

FLAGLER SPORTFISHING CLUB

THE CHUM LINE

FROM THE HELM - A MEMORABLE MEMORIAL DAY WEEKEND BY CAPTAIN ADAM MORLEY

Ahoy, fellow anglers of the Flagler Sportfishing Club!

I hope this message finds you all in high spirits and filled with the joyous memories of a wonderful Memorial Day weekend. As we navigate the seas of our beloved hobby, it is essential to take a moment to reflect on the significance of this holiday and the sacrifices made by our brave men and women in uniform.

For many of us, Memorial Day is a time to honor and remember those who have given their lives in service to our nation. It is a time to pay homage to the heroes who have protected our freedoms and enabled us to enjoy the pursuits we hold so dear. Fishing, as we all know, is not just a hobby; it is a way of life. It connects us to the natural world and allows us to find solace, excitement, and camaraderie on the open waters.

I trust that over the long weekend, you had the opportunity to gather with loved ones, share stories, and create new memories. Perhaps you embarked on an unforgettable fishing expedition, casting your lines and reels into the great unknown, eagerly awaiting the thrill of a biting fish. Or maybe you relaxed on the tranquil shores, savoring the serenity of nature while swapping tales of past adventures. Regardless of how you chose to spend your time, I hope it was a memorable experience that brought you joy and rejuvenation.

FROM THE HELM CONTINUED

As the captain of our esteemed club, I am immensely proud of the spirit and dedication each of you brings to our community. Our collective passion for the sport of fishing fuels our endeavors, both on and off the water. We come together to share our knowledge, support one another, and foster an environment of camaraderie that is unmatched.

Memorial Day reminds us that our freedom to enjoy this beloved pastime comes at a cost. It is a time to reflect upon the sacrifices made by our brave servicemen and women who have paid the ultimate price. Their selflessness and unwavering commitment to protect our nation and its values are the very bedrock upon which our freedoms are built.

In honoring their memory, let us also remember to practice responsible and sustainable fishing. As stewards of the sea, it is our duty to protect the delicate ecosystems that support the diverse marine life we so cherish. We must adhere to catch limits, respect no-fishing zones, and always prioritize the preservation of our oceans for future generations. I would also like to express my gratitude to each member of our Flagler Sportfishing Club. Your passion, enthusiasm, and unwavering dedication to our shared pursuit are what make our community so vibrant and fulfilling. I am continually inspired by your stories, expertise, and willingness to lend a helping hand.

So, as we sail forth into the summer months, let us carry the spirit of Memorial Day with us. Let us honor those who have given everything for our freedom by cherishing the time we spend on the water, forging lasting memories, and continuing to grow as anglers. Together, we can ensure that the legacy of those who made the ultimate sacrifice lives on through our love of fishing and the preservation of our precious marine environments.

Tight lines and fair winds to you all, my friends. Until our lines cross once more, may your days be filled with good fortune and the thrill of a big catch!

Captain Adam Morley
Flagler Sportfishing Club

TOURNAMENT CHAIRMAN REPORT BY TIM MILLER

Tim Miller
tdtmiller@yahoo.com

Can you believe it? June is already here and we only have six more free club tournaments left. If you have not been able to enjoy one of our free club tournaments yet, June might be your month!

In case you missed it, we had our first of two Surf Tournaments on May 20, 2023. Members enjoyed another great lunch thanks to Frank Meekins and crew. Thank you to Deborah and Jeff McGriff for running this tournament.

The Club Bottom Trip was scheduled for May 13, 2023. Due to poor sea conditions, this trip has been rescheduled for June 4, 2023.

June 17, 2023 is the Team Tournament. This tournament is a team of two event, so a fabulous change to have your significant other fish with you. Like the Surf Tournament, this event will include a prize for the longest legal fish release. See flyer in this issue for more information.

The Catch Photo & Release tournament is in full swing. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. You only need to upload one released fish to qualify for the prize drawings. Then every five fish after that will get you more entries.

Check out our club website to see all the club's events, sign up for tournaments and even buy raffle tickets.
<https://flaglersportfishing.com/>

Thank you to all the volunteers that helped with club tournaments. Without this help the club would not be able to provide these magnificent events. Be sure to sign up as a helper for the next tournament. I still need tournament chairs for the Member Classic on September 23, 2023 and the Red, White and Blue Tournament on November 18, 2023. Without a chairperson these events might be cancelled.

