

FLAGLER SPORTFISHING CLUB THE CHUM LINE

FROM THE HELM - BY CAPTAIN ADAM MORLEY

Ahoy, Fellow Anglers of the Flagler Sportfishing Club,

Captain Adam Morley here, and I hope this letter From the Helm finds you in high spirits as we sail into the promising winds of spring! The scent of saltwater is in the air, and I can practically hear the fish calling our names as the warmer weather approaches.

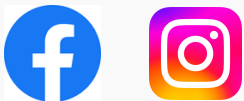

I'm thrilled to share the news that our beloved fishing season is upon us, and what better way to kick it off than with the upcoming Members Clinic on March 9th. It's not just another gathering – it's a chance for us to come together, share tales of the one that got away, and gear up for the exciting adventures ahead.

I'm particularly excited to announce that at the clinic, I'll be "Talkin Tides" – a subject near and dear to every angler's heart. We'll dive into the rhythm of the tides, exploring how they can be our allies in the pursuit of the perfect catch. Whether you're a seasoned veteran or a novice angler, there's always something new to learn about the dance of the tides.

FROM THE HELM CONTINUED

This clinic is more than just an opportunity to enhance our fishing knowledge; it's a celebration of our shared passion for the sport and the camaraderie that makes the Flagler Sportfishing Club truly special. So, mark your calendars, set your sails, and let's make March 9th a day to remember.

I'm genuinely looking forward to seeing each and every one of you at the clinic. Let's make it an event filled with laughter, learning, and, of course, a touch of that indomitable spirit that defines the Flagler Sportfishing Club.

Wishing you tight lines and fair winds,
 Captain Adam Morley

TOURNAMENT CHAIRMAN REPORT BY TIM MILLER

Tim Miller
tdtmiller@yahoo.com

The club free member tournaments are off to a great start with our second tournament now in the books. Despite the cold windy conditions, the Black & Red Tournament had a strong turn out of members to enjoy outstanding food and fellowship. Hats off to Mark and Tom Juliano for running an outstanding tournament. Look for list of winners and full details in this issue of the Chum Line.

The CPR tournament is in full swing. Get your club bump board and start entering your fish for a chance at great prizes at the end of the year. Prizes are a Club Shirt, Club Jacket or Sponsor Gift Card. Just one fish gets you an entry ticket and every five fish after that. Ten winners will be drawn from the tickets at the end of the year.

Our next tournament will be the Spots on March 13, 2024. Note that this is a Wednesday Tournament. See flyer included in this issue with all the information. With \$700.00 in prize money, this is an opportunity to win money to cover your 2024 dues. Be sure to sign up in advance so that we will have enough food to go around. Use the link below to see all the events for 2023, so you can plan your year with your Fishing Club.

[Upcoming Events – Flagler Sportfishing Club](#)

The club's annual charity tournament, "Spring Classic" is April 20, 2024. This event is currently in the planning stages to benefit the DAV. We are looking for raffle items and items for the silent auction. If you know of businesses that might donate items, let me know. The club has a non-profit Tax ID number that can be used for tax purposes.

Thank you to all the volunteers that helped with the first two tournaments. Without this help the club would not be able to provide these magnificent events. Be sure to sign up as a helper for the next tournament.

TOURNAMENT CHAIRMAN REPORT CONTINUED

I am still in need of tournament chairs for the last three months of this year. Sign up to run one of the club free tournaments and you will be in control. Running a tournament is easy and a fantastic way to meet members. Send me an email or talk to me at the next club meeting and I will give you all the details.

The Black and Red Tournament was held Saturday, February 17th in what was supposed to be a total washout if you listened to the weatherman. However, the 74 members and guests that signed up to fish the tournament were pleased that the heavy rain held off until much later in the day. There were some very nice fish caught, but the Redfish may have been watching the same weather forecast as the rest of us as we did not “fill the board” with those yellow poster notes that we all love to see.

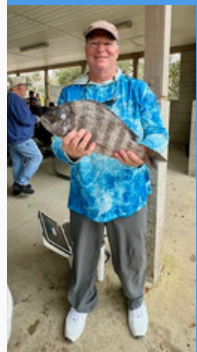

The weigh-In was held at Herschel King Park and was attended by 52 members and guests. My brother Tom and I decided that for lunch we would prepare our mother’s recipe of Italian Sausage. She used to make it when we were kids and sell it in the concession stand at Pop Warner and High School football games with all proceeds going towards the team. We hope you enjoyed it as it was always very popular. We also had hot dogs, chips, potato and macaroni salad, chocolate chip and oatmeal and raisin cookies.

