

FLAGLER SPORTFISHING CLUB

THE CHUM LINE

FROM THE HELM - BY CAPTAIN ADAM MORLEY

As the President of the Flagler Sportfishing Club, I am thrilled to share the incredible success story of our recently concluded Local Brand Fishing Expo. The event surpassed all expectations, leaving a resounding mark on our club, local businesses, and the broader angling community. The triumph of this expo has solidified our commitment to making it an annual tradition, and I couldn't be more excited about the future.

From its inception, our vision for the Local Brand Fishing Expo was clear: to create a platform that celebrates local businesses, fosters community engagement, and provides invaluable educational opportunities for fishing enthusiasts of all levels. As the curtains drew on this inaugural event, I am proud to say that we not only realized our vision but exceeded it in ways we could have never imagined.

The heart of the expo was undoubtedly the array of local brands that showcased their products and services. From innovative fishing gear to sustainable tackle options, these local entrepreneurs added a distinct charm and authenticity to the event. Witnessing their dedication and passion was truly inspiring, and it reinforced the importance of supporting our local economy.

Our club's emphasis on education shone brightly through the various workshops and demonstrations that took place throughout the expo.

FROM THE HELM CONTINUED

Renowned anglers and experts from our community shared their wisdom, techniques, and insights, enriching the knowledge of attendees. These sessions were not just about honing fishing skills but also about promoting responsible fishing practices that contribute to the conservation of our aquatic environments.

The success of the expo was also buoyed by the presence of industry influencers and celebrities who graced the event. Their participation added an extra layer of excitement, drawing enthusiasts from far and wide. The connections made, stories exchanged, and lessons learned during these interactions further solidified the sense of unity within our angling community.

Looking ahead, it is with great enthusiasm that I announce our decision to establish the Local Brand Fishing Expo as an annual event of the Flagler Sportfishing Club. The overwhelming response from attendees, vendors, and participants has underscored the significance of this expo in promoting responsible angling, supporting local entrepreneurship, and fostering lasting connections.

Our future expos will continue to build on the foundation laid by this inaugural event. We aim to enhance the experience for both exhibitors and attendees, introducing new features, expanding workshop offerings, and engaging in collaborations that will elevate the expo to new heights.

As we embark on this journey towards making the Local Brand Fishing Expo an annual tradition, I am humbled by the dedication of our club members, the support of our community, and the passion of anglers who came together to make this first expo an unparalleled triumph. Together, we cast a line into the future, confident that the Flagler Sportfishing Club's annual Local Brand Fishing Expo will continue to be a beacon of inspiration, knowledge, and unity for years to come.

Captain Adam Morley
Flagler Sportfishing Club

TOURNAMENT CHAIRMAN REPORT BY TIM MILLER

Tim Miller
tdtmiller@yahoo.com

Despite the August heat, members got out for some Flounder fishing during the August 23, 2023, Flounder Tournament. Thank you goes out to Bill and Cookie Zimmer and crew for making this a successful event.

September will see the rescheduled Club Bottom Trip along with the Member Classic Tournament. The Bottom Trip will be on the Sea Spirit out of Ponce Inlet on September 16th. The club will subsidize part of the cost so members only pay \$95.00. See flyer in this issue for more information.

The Member Classic Tournament will be held September 23rd. This Tournament gives members a chance to win more prize money than our normal member free tournaments. While there is a cost of \$25.00 per member, paid in advance, prize money of \$2000.00 is up for the taking. See flyer in this issue for more information.

The yearlong CPR tournament is going strong. So far thirty members have released over 350 fish. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. You only need to upload one released fish to be entered into the prize drawings. Then every five fish after that will get you more entries. With ten winners just one fish has a good chance to win a prize.

Thank you to all the volunteers that helped with club tournaments. Without this help the club would not be able to provide these momentous events. I still need a chairperson for the Red White and Blue Tournament on November 18th. Be sure to sign up to run one of these club tournaments or as a helper. This is a fantastic way to get involved and meet your club members.

We will soon begin the process of developing 2024 events. If you have ideas for next year's tournaments, let me know.

Tim Miller
tdtmiller@yahoo.com

FLOUNDER TOURNAMENT RECAP BY BILL ZIMMER

If we were concerned that a weekday tournament would not be successful at the Flagler Sportfishing Club, we can stop worrying. We had 80 members come to the weigh-in at Bing's Landing with 20 Flounder weighed in by our Weigh Master, Scott Robertson and his crew.