Tim Miller
tdtmiller@yahoo.com

CLUB SURF TOURNAMENT I RECAP

The 1st Club Surf Tournament of the year was held on May 20th. It was a fun day with sunny, weather in the high 80's. We had 56 people show up to the weigh-in at Betty Steflik Preserve. Everyone seemed to have a really good time. There was lots of socializing and catching up. The raffle items were great and we all enjoyed a tasty lunch prepared by Frank Meekins and his team of helpers.

Raffle item winners:

Danny Carter won a surf rod and rod holder.
Jon Blazes won a sun hat, bait bubbler and sand flea rake.
Deb Marinco won a bubble cooler and a cast net.

Show up ticket winner was Lawson Glasergreen and the 50/50 winner was Carol Carter. Congrats!

Lots of pictures were taken by Becca Price and Lizzy Blyzes. It was much appreciated.

Thank you so much to everyone who helped out and also to the volunteers. We couldn't have done this without the support of these amazing people!

JUNE WEIGH MASTER REPORT BY SCOTT ROBERTSON

Scott Robertson
Weigh Master
(407) 373-5994

June's Fish of the Month are Kingfish & Dolphin

May's Fish of The Month was Amberjack. The winner will be announced at the June meeting.

June's Fish of the Month is Kingfish and Dolphin. Minimum size for Kingfish is 24" with a bag limit of 2 fish. Minimum size for Dolphin is 20" with a bag limit of 5 fish. Tim Miller won April fish of the month with a 2lb 2oz Florida Pompano. Congratulations, Tim!

The CPR (catch, photo, release) tournament is rolling along nicely. You can see the standings for both the Yearlong and CPR tournaments by going to the club web page and clicking on Fishing, then Yearlong Club Standings. Remember just one CPR submission gets you into the CPR drawing at the end of the year. We have a good supply of our official bump boards available to buy for \$20. If you wish to use your own bump board, it needs to be approved by the club and a sticker attached to be legal.

For all you freshwater fishing people, Largemouth Bass has been added to the eligible species list for the CPR yearlong tournament effective June 1, 2023. We have set a minimum size limit of 12". Please note that this is for the CPR tournament only.

A reminder for everyone fishing in our tournaments - all fish must comply with FWC rules. Fish brought to the weigh-in are required to be measured on the official club bump board before being weighed. Please take your fish to the bump board at the weigh table before putting it on the scale.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home, if I am available.

The Flagler Pier Bait Shop is now closed so you can no longer take your fish there to be weighed for the Yearlong Tournament.

Also note that Yellow Dog Bait Shop at Highbridge is now open and is an official weigh station. The boat ramps there are also open so give them a visit.

NOTICE - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> Then under Fishing click on YearLong Club Standings.

Thanks for everyone's support, and if you have any questions, please let me know.

[FLAGLERSPORTFISHING.COM](https://flaglersportfishing.com)

JUNE FISHING REPORT BY CAPTAIN TIM JARVIS

Inshore:

More tarpon should be showing up this month and all through summer. Look for them rolling in the C- section canals and deeper creek holes, the icw and the bridges from St. Augustine all the way to high bridge can hold some good size tarpon. Mullet, shrimp or pinfish underneath a popping cork can be a good technique for these fish. For artificial anglers try a weight less jerk bait or a mirro-dean. For the tournament anglers trout, flounder, and redfish bite has been good at lower tides on the flats using topwater and jerk baits at first and last light of the day. Fish grass edges at higher tides for these fish using a popping cork and shrimp, live mud minnow or finger mullet.

Captain Tim Jarvis
Three Lagoon Fishing Charters
321.794.3182
timjar963@gmail.com

Surf & Inlet:

I've been hearing reports of a mix bag of fish from flounder to whiting using jigs tipped with shrimp or clams. Try spoons and gotcha plugs for Spanish mackerel and big jacks. Pogie pods should start moving closer to the beach this month so keep your eye for them. There could be tarpon, kingfish, cobia and sharks feeding on them. The inlet will be a good place to fish the Club Team Tournament. Try a live mullet, shrimp or live mud minnow on a knocker rig for the redfish, trout, bluefish, flounder and whiting. You can throw spoons and gotcha plugs for the bluefish and jigs with shrimp for the whiting.

Off Shore:

The Mahi Mahi bite should be really good this month, look for diving birds and any floating debri. Troll naked and rigged ballyhoo for these fish and you have a good chance to hook a sailfish too. Bottom anglers will see a mixed bag from triggerfish, grouper and snapper. Use a knocker rig with any kind of cut bait or live pin fish.