There were some great prizes up for grabs for those who participated in the Raffle and 50/50 Drawing.

The list of winners include:

- Tom Juliano – 5 ‘ Cast Net
- Mark Juliano - Sand Spike
- Rick Chapman – Sand Spike
- Mark Juliano – Sand Flea Rake
- 1 Pair Shady Ray’s Sunglasses – donated by Deb Marino – Andy Block
- 1 Pair Shady Ray’s Sunglasses – donated by Deb Marino – Gerry Agerbek
- Bait Bucket w/aerator – Elaine Carlson
- Igloo Cooler – John Hodas

MARCH WEIGH MASTER REPORT BY SCOTT ROBERTSON

Scott Robertson
Weigh Master
(407) 373-5994

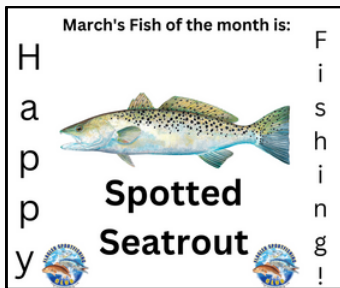

February’s fish of the month was Sheepshead. The winner will be announced at the March 7th meeting.

March Fish of the Month is Spotted Seatrout. FWC rules for Spotted Seatrout are 15” minimum and 19” maximum length. One fish over 19” is permitted per vessel. The total bag limit is 5 fish.

Karen Dougherty won January’s Fish of the Month with a 6lb 11oz Black Drum. Congratulations Karen!

The 2024 Yearlong tournaments are off to a great start. 32 photos have been submitted for the CPR tournament through February. Remember, just one CPR submission gets you into the CPR drawing at the end of the year and the more photos you submit, the better your chances of winning a great prize are. The 2024 Yearlong Species Tournament has 56 entries through February.

March's Fish of the Month is Spotted Seatrout

You can see the standings for both the Yearlong Species and Year Long CPR tournaments by going to the club web page and clicking on Fishing then Yearlong Club Standings. We have a good supply of our official bump boards available to buy for \$20. If you wish to use your own bump board, it needs to be approved by the club and a sticker attached to be legal.

Don’t forget Large Mouth Bass is now an eligible species for the CPR yearlong tournament. We have set a minimum size limit of 12”. Please note this is for the CPR tournament only.

A reminder for everyone fishing in our tournaments. All fish must comply with FWC rules. New for 2024, fish weighed in for our club tournaments must be caught in St. Johns, Flagler, and Volusia counties. Fish being photographed and released for CPR entry must be caught in state of Florida waters.

Fish brought to the weigh-in are required to be measured on the official club bump board before being weighed. Please take your fish to the bump board at the weigh table before putting it on the scale. If you weigh in a fish at a club tournament, I will enter the data in the Yearlong Tournament. There is no need to take the fish to a weigh station.

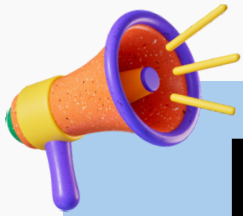

****NOTICE** - The overall species Leaders and Full Point Standings are updated at the end of each month on the club website:
flagersportfishing.com
 Then under Fishing click on YearLong Club Standings.

MARCH WEIGH MASTER REPORT CONTINUED

CPR photos for tournaments must be shown to the weighmaster at the tournament and must include a timestamp on the photo to be eligible to win a prize as noted on the tournament flyers. NOTICE - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> Then under Fishing click on YearLong Club Standings.

FISHING REPORT BY CHRIS CREGO

Flagler County Fishing Report – February 2024 recap

Fishing Report brought to you by Chris with Skinny Water Lures.

Chris from Skinny Water Lures reported that this month started off a bit slow, with water temperatures around 56-57 degrees near Bing's Landing. Despite the cooler temperatures and mostly high tides in the first week, anglers were able to have some excellent fishing days. Reports of redfish congregating around oyster bars in the area prompted us to head out early in the morning to target these schools of redfish and trout.

Using the Skinny Water Lures 3.5-inch twitch bait with the twitch-pause method, we were able to mimic the movement of fleeing baitfish, enticing the fish to strike. Our efforts paid off with the capture of a beautiful 23-inch redfish as the first catch of the day. The fishing remained hot as we reeled in several slot redfish, with the action lasting for hours before slowing down.

