

FLAGLER SPORTFISHING CLUB

THE CHUM LINE

FROM THE HELM - BY CAPTAIN ADAM MORLEY

Dear Flagler Sportfishing Club Members,

As I sit down to pen this letter, it's with a mixture of nostalgia and excitement that I announce my departure from the role of President of our esteemed club. This will be my final "From the Helm" message as your President, as we gear up for elections at our upcoming May meeting.

Serving as your President has been an incredible honor and privilege. Over the years, we've accomplished so much together, from organizing memorable fishing tournaments to hosting successful community events. I've had the pleasure of working alongside dedicated volunteers and witnessing firsthand the passion and camaraderie that define our club.

While stepping down from this position is bittersweet, I do so knowing that our club is in capable hands. We have a wealth of talented individuals ready to step up and lead us into the future. I have every confidence that under new leadership, the Flagler Sportfishing Club will continue to thrive and grow, fostering a love for the sport and strengthening our community bonds.

FROM THE HELM CONTINUED

Although my time as President may be coming to an end, my commitment to the club remains unwavering. I look forward to continuing my involvement as an active member, volunteering for events, and supporting the club as a business sponsor. Together, we'll continue to make waves in the world of sportfishing and leave a lasting legacy for future generations of anglers.

As I embark on new ventures, I carry with me fond memories of my time as your President. Thank you for your unwavering support, dedication, and friendship. It has been an honor to serve you all.

Tight lines and fair winds,

Capt. Adam Morley
Outgoing President
Flagler Sportfishing Club

TOURNAMENT CHAIRMAN REPORT BY TIM MILLER

Welcome to May. Your club is busy working on providing great tournaments to enjoy.

The 2024 Spring Classic is now in the books and appears to have been a success. Thanks to this event and the hard work by club members, the DAV and your club will receive some much-needed funding.

The month of June will see the Club Bottom Trip on June 22nd. This event gives members a chance at prize money along with possibility of offshore fish for the yearlong tournament. See flyer in this issue for more information.

May will bring the first of two surf tournaments on May 25th. Get out and try your luck in the Surf. See flyer in this issue for more information.

The CPR tournament is in full swing. So far over 200 legal fish have been photographed and released. Get your club bump board and start entering your fish. You only need to upload one released fish to be entered into the prize drawings. Then every five fish after that will get you more entries. Just one entry gives you a chance at Club Jacket, Shirt, or Gift Card.

Thank you to all the volunteers that helped with club tournaments. Without this help, the club would not be able to provide these great events. Be sure to sign up as a helper for the next tournament.

I do still need Tournament Chairs for the Member Classic on 9-21-2024, Surf Tournament on 10-19-2024, and the Red White & Blue Tournament on November 16, 2024.

28TH ANNUAL SPRING CLASSIC TOURNAMENT RECAP
BY TIM MILLER

The 28 th Annual Classic Fishing Tournament was held on April 18th and 20th and was a tremendous success for the Fishing Club and for the Disabled American Veterans (DAV). Tim Miller was the chairperson for this event, and he was assisted by the Flagler Sportfishing Club members and DAV members, as it takes a large team to put on an event this size every year.

The weekend event started with a Captains Meeting and Silent Auction held at the Social Club of Palm Coast. Auction items were on display and the bidding was fierce for many of the items. Thank you to all that made bids to help make this auction a success.

Anglers registered that night and purchased 50/50 and raffle tickets. The 50/50 drawing was held that night along with drawing for six of the 30+ raffle items. A total of Fifty-Two anglers signed up to compete. The weather for the Saturday tournament was gorgeous, and the competition was just as hot. Redfish, Trout and Flounder were being brought into Bings.

Coastal Conservation Association (CCA) was on hand to capture the live fish for tagging and quick release back into our local habitat. These fish will be tagged and released into our local waters. These tagged Redfish can win prizes that include Boat, Motor & Trailer packages. You can join CCA and enter the contest at CCAFLSTAR.COM.

A total of twelve live Redfish were donated to CCA for their tagging program. Mike Fehrenkamp won the Live Redfish Drawing. The weigh-in ended at 4.30 PM and while the officials tallied the weights and fish, raffle winners being drawn. Many people member and non-member, went home with raffle prizes.

Roy Cribb won the 50/50 Thursday night.

Saturday winners included: 50/50
Monika Heal and Roy Cribb won the Cooler of Joy.

MAY WEIGH MASTER REPORT BY SCOTT ROBERTSON

Scott Robertson
Weigh Master
(407) 373-5994

April's fish of the month was Florida Pompano. The winner will be announced at the May 2024 meeting.

May Fish of the Month is Amberjack. FWC rules for Amberjack are 28" minimum length. The total bag limit is 1 fish.

Mark Dwyer won March's Fish of the Month with a 2lb 9oz Spotted Seatrout. Congratulations Mark!

The 2024 Yearlong Species and CPR tournaments are rolling along nicely. The Yearlong Species tournament has approximately 170 entries weighed in and the CPR tournament has approximately 165 photos submitted through May. Remember, just one CPR submission gets you into the CPR drawing at the end of the year and the more photos you submit, the better your chances of winning a great prize are.

May's Fish of the Month is Amberjack

Please note that for the species yearlong tournament, if your fish is not heavier than the 7th place fish for that particular species in the Men's or Ladies' standings, there is no need to weigh-in the fish. Points are only given for places 1 through 7. You can see the standings for both the Yearlong Species and Year Long CPR tournaments by going to the club web page and clicking on Fishing then Yearlong Club Standings.

There has been some confusion with the way the weight of fish is calculated in the yearlong species tournament standings. The weight is calculated in pounds carried out two decimal places. I have provided a table that you can use to convert the decimal places back to ounces. Simply replace the two decimals in the standings with the corresponding ounces in the table.