Mark Hefley caught a nice 11oz Mangrove Snapper but a strange thing happened when Scott took the fish out of the weight bucket. A rock fell out of the fishes' mouth and after re-weighing the fish, it ended up being 10oz Mark must have a secret rock pile where the Mangrove Snapper hang out.

A big thank you goes out to our volunteers that prepared a great lunch of Hamburgers, Hot Dogs, Cole Slaw, Baked Beans, Chips, and Cookies. A little extra food was available just in case and it was finished off at the end.

Congratulations goes out to 1st place winner, Richy Willinger for his 4lb, 5oz Flounder and to our 1st place Mangrove Snapper winner, Tim Beebe with a 1lb, 1oz beauty.

Thank you to our Volunteers:

- Weigh In – Scott Robertson
- Food and Set-up – Cookie Zimmer, Bill and Marilyn Helman, Tessa Steendyk, and our Chef Chris Corrado
- Registration – Carol Carter
- Door Prize & 50/50 – Adam Morley and Mark Hefley
- Set Up and Tear Down – David Genk, Johnny Johns
- Pictures –Becca Robertson

SEPTEMBER WEIGH MASTER REPORT BY SCOTT ROBERTSON

Scott Robertson
Weigh Master
(407) 373-5994

September's Fish of the Month is Redfish

August's Fish of The Month was Snapper (not Red) . The winner will be announced at the September meeting.

September's Fish of the Month is Redfish. FWC rules for size are 18"to 27"with a bag limit of 1 fish. Tim Miller won July fish of the month with a 2lb 8oz Flounder. Congratulations Tim!

The CPR (catch, photo, release) tournament is getting a lot of action. Remember just one CPR submission gets you into the CPR drawing at the end of the year. You can see the standings for both the Yearlong and CPR tournaments by going to the club web page and clicking on Fishing then Yearlong Club Standings. We have a good supply of our official bump boards available to buy for \$20. If you wish to use your own bump board, it needs to be approved by the club and a sticker attached to be legal.

Don't forget Largemouth Bass is now an eligible species for the CPR yearlong tournament. We have set a minimum size limit of 12". I haven't seen any Largemouth Bass submitted yet so all you freshwater folks need to get busy. Please note this is for the CPR tournament only.

A reminder for everyone fishing in our tournaments - all fish must comply with FWC rules. Fish brought to the weigh-in are required to be measured on the official club bump board before being weighed. Please take your fish to the bump board at the weigh table before putting it on the scale.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home, if I am available.

Yellow Dawg Bait Shop at Highbridge is now open and is an official weigh station. The boat ramps there are also open so give them a visit.

The Shipyard in St. Augustine is no longer an official weigh station. Please have your fish weighed at one of our other locations.

NOTICE - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> Then under Fishing click on YearLong Club Standings.

Thanks for everyone's support, and if you have any questions, please let me know.

SEPTEMBER FISHING REPORT BY CHRIS CREGO**Flagler County Fishing Report – September 2023**

Chris with Skinny Water Lures is proud to bring you this month's fishing report.

Welcome to the Chum Line family, Chris!

The month of August started off with a full moon but lots of rainfall. During the days after the full moon phase allowed for higher tides, which caused more water movement. Several days after the full moon, the bite picked back up. Fish will feed all day and night when we have large full moons, casting plenty of light into the water and allowing predators to be more active for longer periods of time. As the full moon approaches, the fish get excited and start taking advantage of the more powerful tides and more time to feed. Once the full moon gets to full swing, the fish have been feeding hard for a few days and nights, leading them to get more sluggish and less aggressive. On the backside of the moon, they get excited and hungry again, as if they know the moon phase is changing. Take advantage of this increase in fish activity during these full moon phases.

As the month carried on, the daily rainfall appeared to dissipate, bringing very hot days. During these hot months and days, focus on the early morning bite. First light bite has been plentiful with topwater action. Making several casts in one area around oyster bars and deep channels with moving water has been producing big numbers of redfish. Concentrate on making multiple casts in one area when using topwater. Don't make one cast and move on, the sound from a topwater lure will have fish in that area searching for the noise, allowing them to strike the lure after multiple casts. Also, multiple redfish are being found grouped together during these early morning bites, so if you catch one most of the time there will be multiple others in the area. Once the sun starts to rise and warm up the water, we found changing to a lure that stays closer to the bottom has been working best. As the water warms up throughout the day, you will find these redfish will change their feeding to deeper water and closer to the bottom where the water temperature is coolest.

For anglers that like to use live bait we have found live shrimp or mullet paired under a popping cork early morning has worked great. Again, focus multiple casts in one area. That popping cork will have fish in the area searching for that noise made by the popping cork. Once the sun heats the water change to a bottom rig and focus closer to the bottom where the water temperature is coolest.