In the afternoon, we shifted our focus to speckled trout in a nearby grass flat where they were known to gather. Using the SWL twitch bait, we had success catching several 17" and 18" trout. As always, the key during these winter patterns was slow retrieval for effective fishing.

Towards the end of the month, the fishing bite remained remarkably good despite the chilly temperatures. A sudden spike in outside temperatures to the low 80s sparked a feeding frenzy among the usually sluggish fish. Venturing to a new area near the 206 bridge, we used kayaks to navigate the skinny waters, braving windy conditions up to 30mph to target redfish.

Employing a 4-inch Skinny Water Lures green goblin paddle tail near the bottom, we managed to hook a substantial 27-inch redfish and several others in the 18-19 inch range. By fishing slowly along the bottom and switching to a SWL suspending twitch bait mid-day, we successfully caught additional redfish including a 28-inch and 23-inch specimen using this technique.

Persistence was key as we emphasized the importance of repeating efforts in the same areas to maximize catches. While the trout bite was slower this week, reports indicated success in areas of deep moving water. Additionally, good reports surfaced of snook being caught in the evening around the High Bridge area using Skinny Water Lures topwater lures.

As the month comes to a close, anglers are encouraged to employ slow retrieval, persistence, and the use of Skinny Water Lures for a rewarding fishing experience.

'kids4reel' IN THE COMMUNITY

'kids4reel' Casts Its Line with Matanzas High School!

We've got some exciting news fresh off the hook for you. Our very own 'kids4reel' has embarked on a new adventure, partnering up with Matanzas High School for some serious angling action!

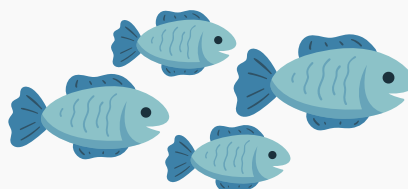

k4r is spreading its fins into the high school waters, and we couldn't be more thrilled. This marks a significant milestone for us as it's our first-ever partnership at the high school level. The waves of anticipation are running high!

In our first high school partnership, students from Matanzas High School joined us at Herschel King Park for the Black & Red Tournament weigh-in. Shawn Swartz, Taylur Camic, and Colin Tobias stepped up to the plate (or should we say, the fishing dock?) and lent us their able hands. They dove into the world of tournament procedures, helped with the weigh-in, served lunch, and most importantly, shared some laughs and camaraderie with our beloved FSC members.

It was a fantastic day filled with teamwork, learning and of course, a bit of friendly competition. We will continue to work on potential initiatives with MHS Fishing Club including FSC membership for the Matanzas High School students and their families; assistance/participation in upcoming tournaments and We will continue to work on potential initiatives with MHS Fishing Club including FSC membership; assistance/participation in tournaments and fishing clinics in the future.

FEBRUARY MEETING MINUTES BY CAROL CARTER, SECRETARY**Club Meeting Minutes 02-01-2024**

Meeting called to order by President, Adam Morley

Pledge of Allegiance – Presented by Ron Gorney

First Responders/Veterans/Active Duty Recognized

Welcome New Members/Visitors/Welcome Annual Sponsors – There were 3 new members/guests at tonight's meeting. Sponsors present were Adam Morley from Genung's Fish Camp and Lisa Annaheim with PC Realty.

Passing of 01-02-2024 Minutes, Motion made by Dean Roberts and seconded by Tim Beebe. Minutes accepted.

Announcements: Adam announced that we need someone to run the Spring Classic, CCA will be assisting us with the weigh-in. The Club Calendars are out, get one from Quinn Bui at the side table at the back of the room. Adam also told the attendees at the meeting to please sit at the tables with the signs on them for the kind of fishing they are interested in such as Surf, Inshore, Offshore, etc. Please engage with other members and share information to help others to become more knowledgeable about the type of fishing you enjoy. We still need a Marketing Director to help get more sponsors, we are now a 501c3, which makes it easier to get sponsors. Mike Vickers is absent tonight, he is having shoulder surgery.

Reports:

Finance Report: Deb Marinco said for the month of January ,the Expenses were \$4,051.70, Income was \$12,990 and the Net Year to Date was \$8,938.30. The CD of \$10,000.00 we have, will be maturing in Feb. of 2024 and will be rolled over.