Example: 1.31 lbs = 1 lb 5 ozs.

0.06 lb	s = 1 oz	0.56 lb	s = 9 s
0.13 lb	s = 2 s	0.63 lb	s = 0 s
0.19 lb	s = 3 s	0.69 lb	s = 1 s
0.25 lb	s = 4 s	0.75 lb	s = 2 s
0.31 lb	s = 5 s	0.81 lb	s = 3 s
0.38 lb	s = 6 s	0.88 lb	s = 4 s
0.44 lb	s = 7 s	0.94 lb	s = 5 s
0.5 lb	s = 8 s	1 lb	= 6 s

****NOTICE** - The overall species Leaders and Full Point Standings are updated at the end of each month on the club website:
flagersportfishing.com
 Then under Fishing click on YearLong Club Standings.

MAY WEIGH MASTER REPORT CONTINUED

We have a good supply of our official bump boards available to buy for \$20. If you wish to use your own bump board, it needs to be approved by the club and a sticker attached to be legal. Don't forget Largemouth Bass is now an eligible species for the CPR yearlong tournament. We have set a minimum size limit of 12". Please note this is for the CPR tournament only. Thank you Tom Wood for being the first one to submit largemouth bass CPR photos ever!

A reminder for everyone fishing in our tournaments: All fish must comply with FWC rules. **New for 2024, fish weighed in for our club tournaments must be caught in St. Johns, Flagler, and Volusia counties. Fish being photographed and released for CPR entry must be caught in state of Florida waters.**

Fish brought to the weigh-in are required to be measured on the official club bump board before being weighed. Please take your fish to the bump board at the weigh table before putting it on the scale. If you weigh in a fish at a club tournament, I will enter the data in the Yearlong Tournament. There is no need to take the fish to a weigh station.

CPR photos for tournaments must be shown to the weighmaster at the tournament and must include a timestamp on the photo to be eligible to win a prize, as noted on the tournament flyers.

NOTICE - The overall species Leaders and Full Point Standings are updated at the end of each month on our website: <https://flaglersportfishing.com/> Then under Fishing click on YearLong Club Standings.

Thanks for everyone's support, and if you have any questions, please let me know

FISHING REPORT BY CHRIS CREGO

Flagler County Fishing Report - April 2024 recap

Fishing Report brought to you by Chris with Skinny Water Lures.

Chris from Skinny Water Lures highlights the exciting changes in fish behavior and fishing conditions throughout the month. At the beginning of the month, the warming water temperatures in the 70s signaled the start of an active bite. Fish were moving from deeper waters to shallower flats, making for great early morning and late evening topwater action. However, a mid-month cold front changed the game, pushing fish back into deeper holes. Targeting drop-offs, bridges, and docks proved successful for catching trout and snook. Adapting to the new pattern with slower retrievals led to better strikes.

As the month progressed and the full moon approached, stronger tides increased fish activity. The focus shifted to redfish with early morning topwater fishing around oyster bars and grass banks. As the tide came in, flooded grass areas became hotspots for redfish, where using a weedless rigged paddle tail lure proved effective. Speckled sea-trout were also plentiful, especially around moving water and deep holes, with a hard twitch bait being the preferred choice.

Towards the end of the month, rising temperatures brought about another change in fish behavior, with fish pushing back onto the flats. The full moon phase presented excellent night-time fishing opportunities, with a strong inshore bite early in the morning and picking up again in the evening. Snook were plentiful along the sea wall in Palm Coast canals, biting on artificial lures or live finger mullet at dawn or dusk. The return of baitfish to the flats attracted redfish to areas like High Bridge, Long Creek, and Matanzas, where fishing flooded oyster bars during high tide proved successful.

The full moon phase also led to a great nighttime trout bite around dock lights. Using Skinny Water Lures twitch baits or a popping cork with a 3-inch paddle tail attracted these "mustard mouth" trout. Casting upcurrent and drifting the lure across the lights resulted in strikes, often on the pause.

As water temperatures continue to rise and sunny days approach, anglers need to remember to take sun protection measures and enjoy the fantastic fishing opportunities. With the changing conditions and patterns, there is always something new and exciting to discover while out on the water.

Happy fishing!

'kids4reel' IN THE COMMUNITY

'kids4reel' Fishing Clubs Reel in Fun and Education

The 'kids4reel' Fishing Clubs from Bunnell and Belle Terre Elementary Schools cast their lines into adventure at Herschel King Park last Friday, and it was a reel success! The weather couldn't have been better, and nature put on quite the show with an abundance of fish, birds, turtles, and all the wonders of the great outdoors.

Junior anglers of all levels were immersed in an educational experience, learning about safety, conservation, fishing techniques, and the importance of caring for our environment. It was more than just a day of fishing; it was a lesson in stewardship and appreciation for the natural world around us.

Behind the scenes, the dedicated school staff received invaluable support from numerous 'kids4reel' volunteers from the Flagler Sportfishing Club. These community-minded individuals generously volunteered their time and expertise to ensure the event's success.

A special shout out goes to Jimmy Walker, Tim Beebe, Dave Genk, and Deb Marinco, who selflessly dedicated their Friday to spreading joy and giving back to our community's youths. Their passion for fishing and commitment to empowering the next generation of anglers truly made a difference.

The 'kids4reel' Fishing Clubs continue to serve as a beacon of education, recreation, and community engagement, instilling lifelong values in our young anglers. With each cast and catch, they're not just reeling in fish; they're reeling in memories and lessons that will last a lifetime. Here's to many more adventures on the water and the valuable lessons they bring!