If you struggle with the heat during these dog days of summer when the weather is tremendously hot, try to focus on the nighttime bite when the weather is at its coolest temperature. Redfish and snook are still feeding well around the nighttime period, hugging the bottom on the edges of the dock lights, bridge lights, and jetties around the ICW and Matanzas Inlet. Upper slot snook are being caught during these nighttime hours around the docks as they chase bait through the lights. Try using a swim bait style lure like a paddle tail or a twitch bait with little to no weight. Little to no weight will allow these lures to stay under the lights and in the strike zone longer, giving you a better chance. Free lining live shrimp or mullet tossed up stream and allowing it to flow with the current through the light has been working excellent as well.

SEPTEMBER FISHING REPORT CONTINUED

Flounder numbers have been low this month due to the heat, but the quality of caught flounder has been great. Upper slot doormat size flounder are being caught around deep channels with moving water. Sandy bottom areas around the Matanzas Inlet have been producing good size flounder as well. These flounder are being targeted with curly tail grubs or paddle tails, paired on a jig head. Focus bouncing or drag these lures along the bottom for more strikes. Paddle tail style lures paired with a spinner bait worked close to the bottom have also done well. Live mud minnows on a bottom rig are producing good numbers also.

Multiple numbers of tarpon are still being caught around the Matanzas Inlet and the old Sea Ray canal areas during this month. Focus using live mullet or pin fish under a popping cork or freelined.

Thank you for checking out this month's fishing report.

'kids4reel' IN THE COMMUNITY

'kids4reel' gains momentum & membership!

Our Annual Kids' Fishing Clinic, led by Capt. Mike Vickers & over 40 FSC volunteers, is in our rear view mirror but its benefits continue! Some of the 'kids4reel' junior anglers that participated in our annual clinic have resulted in new FSC memberships of their guardian/parents and we saw several at our recent 'Local Brands Fishing Expo'... they're hooked for sure!

In addition, with our Flagler Elementary School students returning to class recently, our 'kids4reel' volunteers will be busy supporting our four 'partner schools' that will be running Junior Angler Fishing Club adventures each month of the academic year.

As a reminder, our four sponsored, partner schools are:

- Bunnell ES
- Belle Terre ES
- Wadsworth ES
- Rymfire ES

We have many reasons to be proud supporters of our local youth, their parents and our schools. These youth angler programs will positively impact hundreds of our children in the coming months.

If you wish to join our 'kids4reel' volunteers assisting our youth, please contact jeff.murphy@thinktmg.com 703-919-4845

AUGUST MEETING MINUTES BY CAROL CARTER, SECRETARY**Club Meeting Minutes 08-01-2023**

Meeting was called to order by Club President, Adam Morley

Pledge of Allegiance – Presented by Ron Gorney

First Responders/Veterans/Active Duty Recognized

Welcome New Members/Visitors/Welcome Annual Sponsors – There were 6 members/guests at tonight's meeting. Sponsors present were Adam Morley from Genung's Fish Camp and Mike Vickers from Hammock Bait and Tackle.

Passing of 07-11-2023 Minutes, Motion made by Tim Beebe and seconded by Tim Miller. Minutes accepted.

Announcements:

Adam said The Fishing Expo will be held on 8/12 at the VFW from 9 AM – 1 PM. It will feature local brands of merchandise and each vendor will hold a mini clinic. On 8/22 there will be a special Members Only Finance Meeting at the VFW starting at 7PM. Any member who wants to know about the finances of the club can attend.

Reports:

Finance Report: Deb Marinco is away and Tim Miller said the income for July was \$3,176.00, Expenses were \$3,800.00, net loss of \$624.00 mostly due to membership cards - \$587.00 for the cards. Quinn mentioned that if we think the membership cards should not be done in the future to let her know. Net Income to date is \$12,675.00. Will finish out the year with donations to kids4reel program. Dues start in Oct., calendar year now for 2024 membership year, it will be \$70.00.

Tournament Director Report & Upcoming Tournaments: Tim Miller said the Overnight Trnmt. was held on July 21st & 22nd. We had a good turnout but had to draw 2 places for redfish and black drum. On August 23rd we will hold our first weekday Flounder Trnmt. fishing starts at 6:30 AM from anywhere, weigh in is at Bings Landing from 2-3 PM. Chairperson is Bill Zimmer. Sign up sheets are at the back table or you can sign up online. Bill said there will be a picnic lunch available and he has a sign up sheet for volunteers. Due to weather cancellations, the sign up for the Club Bottom Trip is open August 1st, you must pay when you sign up for the trip. It is \$95.00 for member fee, This trip will be open to non-members after Sept. 5th , cost will be \$130.00 for non-members. The new date for the trip will be on Sept. 16th .

