

# FLAGLER SPORTFISHING CLUB THE CHUM LINE

## FROM THE HELM - BY CAPTAIN ADAM MORLEY

I am delighted to share some highlights from our recent Flagler Sportfishing Club events. The Surf Fishing tournament was a resounding success, and I couldn't be prouder of my wife and son for their enthusiastic participation and memorable experience.

I had the pleasure of volunteering to help serve food at the weigh-in, witnessing firsthand the excitement and camaraderie that make our club events so special. A huge shoutout to Amy for her fantastic organization of the tournament, ensuring it was a day filled with joy and friendly competition.

Additionally, our Club Picnic was a hit, drawing in a wonderful turnout and creating lasting memories for those who were able to attend. I, unfortunately, couldn't make it due to work commitments, but I heard nothing but positive feedback about the event. Your active participation truly makes these gatherings a success, and I appreciate everyone's support in making our events such a hit.

As we gear up for the next club meeting, I want to inform all members that we've shifted the date to the second Tuesday for November. I urge each of you to mark your calendars and join us for what promises to be an insightful and engaging gathering. Your presence is vital in shaping the future of our club, and I look forward to seeing you there.

Tight lines and warm regards, Capt Adam Morley

## 2023 ANNUAL CLUB PICNIC

The sun was shining, and there was lots of excitement as members gathered for a memorable club picnic. We had a great turnout with 84 guests, creating a warm and inviting atmosphere filled with laughter and camaraderie.

The Swap Shop was a big hit with plenty of bargains and treasures to be found!

Soon to be new members of the club, Greg Kucharewski & his wife, Kathy, donated fishing equipment that Danny Carter sold at the picnic Swap & Shop. Proceeds of \$50.00 will be donated to the 'kids4reel' program. Thank you, Greg & Kathy!

As the cornhole boards were set up, members formed teams, and the first bags were tossed. A crowd gathered and everyone cheered the players on. Congratulations to Antonia & Gerry Agerbek for winning the completion! The winners both received gift cards.

Money Collected:

50/50: Club split was \$180

Raffle: Collected \$375

Guest fees: \$10, \$20 donation from a member (Mark Webb)

The raffle prize winners were: Cast Net - Kelvin Byrne, Pair of Vases and Sailfish Print - Danny Carter, 8' Surf Rod - Gerry Agerbek, Filet Knife - Heidi Payne, Dip Net - won and donated back to the club and re-won by Ernie Morris, Fish Gripper & Thermometer - Gail Petras, 2 Gift Cards - Bill Zimmer, Fish Pliers - Rick Allison, Bait Bucket - Antonia Agerbek. 50/50 winner was Darla Allison.

Our club picnic was a resounding success, thanks to the fantastic turnout, the mouthwatering dishes, and the hard work of Mary, Chuck, Ron, and all the dedicated volunteers. We can't wait for the next gathering, and we're certain it will be just as spectacular as the picnic.

**TOURNAMENT CHAIRMAN REPORT BY TIM MILLER**

Tim Miller  
tdtmiller@yahoo.com

The club had our second surf tournament on October 21, 2023.

Members enjoyed a day on the beach and a great meal at the weigh-in. See Surf Tournament summary for results of the Tournament.

Our last club tournament will be on November 18th. The Red, White and Blue Tournament will give members the chance to win prize money for these three species: Redfish, Whiting, and Bluefish. This Tournament will also be serving fried fish at the weigh-in so be sure to RSVP and join us for a tasty lunch, even if you don't plan to fish! The flyer and link to sign-up is in this edition of the Chum Line.

The yearlong CPR tournament is in full swing. 25 plus members have released a total of 400+ legal fish in 11 distinct species. Remember that fish must be of legal length and in season to count for CPR Tournament.

Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. You only need to upload one released fish to be entered into the prize drawings. Then every five fish after that will get you more entries.

Thank you to all the volunteers that helped with club tournaments. Without this help the club would not be able to provide these magnificent events. Be sure to sign up as a helper for the next tournament.

2023 CLUB SURF TOURNAMENT II RECAP  
BY CAPTAIN AMY BETH KRISANDA

Hello to our members and guests! On Saturday October 21st 2023, FSC sponsored the Surf Tournament at Betty Steflik in Flagler Beach.

68 people signed up for the tournament, 56 people showed up for the weigh in at Betty Steflik Preserve. Raffle Prizes winners were: Googan Squad Mondo Kit of bait tackle- Nick Sinotte, Googan Squad Mondo Kit of boat tackle- Heidi Payne, Igloo Tumblers -his and hers - Elena Spadarzewski, Blue Water Fishing Tales Book - Danny Carter, West Marine Dry Bag - Gerry Agerbek, West Marine Dry Bag - Ron Stark, Igloo Cooler Bag - Elena Spadarzewski and the second Igloo Cooler bag was won by Ron Stark.

