that it will clean up by late next week when the winds shift back to the north and east. Blue fish and jacks are present in the surf, and lady fish (also known as "poor man tarpon") are starting to appear. If you're targeting trout, you can find them around the piers on fish finder or knock-it rigs. Recently, flea fishbites have been effective, especially when paired with the BS rig and sand flea floats.

Overall, fishing in our area has been great recently, with numerous opportunities to catch some impressive fish. As always, please follow all local fishing regulations and practice catch-and-release whenever possible to ensure the health of our fish populations. Tight lines and good luck on the water!

Join us again next week for the Fishin' Friday Report.

TOURNAMENT CHAIRMAN REPORT BY TIM MILLER

Tim Miller
tdtmiller@yahoo.com

Welcome to May. Your club is busy working on providing great tournaments for you to enjoy.

The 2023 Spring Classic is now in the books and appears to have been a success. Thanks to this event and the hard work by club members, the DAV and your club will receive some much-needed funding.

The month of May will see the club Bottom Trip on May 13. This event gives members a chance at prize money along with possibility of offshore fish for the yearlong tournament. See flyer in this issue for more information.

May also brings the first of two surf tournaments on May 20. Get out and try your luck in the Surf. See flyer in this issue for more information.

The CPR tournament is in full swing. Get your club bump board and start entering your fish. You only need to upload one released fish to be entered into the prize drawings. Then every five fish after that will get you more entries. Just one entry gives you a chance at Club Jacket, Shirt, or gift card.

Thank you to all the volunteers that helped with club tournaments. Without this help, the club would not be able to provide these great events. Be sure to sign up as a helper for the next tournament. I do still need Tournament Chairs for the Member Classic on 9-23-2023 and the Red White & Blue Tournament on November 18, 2023.

SPRING CLASSIC TOURNAMENT RECAP

The 27th Annual Classic Fishing Tournament was held on April 21st and 22nd. It was a tremendous success for the Fishing Club and for the Disabled American Veterans (DAV). Tim Miller was the chairperson for this event, and he was assisted by the Flagler Sportfishing Club members and DAV members, as it takes a large team to put an event this size on every year.

The weekend event started with a Captain's Meeting and Silent Auction held at the Social Club of Palm Coast. Forty-Seven auction items were on display and the bidding was fierce for many of the items. Thank you to all that made bids to help make this auction a success. Anglers registered that night and purchased 50/50 and raffle tickets. The 50/50 drawing was held that night along with four of the seventeen raffle items. A total of ninety anglers signed up to compete. The next day was gorgeous and the competition was just as hot!

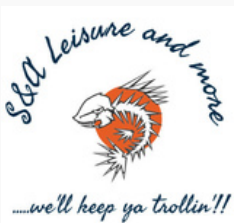

Redfish, Trout and Flounder were being brought into Bings. CCA provided an independent weighmaster to team up with our weighmaster to allow the weigh-in process to go as smoothly as it could. Coastal Conservation Association (CCA) was on hand to capture the live fish for tagging and quick release back into our local habitat. A total of eight live Redfish were donated to CCA for their tagging program.

The weigh-in ended at 4.30 PM and while the officials tallied the weights and fish, the raffle winners were being drawn. Lots of people, both member and non-member, went home with fantastic raffle prizes.

Thank you to our volunteers for helping us put on such a successful and important event. We couldn't do it without you!

MAY WEIGH MASTER REPORT BY SCOTT ROBERTSON

Scott Robertson
Weigh Master
(407) 373-5994

**May's Fish of the
 Month is
 Amberjack**

April's Fish of The Month was Florida Pompano. The winner will be announced at the May meeting.

May's Fish of the month is Amberjack. Minimum size is 28" with a bag limit of 1 fish. Pat Laurienti won March fish of the month with a 1lb 3oz Spotted Sea Trout. Congratulations Pat!

The CPR (catch, photo, release) tournament is picking up steam. I am seeing a lot of entries this month. Remember just one entry gets you into the drawing at the end of the year. We have a good supply of our official bump boards available to buy for \$20. Now you can have your own bump board approved for use.

For all you freshwater fishing people, Large Mouth Bass will be added to the eligible species list for the CPR yearlong tournament effective June 1, 2023. Please note this is for the CPR tournament only. A reminder for everyone fishing in our tournaments - All fish must comply with FWC rules. Fish brought to the weigh-in are required to be measured on the official club bump board before being weighed. Please take your fish to the bump board at the weigh table before putting it on the scale.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home, if I am available.

As of May 1, 2023 you will no longer be able to get fish weighed for the yearlong tournament at the Flagler Pier Bait Shop as they will be closing June 1. Also note that Yellow Dog Bait Shop at Highbridge is now open and is an official weigh station. The boat ramps there are also open so give them a visit.

NOTICE - The overall species Leaders and Full Point Standings are updated at the end of each month on our website:
<https://flaglersportfishing.com/>

Thanks for everyone's support, and if you have any questions, please let me know.

MAY FISHING REPORT BY CAPTAIN TIM JARVIS

Inshore:

Try topwater first thing in the morning and at dusk for tarpon, snook, redfish and big jacks. Fish around the bars at low tide and the grass edges at high tide. When the topwater bite shuts down try soft plastics or live mullet or shrimp under a popping cork. Flounder bite should be good in the creeks and flats. I like to fish the last 2 hours of outgoing and the first 2 hours of incoming in my favorite creek holes, using a ¼ oz jig head with my favorite paddle tail or live mud minnow or live mullet.