AUGUST MEETING MINUTES CONTINUED

Weigh Master Report: Scott Robertson said, the FOM for July was Flounder, all the weigh in slips have not been picked up yet, so he will report on the winner at the Sept. meeting. The CPR and year long will be updated also. Go online and look up standings on July 14 or 15th. Winners of the Red Snapper Trnmt. were: 5th place Warren Willis \$120.00, 4th place Dale Anderson \$130.00, 3rd place Ryan Lukaszewski \$140.00, 2nd place Kevin Clymer \$150.00 and 1st place Mark Heffley \$160.00 at 23.1 lbs.

Membership Report: Quinn Bui said we have 307 members at this time. Quinn will be chairing the Fishing Expo on August 12 th at the VFW, there will be 14 vendors and they will be holding mini clinics. She needs volunteers to help, see her for the sign up sheet.

Kids' Fishing Clinic: Adam said this event was a huge success, 153 kids received free fishing rods and bait buckets, and got to go to the stations and learn about equipment, conservation, got to go to the banks at Herschel King and fish. Snook and mangrove snapper were caught. He thanked Mike Vickers for putting it all together and for the many volunteers that helped. Andy Block, David Genk and Jeff Rafter helped feed the kids, volunteers and parents hot dogs. Cast netting was taught by Mike Crofts. FWC had a booth and the kids learned a lot.

Break & Ice Cream Social Event continued – there was some ice cream left over from the last meeting and Quinn brought it back in so the members could enjoy another bowl full of it!

Guest Speaker: Rob Otlein

Rob told us that to be good at fly fishing you need to practice and you can do that on your lawn. He uses an 8 weight fly rod, you should start with a 6 weight to 12 weight for saltwater for tarpon and a 15 weight for Marlin. You use a floating line that stays on the surface, you will use that the most. He uses a glass minnow fly, snook love the color white. Put the pattern of what the fish are feeding on as the fly like shrimp or mullet colors. You can fly fish all year round. He targets trout, snook and tarpon in the summer. He crushes the barbs on the fly to make it easier to get the fish off and not kill them. He crushes the barbs on all treble hooks. Ties a loop knot on all his flies and uses a perfection loop knot. He advises taking a few lessons and let the instructor critique you. Question was asked if he has tried fly fishing in the surf? He said he has never tried it here. He also said if the wind is coming straight at you or at your back, then you need to change the way you cast. He also mentioned Last Cast Bait & Cast Co in Ormond Beach, Old City Fly in St. Augustine or Black Fly in Jacksonville are places you could check out to buy equipment to fly fish. He offered to show the members how to fly cast outside if anyone wanted to see how it is done.

AUGUST MEETING MINUTES CONTINUED

We had 59 members in attendance tonight.

50/50 Drawing: Winner of \$105.00 – Jeff Leopardi – Congrats!

Meeting Adjourned at 8:45 PM.

Minutes were submitted by Carol Carter, Club Secretary.

Thank you, Sponsors!

FINANCIAL MEETING MINUTES BY CAROL CARTER, SECRETARY**Financial Meeting Minutes 08-22-2023**

Meeting brought to order by President, Adam Morley at 7 PM.

Deb Marinco, Treasurer handed out packets. Included in these packets were page copies, Volume 24, Issue 6 from the Chum Line and page 14 (blue) from the Financial presentation, presented to the membership. With a category of net and loss of \$8,341.00. She explained how much money was in reserve. The other sheet had the item of the Star Scholarship of \$5,000.00, that was money donated from the 2021 budget activity. It should be a separate line item showing and came out of The 2021 equity. It was published in the June Chum Line, dated May 31 st , 2023 on pg. 12, that should have come out of retained assets-Cash basis, it should have come out of the other budget. In the Chum Line annual reports don't show prior year expenses.

Deb is working with the bookkeeper and when you see the year end report, you will see it in the proposed Budget. Deb tried to show you what was spent in 2022. Adam addressed the 16 members who attended and asked Them what it was that they had questions or concerns about.