50/50 prize of \$90.00 was won by Nadya Wirlo - Show Up ticket for Beach Front Grille \$25.00 Gift Card was won by Weigh Master, Scott Robertson

Our attendees enjoyed 12 feet of delicious Italian combo subs (wedges for us northern folks) which also included 3 feet of turkey and Swiss cheese. Sub Base Deli in Palm Coast prepared the sandwiches and they were a big hit! We had all the fixings to accompany the subs; including, macaroni, potato salad and coleslaw. We also had hot dogs with more fixings. Extra large cookies and watermelon were enjoyed for dessert. Too many goodies to list! We all left full and satisfied.

Special thanks to my new Dynamo crew...set up crew, Ron Starks and Jeff "Murph"y. Elena and President Adam were my servers. Carol Carter, Deb Marinco and Tim Miller did an amazing job keeping everything in order, especially with me at the helm. My Joe was the "all around guy," assisting me for days leading up to the tournament. Becca was our photographer and we also had FSC items for sale by Mary Phillips. Scott Robertson weighed in the catch of the day. He will have the report for you on the winners. I believe we all were winners at this event. It was a wonderful day!

Thank you to everyone who came out to help and to enjoy!

Captain Amy Beth Krisanda

**Weigh Master**  
**(407) 373-5994**

**November's Fish of the Month are Snook / Spotted Seatrout**

October's Fish of The Month was Bluefish. The winner will be announced at the November meeting.

**November's Fish of the Month are Snook and Spotted Seatrout.** FWC rules for Snook are 28" minimum and 32" maximum with a bag limit of 1 fish. FWC rules for Spotted Seatrout are 15" minimum and 19" maximum with one fish over 19" allowed. Total bag limit is 5 fish.

**Tim Miller won September fish of the month with a 6lb 0oz Redfish. Congratulations, Tim!**

The CPR (catch, photo, release) tournament is getting a lot of action with over 475 photos submitted. Remember just one CPR submission gets you into the CPR drawing at the end of the year and the more photos you submit, the better your chances of winning a great prize are. The Yearlong tournament has 275 entries at this time. You can see the standings for both the Yearlong and CPR tournaments by going to the club web page and clicking on Fishing then Yearlong Club Standings. We have a good supply of our official bump boards available to buy for \$20. If you wish to use your own bump board, it needs to be approved by the club and a sticker attached to be legal.

Don't forget Largemouth Bass is now an eligible species for the CPR yearlong tournament. We have set a minimum size limit of 12". I haven't seen any Largemouth Bass submitted yet so all you freshwater folks need to get busy. Please note this is for the CPR tournament only.

A reminder for everyone fishing in our tournaments. All fish must comply with FWC rules. Fish brought to the weigh-in are required to be measured on the official club bump board before being weighed. Please take your fish to the bump board at the weigh table before putting it on the scale. If you weigh in a fish at a club tournament, I will enter the data in the Yearlong Tournament. There is no need to take the fish to a weigh station.

CPR photos for tournaments must be shown to the weighmaster at the tournament and must include a timestamp on the photo to be eligible to win a prize as noted on the tournament flyers.

If you ever have a problem weighing in at one of our weigh stations, you can call me and come by my home, if I am available.

Thanks for everyone's support, and if you have any questions, please let me know.

**\*\*NOTICE** - The overall species Leaders and Full Point Standings are updated at the end of each month on the club website:  
[flagersportfishing.com](http://flagersportfishing.com)  
 Then under Fishing click on YearLong Club Standings.

**NOVEMBER FISHING REPORT BY CHRIS CREGO****Flagler County Fishing Report – November 2023****November Fishing Report brought to you by Chris with Skinny Water Lures.**

October started off the month with a Waning Gibbous moon phase which is 93 percent full. This allowed those predatory fish to feed tremendously a couple days leading up to Sunday and a couple days after Sunday. This moon phase also allowed these fish to feed longer throughout the night.

The late night trout and snook bite was going off under the dock lights and around the Palm Coast bridges. We found throwing a paddle tail style lure or an artificial shrimp style lure under a popping cork around these areas at night got the job done.

Good numbers of flounder were caught the beginning of the month on the incoming tide around creek mouths and thinned out grassy areas. We found downsizing the paddle tail to a 2.5 inch paddle tail with a very slow retrieve barely off the bottom had the fatties chewing. We were finding 2-5 flounder in the same area at times, so don't rush to move spots after hooking into a flounder. More than likely there will be more lying around.

Early in the month, in the days leading up into the first Sunday, we were catching up to 15-20 reds per day. These reds were being caught on everything from 4 inch to 2.5 inch paddle tails and topwater plugs. We are starting to notice larger schools coming together hanging around the thinned out grass flats early and mid morning.

Due to the excessive rainfall and super high tides a lot of these reds were found pushed back into those areas of flooded grass flats. We noticed a lot of these reds that were pushed back into the flooded grass were feeding on bugs on top of the water. We switched lures to a SWL creature style fineness bait that's weedless and threw into the grass. The redfish would ambush these lures from under the grass, kind of like retrieving an artificial bass frog across Lilly pads.

Mid-October the weather started to cool off, helping to lower the water temperatures. There was still an abundance of bait fish hanging around the flats. Due to the abundance of rain in mid-October, the tides were still super high. Morning topwater bite was starting to slow for redfish, but multiple trout and snook were caught early morning in the long creek area on topwater.