Tournament Director Report & Upcoming Tournaments: Tim Miller said our first tournament for 2024 was the Sheepshead, it was cold and windy but we had hot chili that Chairpersons, Cookie & Bill Zimmer, – brought for us to eat with hot dogs and side dishes. 69 members attended the weigh-in and we had many volunteers to help out with selling raffle and 50/50 tickets, help hand out the food and at the end, tear down all the stations that were set up earlier. Thanks to all our volunteers, you make our jobs easier! The Chum Line has a new database, Myweighmaster.com has an AI program that you can check on our Year Long Tournament and you can ask questions on it – check it out. Let us know how it works out for you, it is no charge for us, use your email to get in the site. The Spring Classic is in April with donations going to the DAV, we need a chairperson to run this and we also need silent auction and raffle prizes. Next trnmt. will be on Feb. 17, the Black & Red, Mark & Tom Juliano will be running this one, there will be three species of fish to win prizes from. Fishing starts at 6:30 AM fish anywhere in our specified areas seen below in the Weigh Master's report. Mark also said there will be nice raffle prizes there. Weigh-in will be 2-3PM at Herschel King.

FEBRUARY MEETING MINUTES CONTINUED

Weigh Master Report: Scott Robertson said there has been a change in the Year Long and CPR Rules – change in location you can only fish in St. Johns, Flagler or Volusia Counties. CPR – you can only fish in Florida State waters. In the Year Long by the end of January, there were 40 entries so far. 32 photos so far in the CPR. In January, FOM was Black Drum – winner was Karen Dougherty, she received a \$50.00 gift card from Hammock Bait & Tackle.

Membership Report: Quinn Bui said the renewal for the 2024 memberships are past due now. We have 240 members now that have renewed or are new. Saturday, March 9th will be the Member Clinic held at Club 51, There will be a flyer in the March edition of the Chum Line or it can also be found online at our website or social media account on Facebook to get the information on it.

By-Laws – Mike Vickers is unable to be present for the vote on the updated By-Laws tonight, but we appreciate all the hard work he and his committee have done on this. Mike did the presentation at the January meeting and Adam is conducting the vote on it tonight. A **MOTION** was made to accept the new By-Laws for 2024 by Chuck Radloff and seconded by Dean Roberts. There were only two NO votes and the motion was passed to accept the new 2024 By-Laws.

Open Floor for Bylaw Suggestions – Adam made an open request for suggestions from the members, he got one previous request but waited to pass the By-Laws before taking an amendment to them. Tim Beebe said the wording in the By-Laws is old school as far as the household membership is worded. He said a single person is made to feel like an outcast. Each single person should be allowed to bring a guest as a family member to the weigh-ins or events. A short discussion regarding this issue was had by some of the members with Tim and Tim is requesting this become an amendment to the bylaws. Adam will bring it up with the board of directors.

Present 2024 Budget: Deb Marinco did the presentation for the proposed 2024 Budget tonight. Deb reviewed it on the screen with the income and expenses. The budget was shared and discussed. Adam mentioned that with us being a 501c3 now, we can get donations from companies for our raffle items. Based on previous years, this is our projected budget for 2024. To keep the club healthy, help get sponsors. There were no objections or questions asked of the 2024 budget review from the attendees.

BREAK

FEBRUARY MEETING MINUTES CONTINUED

Guest Speaker: Mark Grillo with Palm Coast Marine Repair

Mark said his repair service started three years ago, he is mobile only. He said in order to keep your outboard motors in good shape, you need to do a lot of preventive maintenance. He can work on boats on lifts in the canals, and he will come to you. Adam asked him the three things that you need to pay the most attention to. (1) Fuel – lack of usage, don't use the boat enough, lack of maintenance and the lack of anodes being changed. After 60 days, the fuel will get bad. The solution is to 'Go Fishing' more. He mentioned that a study said even non-ethanol gas has 5% ethanol. Use Yamaha Addal ring free to put in as an additive. Moisture can get into the fuel. (2) Another big issue is Internal anodes in newer engines stops interior deterioration. The engine rots from anodes that were not changed. Flushing the engine helps if the water is bad. Flushing should be done for 5-10 minutes with the engine running and use the muffs. (3) Water impeller, because of sand in water from fishing the flats. Every year for inshore, change the impellers. Use the scanner to check the newer motors and you have to connect with the computers. You can use Salt Away, once a year. Contact phone number for Mark is (386) 283-7832 or you can email him at palmcoastmarinerepair@gmail.com. He is also on facebook: <https://www.facebook.com/MARINEREPAIRPC>

50/50 Winner – was Chuck Engle for \$140.00 We had 65 members in attendance tonight. Motion to adjourn meeting made by Tim Beebe and seconded by Mike Kiss.