Tight lines & good luck!

Thank you, Sponsors!

'kids4reel' IN THE COMMUNITY

The 1st official year of FSC's 'kids4reel' School Program was a success!

Thanks to our 'kids4reel' support team, including Deb Thomas, Deb Marinco, Dave Genk, Sue McCarthy, Mike Crotts and Jeff Murphy, we were able to support fishing programs to three local elementary schools, including Bunnell Elementary, Belle Terre Elementary and Wadsworth Elementary.

Tom Westly, a STEM teacher at Bunnell Elementary School, describes the important impact this program has had for their students, saying "The Flagler Sportfishing Club and their 'kids4reel' Junior Angler program have been paramount to the success of our fishing program at Bunnell Elementary. The financial and human support provided has allowed hundreds of students to experience the joy of fishing and the outdoors. "

Most recently, thanks to the leadership teams of Wadsworth Elementary School and Bunnell Elementary School, the school year finished strong with three wonderful fishing adventures in May!

Wadsworth ES held their inaugural kids fishing programs on successive days, led by Dean Cody Anderson at Herschel King Park. The selected 10-11 year old students made up two groups - one for the girls and one for the boys. Bunnell ES leaders Rob Kendall and Tom Westly held a similar girls' program at Herschel that same week.

Many of the participants were first time anglers who experienced the thrill of catching fish for the very first time! Their experience was enhanced by lots of wildlife sightings, including sea turtles, manatees, dolphin, tropical birds and a variety of fish caught!

Flagler Sportfishing Club 'kids4reel' volunteers supported the three programs with coaching, encouragement and of course, lunch for all! We are hopeful that the Junior Anglers will continue enjoying the outdoors and fishing during the summer break.

'kids4reel' is excited to expand to other local schools, including Rymfire Elementary School, which will embark with their sponsored fishing programs at the beginning of the next academic year, starting in August.

Thank you again to our 'kids4reel' volunteers! Their tireless efforts helping our local youth, many of whom are disadvantaged, will not soon be forgotten. We look forward to providing many more fishing adventures in the coming school year!

If you'd like to get involved with our 'kids4reel' Youth Angler Program please reach out to us at kids4reel01@gmail.com or visit <https://flaglersportfishing.com/product/kids4reel/> to make your tax deductible donation and help us get kids fishing!

Finally, if you have any used rods/reels in relatively good condition, please bring them to an upcoming FSC meeting so we can provide them to the participating schools. Thank you!

MAY MEETING MINUTES BY CAROL CARTER, SECRETARY**Club Meeting Minutes 05-02-2023**

Quick Tips – none this evening

Meeting was called to order by Club President, Adam Morley

Pledge of Allegiance – Presented by Ron Gorney

Passing of 04-04-2023 Minutes, Motion made by Dean Roberts and seconded by Tim Beebe. Minutes accepted.

Welcome New Members/Visitors/First Responders/Veterans/Active Duty – 1 guest tonight

Welcome Annual Sponsors – Sponsors in attendance are Adam Morley - Genung's Fish Camp and Mike Vickers from Hammock Bait & Tackle. We thank all of our sponsors, for helping us to continue to reach our goals.

Club President Adam Morley made an announcement – He read us the following statement:

On a serious matter; at our last board meeting, a motion was made to expel a long time member of the club. The motion was seconded and passed with 7 yeas, 1 opposed, two abstaining due to conflict of interests, as per the bylaws, the President only votes in the case of a tie. This was not the first time the club

had issues with this member and in the past, before my time, the board had voted to give the member a warning, instead of an expulsion. As per the bylaws this member can appeal, in writing to the board, the decision. I know some of the members here tonight came to support this member and object to this decision. But this is not the form and doing so won't help their case, I would instead ask you to write a letter of support and give it to the member to submit with their appeals letter. We thank this member for their contributions to the club in the past and regret that is has come to this. But the strength and mission of the club is the Board's priority. Thank you all for your understanding and with that, we are going to move on to the reports.

Reports:

Finance Report: Deb Marinco said the April income was \$24,690.17, the expenses for April were \$10,140.89 and the April Net Income \$14,549.28.

Weigh Master Report: Fish of the Month: Scott Robertson said seventy anglers have submitted nearly 200 photos for the CPR Tournament. The first photo gets a raffle ticket and then you get 5 more tickets after that.