Captain Tim Jarvis
Three Lagoon Fishing Charters
321.794.3182
timjar963@gmail.com

Surf & Inlet:

The tarpon, king fish and occasional cobia will start showing up this month and sometimes come close enough that the surf and pier anglers have a chance at them. A good time for this is when the bait pods are close to the beach. Try floating a live mullet or porgie with a balloon for these hard fighting fish. Whiting, flounder and occasional black drum are still being caught, fish the trough with shrimp, sandfleas or fiddler crabs.

Off Shore:

May should be a good month for dolphin. Look for weed lines, diving birds and flying fish. Fish 180 feet and up for these fish with your favorite trolling lure or a rigged ballyhoo. Fish live bottom and ledges for grouper, use a fish finder rig with a pin fish or sardine.

Tight lines & good luck!

'kids4reel' IN THE COMMUNITY

'kids4reel' recently had another wonderful fishing adventure with Bunnell Elementary School. It was a beautiful afternoon at Herschel King park. Our Junior Anglers caught several fish, while enjoying plenty of wildlife sightings, including native birds and some manatees!

A few students even caught their very first fish! 'kids4reel' is so happy to help these children experience such a meaningful lifetime memory and we are thankful to our members and sponsors for helping support these outings.

Everyone enjoyed a tasty lunch, provided by Flagler Sportfishing Club and we all had a genuinely fantastic time!

If you would like to support this great initiative, please follow the below link, and help give back to our local youth.

For CPR you can use your own Bump Board but it has to be certified by a director in the club and have a club sticker that has been initialed by a director. Before weighing in any fish at the tournaments – the fish must be measured first. The FOM for March was Spotted Seatrout the winner was Pat Laurienti, who accepted a gift card from Hammock Bait & Tackle. Carol Tilley was presented with a trophy and jacket for being Lady Angler of the Year. She said her father passed away in Dec. and they fished together for at least 10 years and she hopes to get back to fishing the tournaments in the near future. Congratulations, Carol!

Tournament Director Report and Upcoming Tournaments: Tim Miller said Mark Heffley ran the Count the Spots Tournament on March 18 th , not many Redfish, only four, show up tickets were drawn for the places that were not caught. Tim questioned the audience about doing away with picking tickets for the empty places and just having those places not paid off.

Affirm Bylaws that were sent out last month – Adam Morley called for a motion to affirm the bylaws. **Motion was made by Peter Bessette and 2nd by Ron Gorney to vote on affirming the bylaws.** Chuck Gleichmann raised his hand and asked to be recognized and asked Adam for 5 minutes to speak. Adam gave him this time and Chuck said he was opposed to two bylaws that he thought needed to be amended. A discussion was had between Adam and some other members mentioned that they had not had a chance to review the new by-laws. The new by-laws were sent out in the club newsletter The Fishing Line, but some people did not see them. Chuck and Pat Gleichmann questioned some budget items, one being the monies that were spent under Rentals and also wanted a more accurate reporting at meetings of the financial items including income and expenses for the club. A vote was taken and it was opposed, so the by-laws were not voted in yet. Members were to read the 2023 by laws and the vote will be taken again at the May 2nd meeting. Some of the old by-laws had to be amended because of us being a 501c3 now.

Present framed article to Jeff Murphy and Deb Thomas – They were not at tonight's meeting and Deb Marincio accepted the framed article about the kids4reel program that was in the Sun & Surf magazine. Deb said she saw the kids from Wadsworth School fishing and one caught a nice flounder and another one caught 4 fish and they were very excited and happy.

APRIL MEETING MINUTES CONTINUED

Sue McCarthy (Club member) has a gift from the Amvets Women's Auxiliary Bunnell Chapter to the Kids4reel programs – Sue presented the club with a check for \$1,000.00 for the 'Kids4reel' program. Sue had spoken to Jeff Murphy and that this money is to help to get the kids out fishing. Thank you very much Amvets Women's Auxiliary for the very generous donation.

Dessert Contest – Winners were 3rd place – Dawn Miller for Strawberry Cheesecake \$25.00, 2nd place – Ron Gorney for Peanut Butter Cookies \$50.00, 1st place – David Genk for Macaroons \$75.00. There were 15 entries, Judges were: Cookie Zimmer, Betty Christian and Redempta Burek. Adam announced that Genung's Fish Camp would be holding a Local Brand Fishing Expo with many booths set up. Our fishing club will be set up with Cookie & Bill Zimmer representing us at the booth. Also, there are Right To Clean Water petitions up front to sign during the break time.

Break and Swip Swap Sales

Year End Report – Adam Morley gave us a presentation with a recap of all the events and things that the club was involved in during the 2022 year. He said our mission statement was to get people fishing. Some of the club successes are that we are getting good press on the 'kids4reel' program and the development of that.

With the 501c3 in place we don't have to pay sales taxes on items we purchase, we can receive donations from outside businesses, we get a reduced credit card rate. We donated \$6,000.00 to the DAV last year. We have a scholarship fund with the CCA in the amount of \$5,000.00. For this year we are working on an incentive program for volunteers and incentives to catch, photo and release fish, working on live fish turn ins. He reviewed our income and expenses for 2022 and announced that we have a club reserve of \$19,924.00. He also reviewed our projected expenses for 2023 as \$58,250.00. We are looking forward to an exciting year to come in 2023!

50/50 Drawing: Winner of \$170.00 was Carol Carter – Congrats!

Attendance at tonight's meeting was 70.

Motion was made to adjourn the meeting by Tim Beebe seconded by Sue McCarthy.

Meeting Adjourned at 9:40 PM.