Very good numbers of redfish were caught on incoming and outgoing tide using a paddle tail lure close to the bottom. It was noticed that paddle tails with chartreuse tails were a preferred choice for redfish around this time. Due to the flood tides, multiple redfish were also caught cruising through or along the grass banks. Focus your cast parallel to the banks and you will be sure to get a bite.

**NOVEMBER FISHING REPORT CONTINUED**

The cooler weather in mid-October had the trout bite on fire. Good numbers of trout were caught on early morning topwater. Midday the trout were found in areas with flowing current on bright colored paddle tails. The snook bite seemed to also pick up once this cool weather came in.

Full moon phase came in late October - look for the bite to really pick up several days before and after this phase.

The bait fish are still plentiful in the flats. Large schools of Jack Crevalle were found in the Bing's Landing area feeding on the abundance of bait fish. Throw any topwater, twitch bait or paddle tail into these schools and you will be fish on!!

Flood tides continue late October in the High Bridge and long creek areas due to the abundance of rain fall the weeks prior. These flood tides have made the bite slightly tough due to the fish being able to adventure and push into new areas.

The snook bite continues to get better with great topwater action at first light. Focus working the topwater parallel to the banks with structure or rock piles.

The continuous cool mornings in late October have turned the trout bite on. Fish the areas with moving water or drop offs with a bright colored paddle tail or twitch bait.

Late October we found the redfish to be hanging around areas of flooded grass. Due to the higher tides, these redfish are pushing into these grass flats to feed on crustaceans, bugs and baitfish. During these times of flooded tides the baitfish, crustaceans and bugs will push into the grass flats to use these areas for protection from predatory fish.

We want to also remind everyone from now until January 13th take advantage of the 50% off Florida Gold Sportsman's license and get your fish on!!

Thanks for checking out this month's fishing report. Tight Lines!!

## 'kids4reel' IN THE COMMUNITY

The Girls' Fishing Club at Bunnell Elementary School, with the support of *kids4reel*, embarked on another exciting fishing adventure this month.

Mother Nature blessed them with perfect weather, making the day even more delightful for these passionate young anglers. The outing wouldn't have been as successful without the invaluable guidance and support from Braylynn Von, Sue McCarthy, and Deb Marinco, who played pivotal roles in the girls' achievements. Almost every student participating caught a fish!

In addition to their fishing triumphs, the girls had an extra treat awaiting them at the end of their adventure. Halloween cupcakes and cookies added a sweet touch to an already enjoyable day. These experiences offer a perfect blend of education and fun for the kids involved, allowing them to learn new skills, appreciate the great outdoors, and create cherished memories that will undoubtedly last a lifetime.

Our FSC 'kids4reel' partner school program provides an initial seed donation, rods/reels, coaching and often lunch for all to four participating schools in Flagler County. Stay tuned for more exciting news from our other partner schools including Belle Terre, Wadsworth & Rymfire Elementary Schools.

**We'd also like to take a moment to recognize Braylynn Von, who just recently joined FSC as a member. Braylenn has quickly become an invaluable member of our *kids4reel* core team. Welcome Braylenn!**

Finally, if you want to assist in our 'kids4reel' program, either with donations and/or volunteering, please contact Jeff Murphy, [jeff.murphy.tmg@gmail.com](mailto:jeff.murphy.tmg@gmail.com) 703-919-4645

**Break****Guest Speaker: Georgia Young from US Coast Guard Auxiliary**

Georgia spoke on boat safety and the low-down on Personal Vessel Safety Requirements to the members and guests in attendance. She is with the Coast Guard Auxiliary of St Aug - right arm - volunteers to the US Coast Guard. The US Coast Guard Auxiliary volunteers cannot carry or arrest people, but will cook for the US Coast Guard when in need. Safety material was available at the back table of the meeting room. Georgia shared the Auxiliary provides classes on boats after 636 fatalities reported in 2022, less than the prior year. Over 63 million dollars in Property damage in 2022. Alcohol leading cause of deaths on the water, with operator error next, then drowning - falling overboard. She went over the use of ECOS (Engine Cut off Switch). As of Jan 1st 2020, you need to use the ECOS if stop by the Coast Guard, fine given if not. Georgia reviewed life jacket importance and how valuable a boat safety class can be. There are 5 different life jackets, time was spent discussing each. Coast Guard Auxiliary will perform a Boat Safety Check. If the boat passes a boat safety check, you will get a sticker to put on the boat. She reviewed how to apply your boat numbers, PFA ready, documents if your boat is over 26'. Discussion continued on distress items, Night Fishing and carrying a fire extinguisher. Your boat safety class card should be with you on the boat. If you are born after Jan 1, 1988 - must have this card with you. Georgia was fantastic tonight sharing knowledge of safety on the water! BIG THANKS for coming!

OCTOBER MEETING MINUTES CONTINUED

We had 60 members in attendance tonight.

50/50 Drawing: \$95 went to Bob Reuther - Congrats!

Bump Board: Carol Anderson winner - Congrats!

Motion to adjourn meeting was made. Meeting Adjourned at 8:55pm.

Minutes respectfully submitted by Deb Marinco in Carol Carter's absence.