There were 8 Directors/Officers present at the meeting. This was strictly a Financial Meeting and as such, the only questions that were addressed to that subject were answered. Adam said we are now a 501c3, so we have to be in accordance with The 501c3 status. In the past, money was not accounted for as well as it is now and there have been changes since the Financial Report is more than just saying there is money in the bank! When the club conducted a survey a few years back with the members, they wanted to shorten the business end of it and the minimum of information was given per state statutes. Capt. Amy Krisanda sent email to the board with 9 concerns she wanted answers to. With a category of net and loss of \$8,341. Deb explained how much money was in reserve. The other sheet handed out had the item of the Star Scholarship of \$5,000.00, that was money from the 2021 budget. The board addressed all the financial concerns.

Deb said the approved 2022 budget had a \$1900.00 loss but actual loss was just over \$3,000.00 got sponsor money with carry over money to cover that. It is the format that has changed in going forward. We all want transparency. Adam said Mike Vickers, Vice President is looking for volunteers to be on his By Law Committee to help in reviewing and updating the club by laws. Deb broke down monies that are donated to the Kids4reel program.

FINANCIAL MEETING MINUTES CONTINUED**QUESTIONS ASKED AND ANSWERED**

It was brought up that there was a club credit card being used that shouldn't be. Deb confirmed that the club does not have a credit card being used, Tim also confirmed that the card was cancelled. Question raised that at the slide show presentation of the year end review for 2022, an item showed in the budget that a \$1,000.00 donation was made to the Flagler Beach Police. What was this for- was it to do with a golf outing that Beach Front Grille was having? Deb and Tim both responded that in checking the bank account no check or donation was ever issued for that amount to either Beach Front or the Flagler Police. Question on rentals are all spelled out-instead of being lumped together, they show on the budget as Christmas Party, Club Functions, Bottom Trip, Park Rentals, all are separate items. Tim said the Bottom Trip is a net number in the budget. It is on the P & L as \$5,500 in income and expense-it is a wash. The P & L will be higher.

Our goal is to have \$20,000.00 in equity retained earnings. Question raised about the term Reserve Monies. Discussion about that resulted in now referring to it as equity retained earnings or Operations checking account. Question was raised over saying in 2021 that an independent audit had been held. Tim said that he said at the member meeting that an audit had been done when it was actually a review. Cost of audit is very, very expensive but a member said a CPA can do an independent review that will not be as expensive as a line by line audit. Question raised over Spring Classic for 2023 not having any T-shirts, buckets or food. Tim answered that no one wanted to run it, so he stepped up. It was late to get sponsors & shirts made, cost is thousands of dollars and also cost of buckets – that would be a loss of that money as a donation for the DAV from us. The Spring Tournament doesn't serve food, in the past we have held it at restaurants so members could buy the food there. A few people mentioned sending emails to Adam but getting no answers. Adam said instead of sending him emails just call or text him with any concerns.

Before we left, we asked if questions were answered and were the members satisfied and the answer was yes, all the questions were explained, answers were given and changes will be made in the future so the members can better understand our financial spending and expenses.

Club Bottom Trip

Saturday, September 16th

[Click Here to Sign Up](#)

386-763-4388

Join your club members for an all day fishing trip aboard the 65' Sea Spirit!

The boat holds up to 55 people but the trip is limited to the first 40 members that pay in advance.

- Cost is \$95 for members, \$130 for non-members. Sign-ups start August 1st 2023 "Open to non-members after September 5th."
- Price includes: Boat, Bait, Tackle, Crew Tips, Bottle Water, and entry into Big Fish Jackpots.
- 1st place fish- \$100; 2nd place fish- \$75; 3rd place fish- \$60; 4th place fish- \$50; 5th place fish- \$40. Big Fish Jackpot is paid for fish on yearlong tournament list only.
- Calcutta: biggest fish from yearlong tournament list. \$5 buy in. Raffle & 50/50.
- Big Fish Jackpot is paid for fish on yearlong tournament list only.
- You may bring your own beer, food & tackle. No glass bottles or hard liquor allowed.
- No braided line allowed. Small coolers only, please.
- Sea Spirit leaves at 8am and will return around 5pm.
- Drawing at 7:30am for fishing spots at the back of the boat.

Directions from Palm Coast:

1. Take Interstate 95 South to the Port Orange Exit #256, State Road 421
2. Turn Left (East) on Dunlawton Avenue for approximately 4 miles.
3. Cross over the ICW and continue to A1A (Atlantic Avenue), Turn Right (South) on A1A
4. Go approximately 6 miles South on A1A, "Watch Your Speed," then turn Right (West) on Beach Street.
5. Sea Spirit parking is on the right, just before you get to Front Street.
6. Continue to the end of the road to Down the Hatch Restaurant & Marina, 4884 Front St., Ponce Inlet