MAY MEETING MINUTES CONTINUED

In the Year Long Tournament, seventy five fish have been submitted by the end of April. In the CPR tournament, beginning 6/01/2023, Largemouth Bass will be added to the species that can be entered. Flagler Pier Bait Shop will close as of June 1 st , 2023 and we can no longer use them for a weigh station. FOM for April was Florida Pompano, the winner was Tim Miller with a 2 lb 2 oz one, he received a prize of a \$50.00 gift card from Hammock Bait & Tackle.

Tournament Director Report and Upcoming Tournaments: Tim Miller said the April Spring Classic had 90 anglers fishing it. He asked that any of the volunteers who helped out please stand up and thanked us all. He does not have the final numbers yet, it will be forthcoming and the DAV will profit. On 5/13/23 the Bottom Trip will be held on the Sea Spirit out of Ponce Inlet, this is a member's trip with a fee of \$95.00, it will be \$130 for non-members and will open up tonight for them. There will be raffles and a 50/50 on this trip, there are 10 spots still open to non-members and you can sign up at the back table or online. You can bring food and drinks, there will be water available. Each year, anglers catch fish that will be eligible for the Year Long Tournament, so weigh in your fish. Watch your speed, there are speed traps in the area. The boat will hold a maximum of 40 people. On 5/20 our Surf Tournament will be held, fishing starts at 7 AM, weigh in will be at Betty Steflik Preserve from 2-3 PM. You can sign up at the back table for this, see more details in the May Chum Line. We are hoping for no East wind or seaweed. You can fish in St. Johns, Flagler or Volusia counties. He needs two more chairs for our upcoming tournaments – Sept. 23rd Members Classic and Nov. 18th Red, White & Blue Tournament. Please let him know if you can help out and run one of these tournaments. Adam reminded us to use club Bump Boards or Club Approved Bump Boards.

Membership Report: Quinn Bui said that we have 261 members, she is busy clearing up the non-renewals and the inactive members.

Club Election Nominations: Adam said that there are no qualified candidates running against the people in office, so these positions will remain filled with the people already in them. During this time, a man stood up and had concerns about the election process being governed by the club by-laws. Amy Krisanda stood up and said enough information is not out there and people want to know what is going on in the club. At the break, Adam was talking to the people and addressing their concerns. He advised that anyone wanting information to submit their questions to the Board of Directors.

Kids Ocean Day: 150 kids showed up, Kathy showed up with some other people to help the kids have a great day and learn about conservation and fishing. Thank you!

Break

CPR & First Aid for the Angler – Presented by Dena & Pat Laurienti.

MAY MEETING MINUTES CONTINUED

Deana is a nurse and Pat was a Firefighter for 36 years. They gave us a great presentation. Pat said that Florida has a Good Samaritan act that protects anyone rendering emergency first aid. If the person is conscious, ask them if you can render 1st aid to them. It is possible to injure a person while doing CPR. You are protected under this act. You want to get a 4-6 minute response, even out on a boat. Use a radio or call 911, even if you are offshore, they can get ahold of the Coast Guard. Do compression only, chest compressions get air in the lungs. If someone is on a bed, get them on something firm and flat like the ground. Give 100 compressions a minute, you can sing the Staying Alive song to keep you on track. Continue until the person breathes or if tired, someone else can take over. If a person is choking, do the Heimlich Maneuver on them, until the food is dislodged. If alone and choking, you can use a chair back, if on a boat, a boat chair or cooler. For Bleeding – use Direct Pressure, make sure to get a first aid kit that contains a tourniquet, always open the tourniquet and assemble it before you should need it, so it is ready. Many accidents can happen on a boat that concern bleeding. Watch a tourniquet video to make sure you know how to apply it. Make sure to record the time you start the tourniquet, you need to know if it is getting close to the 2 hour mark. Fish Hooks – they can be taken out by using your fishing line. Youtube has videos on how to do this also. But make sure if your hook is in a tendon, do not use this method – go to the Emergency Room, you don't want to do any damage. Thanks for all the great safety tips!

50/50 Drawing: Winner of \$140.00 was Mike Crofts - Congrats!

Attendance at tonight's meeting was 79.

Motion was made to adjourn the meeting by Ron Gorney seconded by Jorge Riano.

Meeting was adjourned at 9:30 PM.

YouTube

CLUB TEAM TOURNAMENT

Saturday, June 17th 2023
